# THIEVES

*Young Living's unique Thieves® blend is crafted in the tradition of four 15th-century French thieves who created a special aromatic combination of clove, rosemary, and other botanicals. Our Thieves line of products brings safe alternatives to your business, so you can replace harsh chemicals with naturally derived formulas that work hard and smell amazing.*

# KidScents

Our new KidScents® line is an essential oil-infused collection that addresses the most common concerns of childhood. These proprietary blends are safe alternatives to comparable products found on many store shelves. You'll love our kid-focused essential oil blends, and (remove your) kids will love our new KidScents diffusers! These specially designed diffusers offer a unique experience that captures every child's imagination with two fun, interchangeable covers: Dolphin Reef and Dino Land.

## Foundational Nutrition

Vitamins and minerals are two of the foundations of a healthy diet. However, diet alone can't always provide sufficient amounts of these important nutrients. Our convenient multivitamin supplement solutions feature bioavailable food-sourced vitamins and minerals that contain an infusion of powerful essential oils to give your customers the support they need.

# Titanium Cookware

*Young Living's premium titanium cookware is energy efficient and helps food retain its peak flavor. Featuring a nonporous, nonstick, abrasion-resistant surface, these pans are designed for easy cleaning and maintenance. The hand-cast alloy surface conducts heat seven times faster than steel, allowing it to heat more quickly, reach higher temperatures, and distribute heat evenly. The thick Thermobasic base prevents warping, even after years of use.*
