Principles and Practice of Engineering Exam Information

(for initial registration as a Professional Engineer)

EXAM PROCESS

There are two steps in the exam registration process:

STEP 1 — Submit the application and the \$30.00 application fee to the Tennessee Board office by the stated deadline date.

STEP 2 — Following approval by the Tennessee Board to sit for the exam, candidates must register with NCEES at www.ncees.org to pay the exam fee and reserve a seat for the exam. This step must be completed by the NCEES registration deadline.

For information about the PE exams, exam preparation, materials, calculators, resources, etc. [click here](#).

Application Deadlines

Some exams have transitioned to computer-based testing (CBT) and are administered year-round.

Some exams are currently offered in pencil-and-paper format and administered once or twice a year depending on the exam. [Click here](#) for information about PE exams.

It is recommended that applicants submit their application at least 5-7 business days prior to the application deadline.

Tennessee application deadline for new applicants – Applications due in Board Office
June 15th for October exams
December 1st for April exams
No deadline date for Computer-Based Testing (CBT)

NCEES engineering exam registration deadlines can be found [here](#).

Retake request deadline for applicants with pending, approved applications – Use the [Retake Form](#).
August 15th for October exams
February 1st for April exams

NOTE: All supporting documents [references, transcript(s), verification, etc.] are due in the Board office within thirty (30) days after the application deadline.

NOTE: If a deadline falls on a Saturday, Sunday, or a state holiday, the deadline will be extended until the close of business on the next business day.

Fees

Make checks payable to the **Tennessee Department of Commerce and Insurance**.

You should submit the application fee with your application. Additional fees are listed below under “Fee Information.” Please review the registration requirements on our website before applying since the application fee is nonrefundable. NOTE: An engineering technology program is not considered by the Board to be an acceptable curriculum.

Fee Information

Application Fee – **\$30** (nonrefundable)
Biennial Registration Fee – **\$140** (due after exam is passed)

Exam fees are paid to NCEES when registering on the NCEES website.

Exam Locations

Exams are currently given in Knoxville, Memphis, and the Nashville area; however, this is subject to change.

Applicants with Non-Accredited Foreign Degrees

Rule 0120-01-.10 states that engineering degrees that are not accredited by the Accreditation Board for Engineering and Technology (ABET) shall be referred at the applicant's expense to a person or an entity approved by the Board and qualified to evaluate equivalency to an ABET-accredited engineering program for evaluation and recommendation. The Board has approved NCEES Credentials Evaluations to evaluate non-accredited foreign undergraduate engineering degrees. For further information regarding the evaluation process, contact NCEES Credentials Evaluations at the address below:

PO Box 1686
Clemson, SC 29633
Phone: 800-250-3196 or 864-654-6824
Website: www.ncees.org

Degrees accredited by the Canadian Engineering Accreditation Board (CEAB) that were awarded in or after 1980 are considered substantially equivalent and do not require evaluation.

Applicants with Non-Accredited Domestic Degrees

Rule 0120-01-.10 states that engineering degrees from programs that are not accredited by the Accreditation Board for Engineering and Technology (ABET) shall be referred at the applicant's expense to a person or an entity approved by the Board and qualified to evaluate equivalency to an ABET-accredited engineering program for evaluation and recommendation. The Board has approved a former engineering professor to evaluate domestic undergraduate engineering degrees. The cost for such evaluations is \$50 per hour; an invoice for this service will be sent to applicants requiring an evaluation following receipt of the evaluation.

Score Reporting

Scores are released approximately 8-10 weeks after the date of the exam. Examinees will be notified by e-mail when their results are available, and will be given instructions to log into their My NCEES account to view them. You will also receive a written notification of your results from the Board office.

Exam in an Additional Discipline after Initial Registration

If you are already licensed in Tennessee and want to take a PE exam in another discipline, e-mail the [Application to Add an Exam Discipline](#) to ce.aeboard@tn.gov. No fee is due. Do **not** submit the regular application form for registration since you will **not** be issued another PE license.

Notice Regarding Disclosure of Social Security Numbers

Federal and state laws, including 42 U.S.C. § 405(c)(2)(C)(i), 42 U.S.C. § 666(a)(13), T.C.A. §§ 36-5-711 and 36-5-1301, require disclosure of the social security number for the purpose of administering the state child support program. The social security number will be redacted prior to making your record available for public inspection.

This Application Packet Contains the Following Items

(1) Application Form –

- Fill out the application form completely (on line or after downloading it) and sign it. Any major modification of state approved forms may cause the Board to reject your application.
- Provide detailed information regarding your progressive engineering design work and responsibility on projects, to enable evaluation of experience. For a description of progressive engineering experience, [click here](#). All time/experience must be accounted for whether it is related to engineering or not. An applicant's experience must be obtained after graduation with the qualifying degree and completed by the date of the examination.

For the Board's policy concerning exam choices, [click here](#).

(2) Eligibility Verification for Entitlements –

If you are a natural person applying for a license, registration, certification or other benefit you must "Attest, under penalty of perjury, to your status as either a United States citizen, a qualified alien as defined in Tennessee's Eligibility Verification for Entitlements Act, or a foreign national not physically present in the United States..." **Specific instructions are on the three (3) pages following the application.** Submit the appropriately signed form (page 2) and documents, if required, with the application.

(3) Reference Forms –

- Submit five (5) references from persons acquainted with your technical ability and character.
 - Three references must be from registered engineers and
 - References are required from both a current employer/technical supervisor and a past employer/technical supervisor (if applicable).
 - No more than three (3) references can be from one place of employment.
 - References from relatives are not acceptable.
- **You must send a copy of the experience page of the application with the reference form to each reference for verification purposes. The references will then e-mail them to ce.aeboard@tn.gov.**

(4) "Request for Verification of Registration or Examination" Form –

- Verification is required if your Fundamentals of Engineering (FE) exam was taken in a state other than Tennessee.
 - **Electronic Verifications**
You may now request electronic verifications. If you have passed the FE exam, then some states will allow you to use the NCEES Record for initial licensure. A limited number of boards offer the initial licensing process, so check your [MyNCEES](#) account under *Exams* and *Licensure Verification* to find out if this is a path for you.
 - **Paper Verification Form**
[Use this form](#) if the state in which you passed the FE exam is not currently utilizing the electronic verification system.

After completing the appropriate fields, send this form to the state licensing board where you passed the FE exam. Contact information for state licensing boards is available [here](#).

This document must be returned to the Tennessee Board of Architectural and Engineering

Examiners by the state completing the Verification of Licensure document via mail or ce.aeboard@tn.gov.

Transcripts

Request an *Official Transcript* from the college/university registrar's office. The college/university must mail the transcript directly to the Board office or transmit it, electronically, to ce.aeboard@tn.gov.

Review Procedure

When your application packet is complete, it will be submitted to the engineer members of the Board for review. The review may take up to eight weeks.

Pending Status

An application that lacks required information or reflects a failure to meet any requirement will be held in a "pending" status for five (5) years from the date of the application. The Board considers passing the respective registration examination as one of the requirements for a completed application.

Scheduling Information

Following approval by the Tennessee Board to sit for the exam, candidates must register with NCEES to pay the exam fee and reserve a seat for the exam. NCEES will distribute test admission notices to approved candidates 2-3 weeks before the exam. For further information, visit the [NCEES](#) website.

Disability and Religious Accommodations

If you require special accommodations in taking this examination, contact [NCEES](#).

Board Contact

Contact Wanda Phillips at 615-741-3221, 800-256-5758, or send e-mail to ce.aeboard@tn.gov if you need further information or have questions about this information.

Board Statement to Reference:

This Board is required by law to obtain evidence of the good character and technical ability of applicants for registration as engineers. Statements by responsible individuals with personal knowledge of the applicant's character and qualifications will be considered as evidence. Additional information may be attached.

The Board would like to emphasize that evidence submitted on this form must not be perfunctory nor made for the mere purpose of aiding the applicant to be registered. The execution of this statement will be accepted by the Board as a deliberate act made with full knowledge of the responsibility to protect the public health, safety and welfare. It should be borne in mind that the applicant is not being considered for membership in an organization but for registration as an engineer qualified to practice in Tennessee.

Since the Board cannot process this application until it receives this reference, a prompt reply will expedite our handling of the application.

THE INFORMATION YOU GIVE WILL BE TREATED IN THE STRICTEST CONFIDENCE.
