ABOUT TOTO

At the beginning, PT Surya Toto Indonesia Tbk. (STI) was established as a manufacturer of sanitary ware. Then after years of success in the market, it merged its subsidiary and began developing new market segment in the field of kitchen system, vanity and wardrobe.

1968	CV Surya became the sale agent of sanitary products of Toto Ltd., based in Japan
1977	STI was established as a joint venture company with Toto Ltd. of Japan
1978	STI commenced operation with one sanitary ware plant staffed by 65 employees
1980	STI began exporting its product and achieving international recognition
1990	STI went public by listing its shares in PT Bursa Efek Jakarta and PT Bursa Efek Surabaya
2006	STI conducted business merger with its subsidiary PT Surya Pertiwi Paramita and began developing new market segment in the field of kitchen system, vanity and wardrobe
2012	STI start to export kitchen system, vanity and wardrobe to Hong Kong, Singapore, Malaysia
2017	STI open its largest showroom in Singapore

VISION

To be a leading company that contributes to the development of society.

MISSION

- To create useful high quality products.
- To give a premium service for the satisfaction of our customers.
- To love our work sincerely.
- To respect individuals and promote teamwork.
- To protect the world environment through the saving of natural resources and energy.

VALUE

- High Quality
- Environmentally Friendly

THE OPERATION

The company comprises a modern wood factory, located in Pasar Kemis, Tangerang, Indonesia. For number of years, the operation has been producing and exporting quality system kitchen, vanity, and furniture worldwide. The utilizing of variety of materials and the employing of different processing techniques, finds the company in the unique position to offer customers varied, diversified and flexible furniture ranges.

THE PEOPLE

A strong team of technical experts and managers are working together to meet customer requirements, striving on balancing a quality product to a competitive price, on time delivery and good service.

TOTO KITCHEN

Products of Toto Kitchen are designed with the modular system. Using this concept, a kitchen system is built by combining smaller parts (modules) together. Each module is independently designed in various models and sizes to serve different purposes.

The design concept of Toto Kitchen follows the contemporary style. All products are designed to provide perfect functionality and endless durability, ensuring a precise design and beautiful finishes.

GENERAL SPECIFICATION**CARCASS**

Board : MFC 16 mm
 Origin : Europe
 Quality : Class E1
 Edging : 0.6 mm ABS edging with matching color
 Color : Light Grey, Dark Grey

E1 is an European certification which indicates that the wood material used in the production process has a very low formaldehyde level. Hence, you can be assured of its safety towards your health.

BACK PANEL

Board : MFC 8 mm
 Color : Carcass Finish
 Origin : Europe
 Quality : Class E1

DOOR PANEL OPTION**MFC**

Board : MFC 18 mm
 Origin : Europe
 Quality : Class E1
 Edging : 1 mm ABS edging with matching color

Lacquer High Gloss

Board : MDF 19 mm
 Origin : Europe
 Quality : Class E1

Polyurethane lacquer high gloss finishing is acquired by conducting seven stages of lacquering process on all sides of a wood panel. It ensures excellent glossiness of the surface and leaves seamless joint lines between edges and surfaces.

Lacquer Matt

Board : MDF 19 mm
 Origin : Europe
 Quality : Class E1

Five layers of polyurethane lacquer coating is applied on a wood panel in order to produce matt finishing.

Veneer High Gloss

Board : MDF 21 mm
 Origin : Europe
 Quality : Class E1

In order to produce high quality veneer high gloss finishing, multiple coats of Polyurethane lacquer are applied on top of the wood veneer surface.

Veneer Open Pore

Board : MDF 20 mm
 Origin : Europe
 Quality : Class E1

Veneer open pore finishing reveals its wood texture so that it will look more natural. Meanwhile, application of transparent matt lacquer as the final coat smooths out the texture of the surface.

Back Coated Glass

5 mm Back Coated Super Clear Tempered Glass with Aluminum Frame.

DRAWER BOX & RUNNERS

Blum TANDEMBOX with:

- Orion Grey Matt Coated "Legrabox"
- Silk White "Antaro"

HINGE

• BLUM Integrated Soft Closing Hinges
 "Silent and Effortless"

COUNTER TOP OPTION

- Natural Stone
- Quartz Stone
- Solid Surface

Kitchen set in bright white lacquer high gloss.

Kitchen set in smoked pine MFC and bright white lacquer matt.

TOTO KITCHEN

Kitchen set in bright white lacquer high gloss combine with daffodil yellow lacquer high gloss.

Kitchen set in cream lacquer high gloss and fumed oak veneer open pore.

TOTO WARDROBE

Toto Wardrobe is specially made to satisfy consumer's need of good design and functional product. Equipped with various accessories to make the wardrobe clean and tidy. The wardrobe collections consist of 13 different selections differentiated by the handle type and door opening style and 6 general modules.

13 DIFFERENT SELECTIONS DIFFERENTIATED BY THE HANDLE TYPE AND DOOR OPENING STYLE.

GROOVE

Groove handle profile emphasizes its compact material front and enhances the surroundings that makes it elegant and modern.
Openings in swing, sliding and coplanar with soft closing.
Doors finishing in veneer and lacquer.

EDGE

The doors decorate the interior with a sophisticated design that is simple in the outlines yet luxurious in the materials along with its exclusive aluminum frame.
Openings in sliding with soft closing.
Doors finishing in tinted mirror, veneer and lacquer.

HORIZON

With the horizontal contour handle and the top-bottom panel front that produce an immense impact to surroundings, the overall look harmonizes and intensifies its space.
Openings in swing, sliding, and coplanar with soft closing.
Doors finishing in veneer and lacquer.
Top-bottom panels and center handle finishes can be similar or different.

CURVE
