With over 20 years of experience, LDT Railings & Fencing continues to provide a full spectrum of services. We have built a solid reputation with our clients for quality workmanship and project professionalism. Our team of highly experienced professionals can take on any interior or exterior project. This company is driven by excellence, quality workmanship and industry standards. For many years, LDT Railings & fencing specialized solely in aluminum railings, fences, columns and gates, but we are proud to announce that our services now also in-

clude aluminum/iron exterior railings and metal/wood staircases.

LDT Railings & Fencing uses the finest aluminum available in the GTA to ensure you will be happy with the installation with no worries of maintenance or rust. Aside from our beautiful and traditional designs our company takes pride in its ability to make custom designs, from the colors to the style, to satisfy our customers need and wants and make your vision a reality, all while meeting the Ontario building code. Our beautiful iron fences, gates, and railings are completely custom-made in our shop, personalized to your specific building needs. We can design, fabricate and install a brand-new fences, gates or railings designed to match the to the style of your existing railings or we can create a unique, smooth and sophisticated look and feel of wrought iron to be featured

in your home or business.

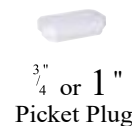

If you want to transform the look of your home a beautiful metal/wooden staircase would do the trick. Our team is knowledgeable when it comes to the principle involved in stair building, including railings, its layout, and construction. LDT Railings & fencing can satisfy a variety of style choices from traditional to contemporary. We welcome your involvement and ideas to help in the creation of your staircase; from the selection of woods and spindles to handrails and more. Our company uses the finest wood available in all the GTA. We understand the need of our homeowners and clients, no matter where they stand. From providing them with best-in-quality materials from modern selections to professional installation, while offering the best competitive prices, LDT is there every step of the way.
