The Harbinger: Fact or Fiction?

James—*The Harbinger*, a *New York Times* best-selling book from Charisma Media, authored by Rabbi/Pastor Jonathan Cahn, is about a series of signs, or omens, which the author believes have manifested in America. In order to make sense of the tragic events of September 11, 2001, Cahn believes he has discovered an “ancient mystery” in Isaiah 9:10 that “explains everything from 9/11 to the collapse of the global economy.” However, as David James, exhaustively documents in *The Harbinger: Fact or Fiction?* there are serious flaws throughout *The Harbinger*, with significant exegetical and theological pitfalls that have potentially disastrous consequences. Tragically, even former discernment leaders are unwittingly being led astray, attributing Cahn’s nine mystical “seals” or “signs” as new revelation from God. This exclusive new book from The Berean Call, encourages—and enables—readers to separate fact from fiction. The Berean Call, 223 pp.

Calvin's Tyrannical Kingdom

Hunt—Calvin has been acclaimed as a godly example who based his theology and actions upon Scripture alone. But in fact, much that he did was unbiblical. Is not this sufficient reason to examine the doctrines of Calvinism carefully from Scripture? Some of those who profess a “Reformed” faith today take Calvin’s Geneva as their model and thus hope to Christianize the United States—and then the world. Is it any wonder that much of the general public, accusing evangelicals of orchestrating a “vast right-wing conspiracy,” recoils in horror at such a thought? Many Christian activists with looser attachments to Calvin hope to force an ungodly American citizenry into godly living. But is such an agenda within the will of God? Should today’s Christian leaders continue to laud a man whose behavior was often so far removed from the commandments of Christ and the example of Paul? Should believers seek to celebrate (and emulate—Calvin’s theology—which led to his ungodly reign as “protestant pope” of Geneva? TBC, 119 pp.

T.U.L.I.P. and the Bible

Hunt—Thousands of readers have been wonderfully and powerfully influenced by Dave Hunt’s authoritative, 590-page hardcover treatise on Calvinism, *What Love Is This?* but many have asked for a more concise analysis of “reformed” theology. After years of popular demand, TBC is pleased to offer this resource, designed to help believers navigate the confusing and conflicting views surrounding the Five Points of Calvinism, commonly known by the acronym, T.U.L.I.P. Presented in an attractive, easy-to-read 5x7 paperback (and “trimmed down” to just 196 pages) are Dave’s essential comments on the Five Points—extracted from the pages of *What Love Is This?* and beautifully arranged for greater accessibility. Quoting from the major Calvinistic creeds or confessions, Dave Hunt proceeds to dissect the “sacred” T.U.L.I.P. one petal at a time—exposing each of Calvin’s five points to the light of Scripture as a workman “rightly dividing the word of truth.” TBC, 190 pp.

APPLES OF GOLD *TBC Daily Devotional*

The Berean Call—Although the original edition was bound in a spiral "flip" design for desktop use that blessed thousands of readers, many found the type size a bit too small for comfort. That edition is now out of print, so we've re-typeset the text and added a few more Scriptures in two new formats. A square 6x6-inch "gift" design, great for portability, with text approximately 125% larger than before; and an extra-large print "landscape" edition that is a full 150% bigger than the original calendar. Both are ideal for gift-giving and personal use. Words "Fity Spoken" from The Berean Call is a perpetual daily devotional, now in an easy-to-read paperback format with larger type size. Drawn from years of replies to reader inquiries, this handy "prescription" of Apples each day is strong medicine for protecting against "discernmentitis" (a diminished ability to test and prove all things according to God's Word). Whether you're at home or on the go, this daily reader begins to work exactly when and where you need—and can be used to mark each day of the month for any year to come!

The Henry Morris Study Bible

Morris—The Henry Morris Study Bible has been called "an invaluable tool for the defense of the Christian faith." With over 10,000 study notes, no other resource offers such a comprehensive analysis of biblical creation and authority of Scripture as this one presents. The written Word of God is under attack in our culture like never

before. Those familiar with previous editions of the *Defender's Study Bible* will note that the Master Books edition is noticeably thicker. Page count is the same, but it features a higher-quality paper that is less likely to wrinkle and become damaged in handling. Though it makes the Bible slightly less portable (and a bit heavier) it increases the durability of a life-long study Bible. It retains an easy-to-read 10-point font in a two-column format, with generously sized notes. Inside you will also find the Words of Christ in red, 22 total appendices, full-color maps, and a concordance. Both the leatherbound and hardcover editions feature a high-quality Smyth-sewn binding designed for frequent use. The "new" Henry Morris Study Bible is truly a one-of-a-kind resource with unique and comprehensive helps for all who desire to study to show themselves "approved unto God." This item is not returnable unless defective. Master Books, 2215 pp.

ISRAEL: A NATION IS BORN

“I love this video set...worth every penny...It brings you to tears to watch one of the great prophetic fulfillments of the Bible: A nation reborn after centuries of exile.”

— REVIEWER

Jeremiah Films—This five-part chronicle of the birth and development of the Jewish state is hosted and narrated by former Israeli Ambassador to the U.S., Abba Eban, who also hosted the series’ predecessor, *Heritage: Civilization and the Jews*. Eban, who played a pivotal role in realizing the dream of a Jewish state, points out that “the series is designed to provide an essential context to an inspiring human story.” Among those featured in interviews and rare archival footage are U.S. Presidents Harry Truman and Richard Nixon, world leaders Winston Churchill, David Ben Gurion, Golda Meir, Menachim Begin, Anwar Sadat, Yitzhak Rabin, and Boutros Boutros Ghali. Together with Eban’s first-hand testimony, this series achieves a diverse perspective of both the Arab and Israeli experience. According to Eban, *Israel: A Nation is Born* is a “depiction of the turbulent and dramatic history of Israel, through the conflicts and tensions of five decades....” 5 DVDs, 270 minutes.

When Will Jesus Come?

Hunt—Jesus has promised to return for His bride, the church. But when will that be? In this updated revision of *How Close Are We?*, best selling author Dave Hunt focuses on Christ's powerful words, "I will come again." Scripture illuminates the truth that Jesus will return two times. The first return, "the Rapture," will take place when we least expect it. Building the case for this pre-tribulation appearance, Dave Hunt's compelling argument reveals the Rapture will occur without any warning or signs, Jesus' promise to return and what it means

to believers, God's sovereign plan. Harvest House Publishers, 251 pp.
