## **2. THE PROJECT**

2.1 **Total Project Budget.** The Parties hereby agree that the Total Project Budget shall be as set forth in Exhibit A as attached hereto. In the event that the Authority approves a Total Facilities Grant for the Proposed Project, the Total Facilities Grant would be based on the Total Project Budget set forth in Exhibit A as of the Effective Date and contingent upon the District maintaining this Total Project

Budget. The Total Project Budget shall not be altered, modified, or changed without the prior written approval of the Authority. Any increases to the Total Project Budget as set forth in Exhibit A as of the Effective Date, shall not result in any changes to the amount of the Total Facilities Grant set forth in Section 3 of this Project Scope and Budget Agreement. The District hereby acknowledges and agrees that all costs related to the Proposed Project, including without limitation all site costs, shall be subject to review and audit by the Authority, and the Authority shall determine, in its sole discretion, whether such costs are eligible for reimbursement pursuant to the Authority's regulations and policies.

2.2.1 Construction Bids. The Parties hereby acknowledge and agree that, in the event that the lowest, responsible bid accepted by the District for the construction of the Proposed Project is lower than the corresponding amount set forth in Exhibit A, the Authority shall reduce the Total Facilities Grant amount set forth in Section 3.1 of this Agreement accordingly. The Parties hereby further acknowledge and agree that, in the event that the lowest, responsible bid accepted by the District for the construction of the Proposed Project exceeds the corresponding amount set forth in Exhibit A, the Authority shall not make any adjustments to its Total Facilities Grant on account of the bid, and the increased costs shall be the sole responsibility of the District.

2.2 Project Scope. The Parties hereby agree that the Project Scope shall be as set forth in Exhibit B, which is attached hereto. Any Total Facilities Grant approved by the Authority for the Project shall be contingent upon the District maintaining the Project Scope set forth in Exhibit B, and the Authority may revoke, suspend, withhold, and/or recoup any Total Facilities Grant payments if the Authority determines that the Scope has not been adhered to. The Project Scope shall not be altered, modified, enlarged, or reduced without the written mutual agreement of the Parties. The District hereby acknowledges and agrees that all of the items appearing in the Project Scope set forth in Exhibit B shall be subject to review and audit by the Authority, and the Authority shall determine, in its sole discretion, whether the cost of such Project Scope items are eligible for reimbursement pursuant to the Authority's regulations and policies.

2.3 Project Schedule. The Parties hereby agree that the projected Project Schedule for the Proposed Project shall be as set forth in Exhibit C as attached hereto, as may be updated from time to time. The District shall provide an updated Project Schedule to the Authority at least once every calendar month and more frequently if requested by the Authority. When submitting a revised or updated Project Schedule to the Authority, the District shall also submit a detailed explanation for any changes in the Project Schedule from the previous Project Schedule submitted to the Authority.

- 2.4 Project Cash Flow. The Parties hereby agree that the projected Project Cash Flow for the Proposed Project shall be as set forth in Exhibit D as attached hereto, as may be updated from time to time. The District shall provide an updated Project Cash Flow to the Authority at least once every calendar month and more frequently if requested by the Authority. When submitting a revised or updated Project Cash Flow to the Authority, the District shall also submit a detailed explanation for any changes in the Project Cash Flow from the previous Project Cash Flow submitted to the Authority.

Costs associated with the furnishings and equipment listed on Exhibit F may not be eligible for reimbursement by the Authority. All such costs shall be subject to review and audit by the Authority, and the Authority shall determine, in its sole discretion, whether such costs are eligible for reimbursement pursuant to the Authority's regulations and policies. All costs associated with furniture, fixtures and equipment that are not specifically delineated in Exhibit F shall not be eligible for reimbursement by the Authority unless mutually agreed to in writing by the Parties.

### **3. TOTAL FACILITIES GRANT**

3.1 The Parties hereby agree that, subject to execution of a Project Funding Agreement for the Proposed Project and subject to the provisions of Section 3 and the satisfaction of the covenants set forth in Section 4 of this Agreement, the Total Facilities Grant for the Project shall be equal to \_\_\_\_\_ percent (\_\_\_%) of eligible, approved costs incurred by the District in connection with the Project, as determined by the Authority ("Reimbursement Rate"), up to a maximum grant amount that shall under no circumstances exceed \$\_\_\_\_\_, except as specifically provided in this Section. The Parties hereby acknowledge and agree that the final amount of the Total Facilities Grant may equal an amount less than \$\_\_\_\_\_. Any costs in excess of the maximum Total Facilities Grant amount shall be the sole responsibility of the District. All costs incurred by the District in connection with the Project are subject to review and audit by the Authority, as shall be further detailed in the Project Funding Agreement. The Reimbursement Rate set forth above, and as more fully described in the reimbursement rate summary, attached hereto as **Exhibit "H"**, includes a total of \_\_\_\_\_( ) incentive reimbursement points which include(s) \_\_\_\_\_( ) point(s) for \_\_\_\_\_, \_\_\_\_\_( ) point(s) for \_\_\_\_\_, and \_\_\_\_\_( ) point(s) for \_\_\_\_\_ pursuant to G.L. c. 70B, § 10(a)(C) that have been provisionally assigned subject to a final

determination by the Authority as to the District's eligibility to receive such incentive reimbursement points. The Reimbursement Rate set forth above and the Total Facilities Grant shall be subject to a decrease, as provided in Section 3.2 of this Agreement, if the Authority determines, in its sole discretion, that the District is ineligible to receive any portion of the incentive reimbursement points that have been provisionally assigned for \_\_\_\_\_, \_\_\_\_\_, and/or \_\_\_\_\_ or such other incentive reimbursement points that may be assigned by the Authority.

3.2 The Reimbursement Rate for the Proposed Project is calculated as set forth in the reimbursement rate summary, attached hereto as **Exhibit "H"**, and shall be subject to the provisions of M.G.L. c. 70B, 963 CMR 2.00 *et seq.*, and the policies and guidelines of the Authority. Any incentive reimbursement points that may be included in the calculation of the Reimbursement Rate, as it may be amended from time to time by the written agreement of the Authority, must be earned, as determined by the Authority in its sole discretion, and shall be subject to audit by the Authority. If the Authority determines, in its sole discretion, that the District is ineligible to receive any portion of the incentive reimbursement points that may be included in the calculation of the Reimbursement Rate, as it may be amended from time to time by the written agreement of the Authority, the Authority may, in its sole discretion, decrease the Reimbursement Rate and the Total Facilities Grant accordingly. Any such decrease in the Reimbursement Rate, and the corresponding decrease in the Total Facilities Grant, shall be applied retroactively to all payments made to the District by the Authority under the terms of the Project Funding Agreement between the Parties, if any, and to all requests for reimbursement of eligible Project costs made by the District to the Authority under the terms of said Project Funding Agreement, if any. If the Authority determines that, as a result of a decrease in the Reimbursement Rate, or a corresponding decrease in the Total Facilities Grant, it has made overpayments to the District, the Authority may recover the amount of such overpayments from the District by whatever remedies are available to it under a Project Funding Agreement, if any, or under applicable law, including, but not limited to, set off against any future payments owed to the District for reimbursement of eligible Project costs, as determined by the Authority. Upon written demand by the Authority, the District shall promptly return to the Authority the amount of any such overpayments unless otherwise agreed to in writing by the Authority.

- (g.) The District hereby acknowledges and agrees that it shall not submit any false or intentionally misleading information or documentation to the Authority in connection with this Project Scope and Budget Agreement, and further acknowledges and agrees that the submission of any such information or documentation may cause the Authority to revoke any and all payments otherwise due to the District and/or recover any previous payments made to the District, and the District may be ineligible for any funding from the Authority. 8.1 Insurance. The District shall obtain and maintain all insurance required by law and such other insurance in such types and in such amounts as the Authority may require from time to time.

8.1.1 During the course of the Project, the District shall purchase and maintain, or shall cause the Contractor or Construction Manager to purchase and maintain, at their own expense, coverage against loss or damage to the Project in an amount equivalent to the Total Project Budget at the sole expense of the District, Contractor or Construction Manager, as the case may be. Such coverage shall be written on an "all risks" basis or equivalent form and shall include, without limitation, insurance against the perils of fire (with extended coverage) and theft, vandalism, malicious mischief, terrorism, collapse, earthquake, flood (if the Project is not in an "A" or "V" flood zone), windstorm, falsework, testing and startup, and debris removal including demolition occasioned by enforcement of any applicable legal requirements. The limits for earthquake and flood shall be the lesser of the Total Project Budget or \$10,000,000. The policy shall include transportation and coverage for delivered and/or stored materials designated to be incorporated into the Project. The policy shall include the Authority as a loss payee as its interests may appear. Coverage shall be maintained until final acceptance of the Project by the District and final payment has been made. The District (or Contractor or Construction Manager, if coverage is purchased by Contractor or Construction Manager) is responsible for the payment of any and all deductibles, self-insured retentions or any portion thereof under the policy.

8.1.2 Following completion of the Project, the District shall, at its sole expense, purchase and maintain coverage against loss or damage to the Assisted Facility in an amount equivalent to the estimated full replacement cost of the Assisted Facility. Such coverage shall be written on an "all risks" basis or equivalent form and shall include, without limitation, insurance against the

perils of fire (with extended coverage) and theft, vandalism, malicious mischief, terrorism, collapse, earthquake, flood (if the Project is not in an "A" or "V" flood zone), windstorm, falsework, mechanical and electrical breakdown, and boiler and machinery accidents, and debris removal including demolition occasioned by enforcement of any applicable legal requirements. The limits for earthquake and flood shall be the lesser of the estimated full replacement cost of the Assisted Facility or \$10,000,000. The policy shall include the Authority as a loss payee as its interests may appear. The District is responsible for the payment of any and all deductibles, self-insured retentions or any portion thereof under the policy.

- 8.1.3 The District shall include the Authority as an additional insured in any commercial general liability policy held by the District for liability arising out of the Project.
- 8.1.4 The Authority shall not be responsible for the payment of deductibles, self-insured retentions, or any portion thereof.
- 8.1.5 Upon request by the Authority, the District shall obtain and provide to the Authority originals of certificates of insurance evidencing the insurance coverage required by this section of this Project Scope and budget Agreement.

8.2 The District shall require by contractual obligation, and shall also ensure by the exercise of due diligence, that each of any Owner's Project Manager, Designer, Contractor or Construction Manager at Risk, or Vendor hired by the District in connection with the Project obtain and maintain all insurance coverage required by law and such other insurance coverage in such types and amounts as the Authority may require from time to time, including the insurance coverage required by this Project Scope and Budget Agreement, a Project Funding Agreement and by any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Owner's Project Manager services and standard contract for Designer services. The insurance required by this Section shall be provided at the sole expense of the Owner's Project Manager, Designer, Contractor or Construction Manager, and Vendors, as the case may be, and shall be in full force and effect for the full term of any contract between the District and said Owner's Project Manager, Designer, Contractor or Construction Manager at Risk, and Vendors or for such longer period as the Authority may require, including any such longer period that may be required by this Project Scope and Budget Agreement, a Project Funding Agreement or the standard contracts prescribed by the Authority and executed by the District.

8.3 The District shall include in the contract between the Owner and the Contractor or Construction Manager at Risk, as the case may be, the standard language contained in Exhibit G regarding minimum insurance requirements for Contractors or Construction Managers at Risk. The District may impose additional insurance requirements for either construction delivery method provided that any such additional requirements shall not be inconsistent with the requirements imposed by the standard language set forth herein and further provided that the District shall give the Authority a written notice that clearly describes any such additional

requirements. It shall be the sole responsibility of the District to determine whether additional insurance requirements are desirable or necessary and should be included in the contract between the Owner and the Contractor or Construction Manager at Risk.

8.4 The District shall obtain originals of certificates of insurance evidencing the insurance coverage that may be required by the Authority from time to time, including the insurance coverage required by this Project Scope and Budget Agreement, a Project Funding Agreement, any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Owner's Project Manager services and standard contract for Designer services, and any other contract between the District and the Owner's Project Manager, Designer, Contractor or Construction Manager, or Vendors, simultaneously with the execution of said contracts or, in the event that said contracts have been executed prior to the date of this Project Scope and Budget Agreement, as soon as possible thereafter. Upon request of the Authority, the District shall submit such certificates of insurance to the Authority, showing each type of insurance, insurance company, policy number, amount of insurance, deductibles/self-insured retentions, and policy effective and expiration dates. The District shall require each of the Owner's Project Manager, Designer, Contractor or Construction Manager, and Vendors to submit updated insurance certificates to the District prior to the expiration of any of the insurance policies or coverage referenced in this Section so that the District shall at all times possess certificates indicating current coverage.

8.5 The failure of the District to ensure that each of the Owner's Project Manager, Designer, Contractor or Construction Manager, and Vendors obtain and maintain the insurance required by the Authority, this Project Scope and Budget Agreement, the Project Funding Agreement, any standard contract prescribed by the Authority and executed by the District or any other contract between the District and the Owner's Project Manager, Designer, Contractor or Construction Manager, or Vendors, or to provide the insurance certificates required by this Project Scope and Budget Agreement shall constitute a material breach of this Project Scope and Budget Agreement and shall be just cause for termination of this Project Scope and Budget Agreement.

8.6 The District shall, and shall require, as the case may be, its insurers and each of the Owner's Project Manager, Designer, Contractor or Construction Manager, Vendors and their insurers to, give written notice to the Authority at least thirty days prior to the effective date of any termination, cancellation, or material modification of any insurance required by this Project Scope and Budget Agreement, a Project Funding Agreement, any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Owner's Project Manager services and standard contract for Designer services, and any other contract between the District and the Owner's Project Manager, Designer, Contractor or Construction Manager, or Vendors.

8.7 With respect to all policies of insurance required of the Owner's Project Manager, Designer, Contractor or Construction Manager, and Vendors by this Project Scope and Budget Agreement, any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Owner's Project Manager and standard design contract, and any other contract between the District and the Owner's Project Manager, Designer, Contractor or Construction Manager, and

Vendors, the District shall ensure that neither the District nor the Authority shall be responsible for the payment of deductibles, self-insured retentions or any portion thereof.

8.8 Insufficient insurance shall not release the Owner's Project Manager, Designer, Contractor or Construction Manager, or Vendors from any liability for breach of their obligations under an agreement between the District and any of them.

8.9 All insurance policies required by this Project Scope and Budget Agreement, a Project Funding Agreement, any standard contract prescribed by the Authority and executed by the District and any other contract between the District and the Owner's Project Manager, Designer, Contractor or Construction Manager, or Vendors shall be issued by companies lawfully authorized to write that type of insurance under the laws of the Commonwealth of Massachusetts with a financial strength rating of "A-" or better as assigned by A.M. Best Company, or an equivalent rating assigned by a similar rating agency acceptable to the District and the Authority.

8.10 The District shall take all reasonable steps designed to ensure that the Owner's Project Manager, Contractor or Construction Manager, Designer, and Vendors each agree that they and their Subcontractors shall do no act, nor suffer any act to be done, which will vacate, void or impair the coverage of any insurance policies required under this Project Scope and Budget Agreement, a Project Funding Agreement, any standard contract prescribed by the Authority and executed by the District or any other contract between the District and the Owner's Project Manager, Designer, Contractor or Construction Manager, or Vendors.

8.11 The District shall, upon request by the Authority, produce copies of all policies of insurance maintained by the District, its Contractor or Construction Manager, Owner's Project Manager, Designer and Vendors related to the Project, to the Authority.

IN WITNESS WHEREOF, the Parties have executed this Project Scope and Budget Agreement on this \_\_\_\_ day of \_\_\_\_\_.
