New Year's Day

FRIDAY 1st JANUARY 2021

KARAOKE, CURRY AND CHARITY

Join us from midday in the Main Bar
for fresh Bloody Mary's and live music by
STANLEY DUO BAND.

It has become tradition at Hemingways Watamu that we try and raise funds for various charitable causes on New Year's Day and thankfully many of our guests have been incredibly generous over the years in supporting our causes. 2021 is no different.

The Watamu/Timboni Medical Clinic has been assisting local community families with serious medical issues for many years, both with medical care and with food assistance when necessary. Due to the pandemic their resources have been severely stretched and they are struggling to assist many of those most in need.

Our assistance will allow them to continue to help the most vulnerable in the community.
