

Prophetic Word: "All Encompassing Peace"

Whenever I talk about peace, people try to tell me why it's not possible.

But a growing number of people are discovering that in fact... actually, all things ARE possible with God.

Prophetic Word

Beloved, real learning is always slow because I do everything in peace and rest. Peace is the lifestyle of being present to the moment in Me.

The reason I AM is always with you is because We are always at rest. Calm, unhurried and unworried about you.

Peace is our way to bring calm and settle you down to walk with Us in Spirit and Truth.

In the world, there is always pressure. In the Kingdom, there is always peace. The antidote to anguish, stress, and pressure is accepting the availability of peace.

I am your Peace. Peace cannot be understood in human logic. It can only be received. Peace is a person. It is Me living in you and revealing My presence through My nature.

Notes

Peace is a gift of My nature living in you. My peace I give you is your invitation to cease from struggle...to no longer be troubled.

To receive the Presence of Peace.

Beloved, it is peace that guards your heart and mind. Peace is the chaperone for your emotions. No need to have negative feelings.

Peace is the sentinel and guardian for your mind so that your thoughts remain both positive and powerful.

Peace ensures that you are not ambushed by the world, the flesh or the devil.

I love My peace in you! It is a beautiful and powerful gift that is always present. You and I have a covenant of peace together. A strong relationship of rest in the joy and peace of believing.

My peace brings you into a High Place because it causes the low places of anxiety, worry and stress to be full of rest that empowers you to live above the anguish of life in the world.

Beloved, every day I bless you with peace. I AM is your peacemaker.

I give you peace like a river. Always flowing, always refreshing, always giving life. Peace creates an expectation of good. Peace annihilates negativity.

There is no contradiction in peace. It creates possibilities when your old thinking is dealing with problems. Think of it this way...

Peace is the borders of my territory for you. A hedge of protection around your home and place of work. A haven for your family and friends.

Whenever My people entered someone's home they spoke peace to those gathered. Peace is that viral!

You, My dear one, have permission to call peace up into any life situation that concerns you. Before you do anything, engage with peace first.

Let peace go before you so that it is peace that meets the trouble first. Peace is required if you are to abound in joyful expectation.

I AM the God of rightful expectations, which can only be realized as you travel with Me in the joy and peace in believing.

Peace is not situational. It is not there just for difficult circumstances. Peace is a relational practice. It is a lifegiving action just as vital as breathing.

It is life giving to your trust and faith. It is the closed door to every assault of heart and mind.

Nothing negative can get past My peace in you. Peace is your healthy place of thinking and believing.

Can you hear Me, Beloved? I AM YOUR
PEACE ALWAYS!

24/7. Constant Continuous peace is yours!
Fellowship with Me is always concerned with
My rule and reign in your heart and life.

Majesty is always part of your lifestyle. There
is nothing to be afraid of when you let My
peace rule in your heart.

Your inner peace governs your emotions and
your thinking so that you are not taken
captive by futility.

Beloved, you are not agitated. You are at
peace in Me. You cannot have distress when
peace is more powerful.

There is no frustration when peace gives you
a way of perceiving that originates in Me.
There is no need to be upset when peace is
guarding your mind and heart.

As you practice peace with Me, worry
becomes a thing of the past.

Beloved, I AM He who is always speaking
peace to you. I speak it as a welcome
into My presence.

I speak peace as a necessary attribute so
that you may not fall below your place of
privilege.

Peace is assertive, strong and powerful. It is
warlike against a negative and overcomes it
with delightful expectation.

There is a tribulation in the world, but peace
is from the Kingdom and will always overrule

the world. My peace I give you, not as the world gives. I leave My peace with you as a necessary deposit.

When situations rise up, call peace up within you and it will flood both heart and mind with presence and expectation.

There is no requirement on you to be troubled. Fear does not belong to you!

Instead, I have given you peace so that you may know Who I AM for you and what I AM providing for you in the circumstances of life.

Beloved, see peace for what it really is!

See it beyond its capacity to just replace anxiety. There are keys in this word that are designed to empower peace in you at all times and in all life situations.

Amen!

Thank you so much for listening to me!
