Chicago Medical Supply just celebrated its second anniversary. We appreciate our loyal customer base. Our mission remains to provide reasonably priced quality products with superior service. Time is an ever increasingly critical commodity and we know you do not have the time to waste when ordering or getting an issue resolved. This led to our slogan “small enough to do it right”. Be assured you are never just a number to us.

We continue to add new products regularly. As such we continue to use the “mini catalog” format. We would recommend you also visit our website- chimedsupply.com as it has our most current product listing and pricing. Professional pricing does require registration - just call us at the toll free number below and we can register you in less than one minute or do it online.

Orders may be placed via our toll free number: 866-544-3734; directly from our website: chimedsupply.com; or via fax: 866-544-3735. While the attached listing shows our standard pricing, we do have various pricing plans based on purchase levels as well as a price matching program. Please call the toll free number above to discuss any pricing issues. Our website displays items that are currently on special on the home page and in the Store Specials category.

At Chicago Medical Supply:

- All our products ship from one location (facilitating receiving)
- **We do not charge a fuel surcharge**
- Our friendly knowledgeable staff have a combined 80 years of industry experience
- Shipping is free for orders > \$100
- We offer very competitive pricing

We thank you for your interest in our company and our products. In addition we look forward to a long-term business relationship that will be beneficial to both you and us. Please contact us with any questions or concerns- 866-544-3734
