# In Appreciation of Angels

## Angel Auction 2019

You are sitting in the presence of Angels ... about 300 special ladies who make up The Women's Board of Aultman Hospital and who have made this extraordinary event possible for the past 50 years. This same group of dedicated and committed women have also spent half a century raising awareness in our community, raising funds to provide the very best care to our patients and to make Aultman Hospital a state-of-the-art health care facility. Tonight we appreciate, commemorate, and celebrate these compassionate, caring women who are so generous with their time and talents. We are proud of the work that they do, and we are eternally grateful for the difference they have made in our community. Please join us in appreciation and recognition of The Women's Board of Aultman Hospital.
