

PROFESSIONAL LICENSURE DISCLOSURE

Background- Lincoln Memorial University offers several programs leading to professional licensure within the State of Tennessee. Lincoln Memorial University also offers the ASN and BSN in Kentucky and Florida, which can lead to professional licensure in those states. States vary in what professions they require to be licensed and how licensure functions. Some states require an individual to graduate from an approved program. Others require an individual to “meet [the] certification requirements of a national organization”. A specific amount of training can also be required as well as passage of an exam based on a state requisite exam score. Often, licensed professionals must complete continuing education on an annual.

State Authorization- Lincoln Memorial University is a member of the National Council for State Authorization Reciprocity Agreement (NC-SARA) which allows us to provide distance learning programs (both online and in the form of supervised field experiences) and coursework to residents of states other than Tennessee. NC-SARA membership, however, does not grant reciprocity or exempt us from state professional licensing requirements. As a result, licensing requirements in Tennessee may not be recognized as sufficient to obtain a license in any other state.

Relocation- Relocating while in the course of a program to another state may have impacts if the student can remain in the program, meet the state licensure requirements and/or continue to receive financial aid funding. Prior to considering relocation, please log into your WebAdvisor account to complete the change of address process and contact your program advisor to discuss authorization and licensure eligibility requirements.

LICENSING DISCLOSURES

34 CFR 668.43(a)(5)(v) Professional Licensure/Certification (PLC) pre-education requirements

The curriculum for programs customarily leading to licensure at Lincoln Memorial University have been designed to meet the licensure/certification requirements in Tennessee as well as preparing students to apply for licensure exams in the State of Tennessee. The licensure boards in each state are responsible for establishing the requirements for licensure/certification for their state. Students who intend to return or move to any state other than Tennessee need to review the professional licensure disclosures pertaining to their program and consult with the state professional licensing board. The state professional licensing boards make the ultimate decision as to whether or not an individual will be eligible to sit for licensure based on the rules and regulations in place at the time the individual submits their application for licensure.

Some state licensing boards require additional requirements beyond education, which may include (but are not limited to): additional post-graduation examinations or experience, application and licensing fees, criminal background checks, reference checks, fingerprint submissions, etc. Continuing education may also be required for maintenance of certification/licensure. Make sure you understand and review any additional requirements prior to enrolling in your program.

State licensing requirements are always subject to change at the discretion of the state licensing board. The University will routinely update this page, but we strongly recommend you inquire with the applicable state board to confirm your eligibility for licensure prior to enrolling in your program. For any questions regarding licensure, please contact the state/territory agency directly.

Licensing requirements vary by state/territory and relocating could impact whether you will meet eligibility requirements for licensure. For any questions about relocation eligibility, contact the agency where you desire licensure before relocating to ensure that you will be eligible for licensure or reciprocity.

Carefully review the educational prerequisites for your intended state/territory of licensure and whether our program meets those requirements for licensure. Use the agency contact information provided below to clarify or confirm any requirements. If questions remain after reviewing the information provided below, contact your program advisor, or the contact listed with your program.

The State Licensing Requirements should indicate if the program curriculum *Meets* the requirements in these states and US Territories, *Does NOT Meet* the requirement in these states and US Territories or *Undetermined* if the program has not yet determined if the curriculum requirements are met for these states and US Territories.

Programs leading to Licensure:

Doctor of Occupational Therapy (OTD)

Doctor of Osteopathic Medicine (DO)

Doctor of Physical Therapy (DPT)

Doctor of Veterinary Medicine (DVM)

Education-Teacher Licensure, Counseling & Leadership (BA/BS, MEd & EdS)

Law (JD)

Medical Laboratory Science (MLS)

Mental Health Counseling (MEd)

Nursing (ASN, BSN, MSN)

Nursing Home Administration (BBA, MBA, Graduate Certificate)

Physician Assistant (MMS)

Social Work (BSSW)

Veterinary Medical Technician (VMT)

Doctor of Occupational Therapy (OTD)

The entry-level occupational therapy doctoral degree program has applied for accreditation and has been granted Candidacy Status by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its web address is www.acoteonline.org. The program must have a preaccreditation review, complete an on-site evaluation, and be granted Accreditation Status before its graduates will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.

Students must complete 24 weeks of Level II fieldwork as well as an individual 14-week capstone experience within [24] months following the completion of the didactic portion of the program. The doctoral capstone experience must be started after completion of all coursework and Level II fieldwork as well as completion of preparatory activities defined in 2018 ACOTE OTD Standard D.1.3.

Doctor of Osteopathic Medicine (DO)

The National Board of Osteopathic Medical Examiners (NBOME) is an independent, nongovernmental, not-for-profit organization whose mission is to protect the public by providing the means to assess competencies for osteopathic medicine and related health care professions. The NBOME develops and administers the COMLEX-USA (Comprehensive Osteopathic Medical Licensing Examination of the United States) exam. These consist of three (3) levels. LMU-DCOM students are required to take and pass COMLEX Level 1 and Level 2 CE and PE exams prior to graduation. Passing COMLEX Level 3 is required after graduation to obtain licensure. The COMLEX-USA exams are accepted for medical licensure in all 50 of the United States and all U.S. territories. Visit NBOME.org for more information.

Doctor of Physical Therapy (DPT)

The Doctor of Physical Therapy Program is an entry-level doctoral program preparing graduates for licensure in all states pending satisfactory performance on the NPTE exam and completion of the state-specific juris prudence examination. The program is under the oversight of the Commission on Accreditation in Physical Therapy Education which is a nationally recognized by the US Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA).

Every state in the United States including the District of Columbia, Puerto Rico, and the US Virgin Islands requires a license to practice as a physical therapist. Individuals with a physical therapy education from a CAPTE accredited program meet the educational standards required; however, other licensure requirements may vary from state to state. Individuals wishing to be licensed in the United States must become aware of licensure requirements for the state in which he/she would like to work.

Education-Teacher Licensure, Counseling & Leadership (BA/BS, MEd & EdS)

This includes the following degree programs:

- Undergraduate Initial Teacher Licensure
- Undergraduate Special Education
- Graduate Initial Teacher Licensure
- Graduate Special Education
- Graduate School Counseling
- Graduate Instructional Leadership.

The Carter & Moyers School of Education is an educator preparation program approved by the Tennessee Department of Education, leading to candidate licensure for teachers, school counselors, and administrators in Tennessee. Authorization for the university to provide a program for the preparation of teachers, school counselors, or administrators in the State of Tennessee does not guarantee eligibility or reciprocity for certification, licensure, or benefits in any other state.

Pathways used to apply for licensure in other states include the following:

1. National Association of State Directors of Teacher Education and Certification (NASDTEC) Interstate Agreement ([Interstate Agreement Documents](#)). Please note that a NASDTEC Interstate Agreement does not guarantee full reciprocity. Most states have their own minimum Jurisdictional Specific Requirements (JSRs) that must be met by new graduates or educators who seek to earn full certification or licensure in other states. These Jurisdictional Specific Requirements may include but are not limited to, additional testing or assessments, variance in type, content area, or grade span of endorsements, professional development or mandatory training, and curriculum comparability or specific coursework.
2. Recognition of a CAEP ([Council for the Accreditation of Educator Preparation](#)) accredited program. Lincoln Memorial University is currently NCATE accredited, awaiting CAEP accreditation notice in October 2020.
3. Some states do not have standard pre-approval guidelines or agreements/contracts with other states or CAEP. These states rely on an individual analysis of transcripts and documentation for each applicant. If relocating to a state that uses transcript analysis, carefully consider those requirements during program completion. For example, some states do not accept coursework graded as pass/fail or have specific content curriculum requirements.

In agreement with NASDTEC, Lincoln Memorial University strongly recommends that licensure candidates seek licensure in Tennessee and then apply in other states using the out-of-state licensure process. Candidates must be aware that the Undergraduate Initial Teacher Licensure, Undergraduate Special Education, Graduate Initial Teacher Licensure, Graduate Special Education, Graduate School Counseling, and Graduate Instructional Leadership programs offered within the Carter & Moyers School of Education at Lincoln Memorial University are designed to ensure eligibility for a teaching license in Tennessee. NASDTEC (2020) cautions prospective teacher candidates that each state is responsible for its own certification/licensure requirements, which may change without notice to NASDTEC or your university's certification

officers or your state's office of certification. Candidates should always contact the office of certification in any state of relocation to get the most accurate information on certification requirements. Certification application materials, requirements, and instructions on applying for licensure in other states are located on each state's Department of Education website. The out-of-state application process may require that Lincoln Memorial University complete a form to verify enrollment in an approved educator preparation program. This form often requires a signature from either the Dean or a certification officer. Verification forms for the Carter & Moyers School of Education should be sent to Erin Brock, Director of Licensure and Testing for completion.

States in which our Undergraduate Initial Teacher Licensure, Undergraduate Special Education, Graduate Initial Teacher Licensure, Graduate Special Education, Graduate School Counseling, and Graduate Instructional Leadership programs meet the educational requirements for professional licensure using out-of-state licensure.

Due to the current NASDTEC Interstate Agreement, our programs meet most, if not all, requirements in 47 of the 50 states. Those states include Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, and Wyoming. Guam is also included in the NASDTEC interstate agreement.

Although not part of NASDTEC, Lincoln Memorial University also currently meets requirements for New York, New Mexico, and South Dakota as well as the territories of American Samoa, Northern Marina Islands, Puerto Rico, and US Virgin Islands.

As mentioned above, there may be additional requirements, such as coursework, assessments, classroom experience, or mandatory training to complete before receiving a full professional certificate in the new state. You are encouraged to visit the Department of Education website for each state in which you may seek to learn about requirements. Directory information for each state licensure office is below.

Medical Laboratory Science (MLS)

At the present time, there are currently 10 states with laboratory personnel licensure, namely California, Florida, Hawaii, Louisiana, Montana, Nevada, New York, North Dakota, Tennessee, and West Virginia. The medical laboratory scientist licensure for the US Territory of Puerto Rico is undetermined at this time in time.

The Lincoln Memorial University's Bachelor of Science in Medical Laboratory Science fulfills all of the educational requirements for the states listed above with the exception of California, which requires the addition of three credit hours of physics (light and electricity).

For more information, please The American Society for Clinical Laboratory Science (ASCLS), 1861 International Drive, Suite 200, McLean, VA 22102, PH: 571-748-3770

Nursing (ASN, BSN, MSN)

Includes the following programs:

- Associate of Science in Nursing (ASN)
- Bachelor of Science in Nursing (BSN)
- Master of Science in Nursing (MSN) Family Nurse Practitioner (FNP) Concentration
- MSN Family Psychiatric Mental Health Nurse Practitioner (FPMHNP) Concentration
- MSN Nurse Anesthesia (NA) Concentration
- MSN Nursing Administration Concentration

Graduates of the Associate of Science in Nursing (ASN) and Bachelor of Science in Nursing (BSN) programs are eligible to apply to take the NCLEX-RN through the State Board of Nursing in which they plan to practice. The Board of Nursing has the right to deny licensure to practice nursing to individuals guilty of crime, unprofessional conduct, or incompetence. Direct any questions regarding eligibility to take the licensing examination to the board of nursing in the state in which the student wishes to be registered.

Graduates of the Master of Science in Nursing (MSN) Family Nurse Practitioner (FNP) concentration will meet the eligibility requirements for the FNP certification examinations offered by the American Nurses Credentialing Center (ANCC) or the American Academy of Nurse Practitioners (AANP).

Graduates of the MSN Family Psychiatric Mental Health Nurse Practitioner (FPMHNP) concentration will meet the eligibility criteria for the American Nurses Credentialing Center (ANCC) FPMHNP certification examination.

Graduates of the MSN Nurse Anesthesia (NA) concentration will have met the eligibility criteria for the National Board for Certification and Recertification of Nurse Anesthetists (NBCRNA) national certification examination.

Upon successful completion of the MSN Nursing Administration Concentration, graduates are eligible for certification examinations from the American Nurses Credentialing Center (ANCC), or the American Organization of Nursing Leadership (AONL) provided they have met the practice requirement for the examinations.

The State Licensing Requirements should indicate if the program curriculum *Meets* the requirements in these states and US Territories, *Does NOT Meet* the requirement in these states and US Territories or *Undetermined* if the program has not yet determined if the curriculum requirements are met for these states and US Territories.

LMU contact for questions about licensure and certification:

Nursing Home Administration (BBA, MBA, Graduate Certificate)

Includes the following programs:

1. Bachelor of Business Administration – Nursing Home Administration (Administrator-in-Training)
2. Master of Business Administration – Nursing Home Administration (Administrator-in-Training)
3. Graduate Certificate - Nursing Home Administration (Administrator-in-Training)

The Bachelor of Business Administration – Nursing Home Administration (Administrator-in-Training), Master of Business Administration – Nursing Home Administration (Administrator-in-Training), and Graduate Certificate - Nursing Home Administration (Administrator-in-Training) programs prepare professionals for a career in nursing home administration. The Bachelor of Business Administration – Nursing Home Administration (Administrator-in-Training), Master of Business Administration – Nursing Home Administration (Administrator-in-Training), and Graduate Certificate - Nursing Home Administration (Administrator-in-Training) have been approved by the Tennessee Board of Examiners for Nursing Home Administrators to fulfill the state-specific educational requirements for an Administrator in Training (1020-01-04). Authorization for the university to provide a program for the preparation of nursing home administrators in the State of Tennessee does not guarantee eligibility or reciprocity for certification, licensure, or benefits in any other state.

Social Work (BSSW)

Completion of the Bachelor of Science in Social Work degree from Lincoln Memorial University meets the educational requirements to apply for registration or licensure at the baccalaureate level in Kentucky, Tennessee, and Virginia and in many other states and territories. It is recommended that students contact the licensure board in the state of interest for current requirements.

LMU Contacts for questions about licensure or certification:

Dr. Ann-Marie Buchanan, Ann-Marie.Buchanan@lmunet.edu, 423 869 7158

Dr. Martin Sellers. Martin.sellers@lmunet.edu, 423 869 6815

The State Licensing Requirements should indicate if the program curriculum *Meets* the BSSW requirements in these states and US Territories, **Does NOT Meet** the MSSW requirement in these states and US Territories (BSSW licensure not offered) or *Undetermined* if the program has not yet determined if the curriculum requirements are met for these states and US Territories.

Veterinary Medical Technician (VMT)

Lincoln Memorial University discloses that the Associate of Science in Veterinary Medical Technology program fulfills the state/territory education requirements to allow the student to take the Veterinary Technology National Exam. A passing score on the VTNE is required in all states listed as “MEETS” to attain a license. In addition, states may require a jurisprudence exam to become licensed. Contact the AAVSB or state boards listed below for specifics on applying for licensure.
