

PROVIDING QUALITY FULL-SERVICE SOLUTIONS TO CUSTOMERS SINCE 1919

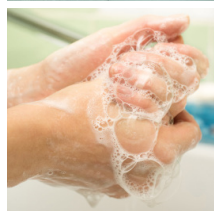

**NCH has provided quality full-service solutions to customers since 1919.** NCH Maintenance keeps businesses functioning steadily and efficiently while protecting their investments with an extensive range of premium maintenance solutions.

ABSORBENT	
SPILLSHARK PETRO	Spill absorbent. Absorbs a variety of hydrocarbon based product spills including fuels.
BIOCIDES	
CDB CLEARON	Cooling tower dispersant and on-line descaler.
CLEANERS	
CHEMSEARCH CONCENTRATE	General purpose cleaner that is great for floors, glass, wood and much more.
ND-150	Water soluble industrial solvent.
ND-150 II	Water soluble industrial solvent.
ND-165	Water soluble degreasing agent.
CORROSION	
CHELADE	Polymeric rust converter and coating. Also known as Black Knight.
ETCH-KLENZ	Metal conditioning compound.
ETCH KLENZ EF	Metal conditioner and degreaser.
HYZINC	Aerosol cold galvanizing. High concentration zinc coating to prevent rust and corrosion; conforms to MIL Spec. DODP-21035A.
MEGA METAL 316L STAINLESS STEEL	100% 316L stainless steel filler - Designed for the most demanding service to protect against rust and corrosion.
RESIST-X	Anti-corrosion treatment and battery protector.
RESIST-X PLUS	Rust and corrosion preventive for indoor protection.
SALVAGE 2	Rust Encapsulator and Metal Topcoating.
SALVAGE 2+	Rust Encapsulator, primer and top coat - Stop rust in its tracks in a single coat and provides a hardwearing chip resistant top coat.
STAY PUT	Stainless Steel Coating
X-RUST 7	Removes tarnish and rust from carbon steel, mild steel and cast iron and other metals.
DESCALING	
BREX	Chemical cleaner and descaler that cleans lime deposits, scale, mineral sediments and scum.
BREX CONCENTRATE	Chemical cleaner and descaler.
DEOX	Chemical cleaner with D-10 for deeper and faster penetration.
SCALE CLEAR SUS	Acidic cleaner and descaler.
ELECTRICAL	
CLEAR GUARD AEROSOL	Clear rubberized coating. A corrosion resistant coating which seals and insulates.
LEXITE AEROSOL	Aerosol cleaner and degreaser for electronic and electrical equipment, leaves no residue.
LEXITE PS AEROSOL	Non-flammable aerosol cleaner and degreaser - cleaner for electrical and electronic equipment,
LEXPURE AEROSOL	Non-chlorinated solvent cleaner and degreaser for electrical and electronic equipment. Also known as Dy-Pure Aerosol.
NC-123	Moisture displacing chemical for electrical and electronic equipment.
NC-123 PLUS	Cleaner and moisture displacer. Degreases and protects electrical, electronic and mechanical equipment.

**NCH has provided quality full-service solutions to customers since 1919.** Our research and development chemists are constantly exploring new technologies and innovations, all focused on our customer needs.

NC-123 PLUS AEROSOL	Aerosol cleaner and moisture displacer. Degreases and protects electrical, electronic and mechanical equipment.
SS-25	Safety solvent degreaser. Cleans without equipment shutdown or disassembly. Also known as Saf-Sol.
SS-25 NC	Non-chlorinated safety solvent degreaser that cleans and degreases electronic equipment and machinery. It removes oils, greases, grime, dirt and resin.
SS-25 PLUS AEROSOL	Electrical and mechanical aerosol solvent degreaser.
SS-80 PLUS AEROSOL	Cleaning product for electric motors. Removes dirt, oil and grease.
VOLTZ	Super safety solvent. Natural ingredients that give superior cleaning power.
VOLTZ K	Electrical equipment parts natural solvent cleaner for cleaning.
DUO POWER	Heavy-duty cleaner and degreaser.

### FLEET

DUO POWER	Cleaning agent for machinery and equipment.
-----------	---

### HOOD DUCT

SOOT-AWAY	Heavy duty food grade degreaser for removing accumulations of burnt-on carbon and grease from equipment in contact with foods.
-----------	--

### HVAC

FAST ACT II	Air conditioning drip pan microbiocide, that inhibits growth of slime forming and odor causing bacteria.
SHINY SIDE	Non-acid aluminum cleaner and brightener.

### HYGIENE

CHEMENE-X	Antimicrobial, disinfectant, sanitizer and deodorant.
EVERBRITE	Germicidal cleaner, disinfectant, sanitizer, deodorizer, fungicide, virucide. Also known as Germacert Plus.
EVERBRITE PLUS	Germicidal cleaner, disinfectant and deodorizer
SWOOP	Liquid concentrated skin cleaner and conditioner. Powerful but gentle cleaning action quickly removes grease, ink, carbon, dirt and grime.

### PARTS

CHEMSTRIP	Industrial heavy-duty stripper that quickly removes paint, varnishes and scotchlite sheeting.
CHEMSTRIP AEROSOL	Industrial heavy-duty stripper that quickly removes paint, varnishes and scotchlite sheeting in aerosol format.
PSC 500 CLARIFIER	Product used for Torrent Parts Washing Unit.
SOLVO-CLEAN	Industrial solvent and degreaser.
STORM ACTIVATOR	Products to clean parts, associated with the Torrent Parts Washing Unit.
STORM BASE	Products to clean parts, associated with the Torrent Parts Washing Unit.
THE MONSTER	Triple-duty cleaner and degreaser.

### REPAIR

AQUA STICK	Underwater repair compound.
DYNA STRETCH AND SEAL	Emergency self fusing repair bandage for pipes & hoses.
HYDROCHEM	Concrete floor sealer and harder. Penetrating sealer and conditioner that helps protect concrete
MEGA CS CRUSH CERAMIC	Superior surface repair and protection in one.
MEGA FIX IT PW	Irritant Free Repair Compound - An industrial strength repair compound ideal for carrying out temporary and permanent repairs on a range of materials.

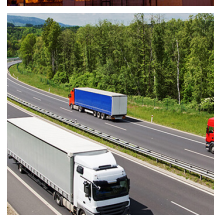

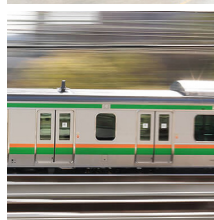

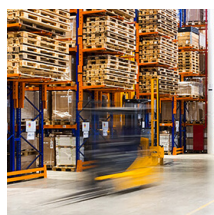

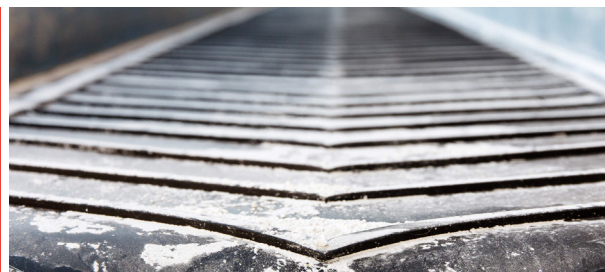

**NCH has provided quality full-service solutions to customers since 1919.** NCH Maintenance keeps businesses functioning steadily and efficiently while protecting their investments with an extensive range of premium maintenance solutions.

<b>MEGA PIPE REPAIR</b>	Bandage-type emergency repair filler for pipes.
<b>MEGA PIPE REPAIR HD</b>	Fast curing resin impregnated, water activated repair bandage.
<b>MEGA STEEL POLYMER CMPD 5# KIT</b>	Metal repair filling.
<b>MEGA TECH BRUSH WHITE/BLUE 2#</b>	Metal repair filling.
<b>MEGA THERM HI-TEMP CMPD 5# KIT</b>	Hi-temp repair filling.
<b>MEGA THERM POLYMER STICK TITANIUM</b>	Hi-temp repair filling.
<b>MM STEEL CRETE</b>	Industrial grade metallic patching compound.
<b>QUICK CURE</b>	Steel filler repair compound. Used to repair leaks in metal, plastic, concrete. Can be drilled and tapped when hardened.
<b>QUICK MIX GUN NEW</b>	Patching Compound
<b>WEAR FLEX EXPRESS 4500</b>	Patching Compound
<b>WEAR FLEX QUICK MIX 2500</b>	Self Mixing polyurethane compound. Non sag, trowelable polyurethane compound formulated for coating and repairing rubber, urethane, steel, concrete, wood, composites and more. Used successfully to repair forklift and off-road tires (non-structural sections) and conveyor belts in a variety of industries.
<b>WEAR-FLEX QUICK MIX 3500</b>	Adhesive and sealant
<b>WONDER WRAP</b>	Self fusing tape - seals, insulates and protects. Non-tacky and leaves no sticky adhesive residue.

**NCH has provided quality full-service solutions to customers since 1919.**  
NCH Lubricants will eliminate downtime, keep your parts moving and provide superior protection with our range of specialty products and advanced technical skills.

## BELT CONDITIONER

HOLD FAST PLUS AEROSOL	Belt dressing and conditioner. Lubricant that creates a protective coatings.
------------------------	--

## BUNKER FUEL IMPROVER

FULL-BLAT PLUS	Fuel oil additive.
----------------	--------------------

## CHAIN & CABLE LUBRICANT

CCX-77	Chain and cable lubricant with moly.
LUBREASE CLEAR	Transparent chain and cable lubricant. Penetrates, lubricates and prevents rust in a convenient aerosol.

## DRY MOLY SPRAY

DRI-LUBE PLUS AEROSOL	Dry moly lubricant, friction prevention and wear reduction. Suitable for use over a wide temperature range.
-----------------------	---

## FOOD GRADE

SPEC LUBE	Lubricant that is a mixture of teflon that repels moisture to prevent rust and corrosion.
-----------	---

## FOOD GRADE ANTI-SEIZE LUBRICANT

LOK-CEASE	High pressure and high temperature anti-seize and lubricating compound.
-----------	---

## FOOD GRADE SILICONE RELEASE AGENT

RESOLVE AEROSOL	Food grade calcium-based aerosol lubricant
-----------------	--

## FOOD GRADEFOOD GRADE GREASE

PREMALUBE FG	Food grade aluminium complex grease – lubricant for food processing equipment requiring high temperature operations.
PUREPLEX	Food grade, highly water resistant grease

## FOOD GRADEFOOD GRADE LUBRICANT

RESOLVE AEROSOL	Food grade calcium-based aerosol lubricant.
-----------------	---

## FOOD GRADEGREASE

PREMALUBE WHITE FG AEROSOL	White food grade grease, containing aluminum that prevents leaching.
----------------------------	--

## FOOD GRADESILICONE RELEASE AGENT

ACCEL AEROSOL	Food grade silicone lubricant and release agent
---------------	---

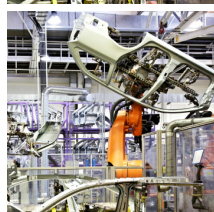

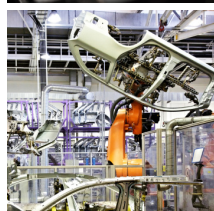

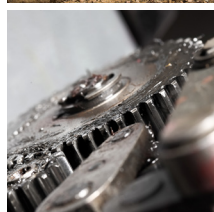

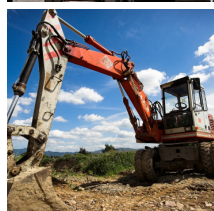

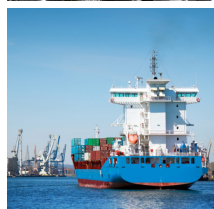

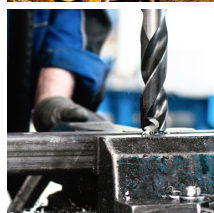

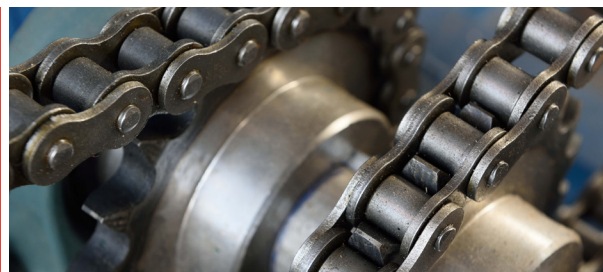

## GEAR OIL IMPROVER

GEAR UP PLUS	Heavy duty premium gear and bearing oil improver. Extends the service life of gear and bearing oils.
ACCEL AEROSOL	Food grade silicone lubricant and release agent

## GREASE

CCL-500	Chain and cable lubricant with moly
ESCORT	Grease for use in high speed equipment. Ideal for use in low temperatures.
HEAT SHIELD	Extreme temperature grease.
PREMALUBE BLACK	High performance multi-purpose grease – for high temperature, high load conditions
PREMALUBE RED	Heavy duty multi purpose EP grease. Suitable for wheel bearings and general industrial and automotive applications.
PREMALUBE RED #0	Heavy duty multi purpose EP grease. Suitable for wheel bearings and general industrial and automotive applications.
PREMALUBE EXTREME BLACK	Extreme duty grease. Synthetic blend, high temperature, extreme load carrying properties. Highly water resistant. Patented formulation.

**NCH has provided quality full-service solutions to customers since 1919.**  
NCH Lubricants ensures that our products and services will reduce downtime, labor cost and parts replacement.

## GREASE

PREMALUBE EXTREME GREEN	Extreme duty grease. Synthetic blend, high temperature, extreme load carrying properties. Highly water resistant. Patented formulation.
PREMALUBE RED AEROSOL	Multi-purpose heavy load, high temperature, water-resistant calcium pressure aluminum complex grease.
PREMALUBE XTREME BLACK	Patented multi-purpose, heavy-load, extreme pressure, calcium sulfate grease.
PREMALUBE XTREME GREEN	Patented multi-purpose, synthetic blend grease.

## HYDRAULIC OIL

HI-TOP	High performance hydraulic oil improver. Suitable for all hydraulic oil applications. Reduces leaks, separates water and extends oil life.
--------	--

## HYDRAULIC OIL IMPROVER

LUBRA-LIFT	High performance hydraulic oil improver. Suitable for all hydraulic oil applications. Reduces leaks, separates water and extends oil life.
------------	--

## MULTI GRADE GEAR OIL

CERTOP 80W90	Advanced performance multi-grade gear oil.
CERTOP 85W140	Advanced performance multi-grade gear oil.

## OIL SYSTEM FLUSH

SYSTEM PURGE	Advanced technology flushing oil for hydraulics, gears, compressors, generators, engines and transmissions.
--------------	---

## OPEN GEAR LUBRICANT

GEX PLUS AEROSOL	Open gear lubricant that assures maximum lubrication in the toughest environments. It withstands high loads resists sling off.
HI-GEAR 20/20	Synthetic lithium complex gear grease. Super tacky, water proof formulation that stays in place.

## PENETRANT AND RELEASE AGENT

YIELD AEROSOL	Penetrant release agent with moly.
---------------	------------------------------------

## PTFE LUBRICANT

T-LUBE PLUS AEROSOL	Dry lubricant and release agent with PTFE that provides a smooth, quick-drying slick surface wherever needed.
---------------------	---

## CLEANERS

ND-150	Water soluble industrial solvent.
ND-150 II	Water soluble industrial solvent.
ND-165	Water soluble degreasing agent.

## CORROSION

RESIST-X	Anti-corrosion treatment and battery protector.
RESIST-X PLUS	Anti-corrosion treatment and battery protector.

## ELECTRICAL

VOLTZ	Super safety solvent. Natural ingredients that give superior cleaning power.
-------	--

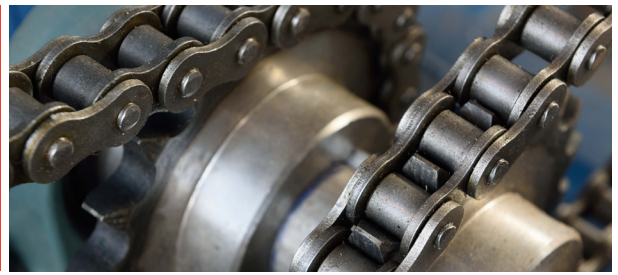

## HYGIENE

SWOOP	Liquid concentrated skin cleaner and conditioner. Powerful but gentle cleaning action quickly removes grease, ink, carbon, dirt and grime
-------	---

# NCH

lubricants

**NCH has provided quality full-service solutions to customers since 1919.**  
NCH Lubricants ensures that our products and services will reduce downtime, labor cost and parts replacement.

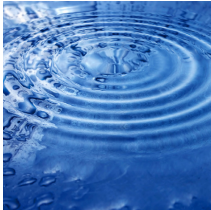

## PARTS

PSC 500 CLARIFIER	Product used for Torrent Parts Washing Unit.
SOLVO-KLEEN	Industrial solvent and degreaser.
STORM ACTIVATOR	Products to clean parts. Used on the Torrent Parts Washing Unit.
STORM BASE	Products to clean parts. Used on the Torrent Parts Washing Unit.

# NCH

wastewater

**NCH has provided quality full-service solutions to customers since 1919.**  
Wastewater leads the way in new product development, giving you the right solution for your wastewater, drain and lift station maintenance needs.

## BIOLOGICAL

FREE FLOW	Powdered biological treatment for septic system and sewage treatment plants.
FREE FLOW COMPLETE	Powdered biological treatment for septic system and sewage treatment plants.
FREE FLOW HC	Degrades petroleum hydrocarbons and non-petroleum organic wastes.
SUPER CHEMZYNE IV PLUS	Liquid Biological Grease Trap and Drain Maintainer
SUPER CHEMZYNE V PLUS	Microbial biotechnology that removes dirt, grease, oil and odor in grease traps of sewer systems.

## CLEAR BLOCKAGE, ACIDS

BANISH	Urinal maintainer - removes uric acid salts, lime and scale deposits as well as eliminates odours.
POWER ROTOR	Product that removes organic substances such as grease, oil, dirt, debris and dirt out of inorganic substances.

## CLEAR BLOCKAGE, CAUSTICS

RESCUE DRAIN	Powdered drain opener that dissolves grease, hair, food and other organic blockages.
CITRATECH DM	Controls grease and odours in grease traps and lift stations by forming a floating layer.

## HYGIENE

CHEMENE-X	Antimicrobial, disinfectant, sanitizer and deodorant.
EVERBRITE	Germicidal cleaner, disinfectant and deodorizer.
EVERBRITE PLUS	Germicidal cleaner, disinfectant and deodorizer.

## PREVENT BLOCKAGE, SOLVENTS

CITRATECH DM	Natural solvent grease trap, drain and lift station maintenance.
--------------	--

## REMOVES SILTS

DN DRAIN PRO	Liquid mud, soil, sand and silt de-clogger and remover for cooling towers and sewer lines.
--------------	--

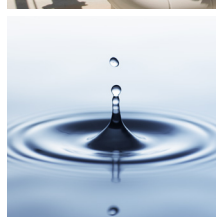

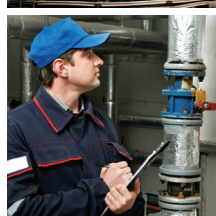

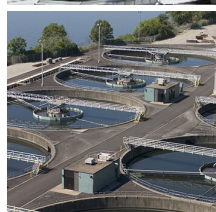

# NCH

CHEM-AQUA

**NCH has provided quality full-service solutions to customers since 1919.**

NCH Chem-Aqua will assist you with water treatment products and services that will save time and money.

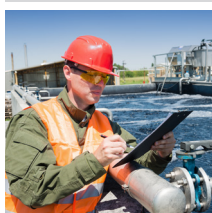

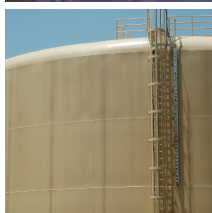

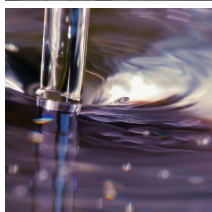

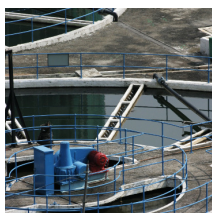

## WATER TREATMENT

ACTICHLOR	Liquid oxidizing activator
AN FLOC FC78	Wastewater treatment product.
AQUA-TAB	Water treatment biocide that removes energy-robbing contaminants. Controls algae, fungi, bacteria and slime.
AQUABROM	Controls biofilm deposits from pumps, pipework, heat exchangers and filters associated with industrial water treatment system.
AQUASPERSE	Cooling Water Dispersant
BP-800	Product adjusts the pH of the water chillers, cooling and boiler water to a high pH. This helps prevent corrosion.
CA-RO ANTIOX	Antioxidant that is widely used in pretreatment and waste water treatment plants for dechlorination.
CAT FLOC FC20	Wastewater treatment product.
CB-55	Water treatment product.
CB-3939	Eliminates bacterial, fungi, and algae to improve water quality.
CB-9099	Water treatment product.
CBD-92	Descaling product that prevents new scale while the systems are running
CBD-93	Descaling product that prevents new scale while the systems are running
CBD-94	Iron dispersant and stabilizer for cooling towers.
CBD-95	Iron dispersant and stabilizer for cooling towers.
CHEM-AQUA 1	Antifouling additive that helps prevent fouling of heat-exchanger surfaces caused by phosphate sludge, scale or iron deposits.
CHEM-AQUA 100	Water treatment product for anti-scale and corrosion in boilers.
CHEM-AQUA 11000	Scale, sludge and corrosion inhibitor for cooling towers.
CHEM-AQUA 13091	Scale Inhibitor
CHEM-AQUA 140	Polymer Boiler Treatment
CHEM-AQUA 150	Boiler treatment for water treatment.
CHEM-AQUA 1500 MT	Scale, sludge and corrosion inhibitor for water treatment.
CHEM-AQUA NA-104C	Corrosion inhibitor for stream lines.
CHEM-AQUA 18104	Corrosion inhibitor for steam lines.
CHEM-AQUA 20001	Scale and Corrosion Inhibitor
CHEM-AQUA 2070	Water Treatment Product
CHEM-AQUA 215	Boiler Treatment - Suitable for use as a boiler treatment compound where neither the treated water nor the steam produced may contact edible product in federally inspected meat and poultry plants.
CHEM-AQUA 30135	Antiscalant for reverse osmosis system.
CHEM-AQUA 31155	Scale, sludge and corrosion inhibitor for Cooling Towers
CHEM-AQUA SL 31855	Water Treatment Product
CHEM-AQUA 3842	Scale, sludge and corrosion inhibitor.
CHEM-AQUA 40	Water Treatment Product
CHEM-AQUA 4000	Water treatment product for the prevention of corrosion.
CHEM-AQUA 4000 SW	Scale, sludge and corrosion inhibitor for cooling towers.
CHEM-AQUA 55N	Potable water system corrosion inhibition.
CHEM-AQUA 777	Water treatment product for corrosion protection. It prevents corrosion in heating or cooling systems.
CHEM-AQUA 80	Cooling tower scale and corrosion inhibitor.

**NCH has provided quality full-service solutions to customers since 1919.**

NCH Chem-Aqua will assist you with water treatment products and services that will save time and money.

## WATER TREATMENT

CHEM-AQUA 8000 MT	Water treatment product for preventing corrosion-resistant.
CHEM-AQUA 8500 MT	Cooling tower corrosion inhibitor.
CHEM-AQUA 888	Nitrite-free closed-loop inhibitor.
CHEM-AQUA 900	Water treatment product for corrosion protection.
CHEM-AQUA 900 PLUS	Scale and corrosion inhibitor for cooling towers.
CHEM-AQUA 9000MT	Scale and corrosion inhibitor for cooling towers.
CHEM-AQUA 999	Thermal storage and closed-loop corrosion inhibitors.
CHEM-AQUA COIL CLEANER	Removes contaminants and minimizes energy and repair costs, extends HVAC system life and enhances HVAC system operations.
CHEM-AQUA D-5	Corrosion Inhibitor for Steam Lines
CHEM-AQUA NA-101	Corrosion Inhibitor for Steam Lines
CHEM-AQUA PLUS	Antiscalant for reverse osmosis systems
CHEM-AQUA RESIN CLEANER	Water Treatment Resin Cleaner
CHEM-AQUA RO-901	Water Treatment Scale Inhibitor
CHEM-AQUA SL 20000 PLUS	Cooling tower treatment for high silica water.
FC 101	Anti-Foam Chemical Agent
HANDIPAK 104C	Water Treatment product for the Handichem™ System
HANDIPAK 15 MT	Water Treatment product for the Handichem™ System
HANDIPAK 150	Water Treatment product for the Handichem™ System
HANDIPAK 22 MT	Water Treatment product for the Handichem™ System
HANDIPAK 900	Water Treatment product for the Handichem™ System
HANDIPAK 999STX	Water Treatment product for the Handichem™ System
HEAVY DUTY POWDER CONCRETE	Concrete Cleaner
MB-215	Bacterial inhibitor
MB-224	A microbiocidal bactericide, fungicide, algicide and slimicide, used in treating recirculating cooling water in industrial cooling systems, brewery pasteurizer water, non-potable reverse osmosis systems and air-washer systems.
MB-60B	Biocide for Cooling Tower
NA-107	Corrosion Inhibitor for Steam Lines
NEURINSE	Product that adjusts the pH to neutral.
OX-AWAY	Boiler Water Oxygen Scavenger
TCC-1000	Liquid mud and silt remover for cooling towers. Helps prevent cooling tower fouling.
TOWER TABLET ND	Scale and corrosion controlling release tablet.
WWT 2010	Waste water treatment and polymer-based materials used to facilitate erosion control and decrease soil sealing by binding soil particles.
HYDROCHLORIC ACID	Concrete floor sealer and hardener. Penetrating sealer and conditioner that help protect concrete and other materials against wear, stains, grease and extraneous moisture.
<b>DESCALING</b>	
BREX	Chemical cleaner and descaler that cleans lime deposits, scale, mineral sediments and scum.
BREX CONCENTRATE	Chemical cleaner and descaler.
DEOX	Chemical cleaner with D-10 for deeper and faster penetration.
