

## PROJECT BLUE BEAM – Part Two

### THE BIG SPACE SHOW IN THE SKY

The second step in the NASA Blue Beam Project involves a gigantic 'space show' with three-dimensional optical holograms and sounds, laser projection of multiple **holographic images** to different parts of the world, each receiving a different image according to predominating regional national religious faith. This new 'god's' voice will be speaking in all languages. In order to understand that, we must study various secret services' research done in the last 25 years. (Remember this speech was given in 1994.)

Star Wars – 1977, Princess Leia hologram.

The Soviet's have perfected an advanced computer, even exported them, and fed them with the minute physio-psychological particulars based on their studies of the anatomy and electromechanical composition of the human body, and the studies of the electrical, chemical and biological properties of the human brain.

These computers were fed, as well, with the languages of all human cultures and their meanings. The dialects of all cultures have been fed into the computers from satellite transmissions. The Soviets began to feed the computers with objective programs like the ones of

the new messiah.

Remember from the message "Opening the Abyss – Part Two" Al Bielek said:

**There's a fellow who calls himself Lord Mattreya who says that he is the Christ returned to the planet; that when he links up with the international press he will send a telepathic message to the entire planet in their own language and they will hear it. They also are supposed to receive a visual image.**

This fits perfectly here with what we are learning about Project Blue Beam. This is the 3d holographic image they are talking about as well as v2K mixed in.

DEW (directed energy weapons) are being used right now and some aren't even aware they exist. TIS (targeted individuals) are painfully aware of lasers and satellites, and drones and other devices being used to torture them with sound, voices speaking in their heads or their conscious, burning their skin, drugging them etc.

It also seems that the Soviets - the new world order people - have resorted to suicidal methods with the human society by allocating electronic wavelengths for every person and every society and culture to induce suicidal thoughts if the person doesn't comply with the dictates of the new world order.

\*\*Magnus Olson spoke of this and I've talked with some TI'S who say they are trying to use weapons on them to turn them violent. Jonestown with Jim Jones, they used the "God made me do it programming" and this was a Jesuit project to kill Christians with great success.\*\*

**Eph.6:17** – And take the helmet of salvation, and the sword of the Spirit, which is the Word of God.

**2 Cor.10:3-5** – For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ.

There are two different aspects of step two.

The first is the '**space show.**' Where does the space show come from? The space show, the holographic images will be used in a simulation of "**the ending,**" during which all nations will be shown scenes that will be the fulfillment of that which they desire to verify the prophecies and adversary events.

These will be projected from satellites onto the sodium layer about 60 miles above the earth. We see tests every once in a while, but they are called UFOs and "flying saucers" sightings.

The result of these deliberately staged events will be to show the world the new 'christ,' the new messiah, **Matraia** (Maitreya), for the immediate implementation of the new world religion. Enough truth will be foisted upon an unsuspecting world to hook them into the lie. "Even the most learned will be deceived."

**Matt.:24:24** – For there shall arise false christs, and false prophets, and shall shew great signs and wonders; insomuch that , if it were possible, they shall deceive the very elect.

The project has perfected the ability for some device [referred to as "tractor beams" by ufologists].

to lift up an enormous number of people, as in a **Rapture**, and whisk the entire group into a never-never land .We see tests of this device in the abduction of humans by those mysterious little alien greys who snatch people out of their beds and through windows into waiting "mother ships." The calculated resistance to the universal religion and the new messiah and the ensuing holy wars will result in the loss of human life on a scale never imagined before in all of human history.

**Rev.6:8** – And I looked and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

**Rev.9:15** – And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.

**Zechariah 13:8-9** – And it shall come to pass, that in all the land, saith the LORD, two parts therein shall be cut off and die; but the third shall be left therein.

The Blue Beam Project will pretend to be the universal fulfillment of the prophecies of old, as major an event as that which occurred 2,000 years ago. In principle, it will make use of the **skies as a movie screen** (on the sodium layer at about 60 miles) as **space-based laser-generating satellites project simultaneous images to the four corners of the planet in every language and dialect according to the region**. It deals with the religious aspect of the new world order and is deception and seduction on a massive scale.

Computers will coordinate the satellites, and software already in place will run the sky show. Holographic images are based on nearly identical signals combining to produce an image or hologram with deep perspective which is equally applicable to acoustic ELF (extremely low frequency), VLF (very low frequency) and LF (low frequency) waves and optical phenomena.

Specifically, the show will consist of multiple holographic images to different parts of the world, each receiving a different image according to the specific national, regional religion. Not a single area will be excluded. With computer animation and sounds appearing to emanate from the very depths of space, astonished ardent followers of the various creeds will witness their own returned messiahs **in convincing lifelike reality.**

Then the projections of

Jesus,

**Matt:24:25-28** – Behold, I have told you before. Wherefore if they shall say unto you, Behold, He is in the desert; go not forth: behold, He is in the secret chambers; believe it not. For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming (2<sup>nd</sup> coming) of the Son of man be. For wheresoever the carcass is, there will the eagles be gathered together.

**Acts 1:9 -11** – And when He had spoken these things, while they beheld, He was taken up; and a cloud received Him out of their sight. And while they looked stedfastly toward heaven as He went up, behold, two men stood by them in white apparel; Which also said, Ye men of Galilee, why stand ye gazing up into heaven? This same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen Him go into heaven. (2<sup>nd</sup> coming again)

**1 Thess.4:16-18** – RAPTURE – He will come in the clouds but not set foot on the earth when He comes for His bride. Do not be fooled and run out to see this holographic show in the sky. You will not have to do anything to be raptured. Those that are His and are in Him will automatically be caught up to meet Him in the air.

Many believe we will have to go through the tribulation. But the Bible says there is a way of escape: Luke 21:36 & Rev.3:10

Mohammed, - This picture is from 2011 during the rioting in Egypt. A supposed "phantom" pale horse with a rider in Cairo, Egypt. Many have believed this was a horse of the apocalypse. The muslims believe this is their maadi.

Buddha, - This picture is showing 3D technology used to resurrect destroyed Buddha statues in Afghanistan.

Krishna, etc., Then all the gods will merge into one after correct explanations of the mysteries and revelations will have been disclosed.

This one god will, in fact, be the antichrist, (I am just using this guy as an example – we don't know who he is yet)

who will explain that the various scriptures have been misunderstood and misinterpreted, and that the religions of old are responsible for turning brother against brother, and nation against nation, therefore old religions must be abolished to make way for the new age new world religion, representing the one god, Antichrist they see before them. \*\*He will be projected on 3D hologram all around the world so that people will believe.\*\*

**2 Thess.:2:9** – Even him (antichrist), whose coming is after the working of satan with all power and signs and lying wonders, and with all deceivableness of unrightness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie. That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Naturally, this superbly staged falsification will result in dissolved social and religious disorder on a grand scale, each nation blaming the other for the deception, **setting loose millions of**

**programmed religious fanatics** through demonic possession on a scale never witnessed before.

**\*\*Don't forget that Donald has said that there are many sold out evangelists at the cloning centers. Also, Fritz Springmeier talked about how we do have religious leaders that have been programmed. And we surely cannot forget that the Jesuits of the catholic church have infiltrated all religions.\*\***

In addition, **this event will occur at a time of profound worldwide political anarchy and general tumult created by some worldwide catastrophe.**

**Rev.6:1-2** – And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. And I

saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him and he went forth conquering and to conquer.

**1 Thess.:5:2-** For you yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

The United Nation even now plans to use Beethoven's 'Song of Joy' as the anthem for the introduction for the new age one world religion. If we put this space show in parallel with the star wars program we get this: combination of **electromagnetic radiation and hypnosis** which have also been the subject of intensive research. In 1974, for instance, researcher G. F. Shapits, said of one of the research proposals that, '...in this investigation it will be shown that the **spoken words of the hypnotist may also be converted by electromagnetic energy directly and to the subconscious part of the human brain without employing any mechanical device for receiving or transcoding the message, and without the person exposed to such influence having a chance to control the information input consciously.** It may be expected that the rationalized behavior will be considered to have been taken out of their own free will.'

Anyone investigating so-called 'channelling' phenomena right now would be wise to take this area of research into consideration. It will be noted that those who think of themselves as 'channellers' has escalated rapidly since this type of research was conducted. It is uncanny how similar their messages are, despite which entity they claim to be their source of divine guidance. It would suggest any individual considering the credibility of channelled information should be discerning and critically evaluate where the message they are receiving originates, and if the messages are specifically beneficial to the new world order.

**1 John 4:1** – Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

**John 14:26** – But the Comforter, which is the Holy Ghost, Whom the Father will send in My name, HE shall teach you all things, and bring all things to your remembrance, whasoever I have said unto you.

The Sydney Morning newspaper published an item on March 21st, 1983 which announced that the Soviets were invading the human mind, the article having been submitted to the foreign editor by **Doctor Nathan Abnuengy**, assistant professor in the faculty of agriculture in Asia. It is worth quoting the article at length. This article relates to the Soviets who created the supercomputer we were discussing earlier and which is really important because these types of computers can be run through satellites and through space. The computers were fed with all the different languages and their meanings, the dialect of all peoples were fed to the computers with objective programs. But we are no longer talking about the Soviets; we are talking about

the **United Nations**, the minions of the new world order, who are feeding the computers with the necessary information.

The editor of the column in which the article appeared even states that the piece made points too important to ignore. **I think it is possible that the persons who have created this mega-mind-control-program could sell the software to an organization and not be aware that the client might use the program and data to enslave all of humankind. Just imagine how far they have advanced since that article was published!**

Prayer:

Project Blue Beam – By: Serge Monast
