NEW TRENDS IN HEMATOLOGY, HISTIOCYTIC DISORDERS AND TRANSFUSION MEDICINE *Symposium & Workshop*

**1-3 November 2016 (1-3 Safar 1438)
Postgraduate Center, KFSH&RC
Riyadh, Kingdom of Saudi Arabia**

Welcome Message

Dear Colleagues,

We cordially invite you to share and participate in this forthcoming event.

The Department of Pediatric Hematology/Oncology in conjunction with the Academic and Training Affairs (ATA) at King Faisal Specialist Hospital & Research Center will be hosting “NEW TRENDS IN HEMATOLOGY, HISTIOCYTIC DISORDERS AND TRANSFUSION MEDICINE Symposium & Workshop”. This event will be held in the Post Graduate Centre (PGC) Auditorium, KFSH&RC, Riyadh, Kingdom of Saudi Arabia from the 1st to the 3rd of November 2016 (1 to 3 Safar 1438).

This two-day international symposium followed by a one-day work shop of brings together expert hematologist from around the world with the main focus of updating healthcare professionals on the recent advances in the diagnosis and management of blood disorders. In addition, the symposium will highlight the major achievements along with challenges faced by healthcare providers in the field and help set the stage for future direction. Family and patients support systems programs will also be focused on in order to build on and improve the current status.

On behalf of the organizing and scientific committee, we welcome you to the unique opportunity of visiting Riyadh, experiencing Arabian hospitality first hand and enjoying the rich history and culture in the background of a modern thriving cosmopolitan.

Sincerely,

Mahasen Al-Saleh, MD

**New Trends in Hematology, Histiocytic Disorders and Transfusion
Medicine Symposium & Workshop
1-3 November 2016 (1-3 Safar 1438)**

CALL FOR ABSTRACTS

Deadline: 01 August 2016

1. **PREPARATION:** Title and complete text must appear within the four defined margins. Illustrations are not allowed, but a brief table is permissible. The abstract should be a brief summary of the paper and should include an introductory sentence stating its purpose. A brief description of the work involved and a statement of any conclusions is to be drawn from the work should be included. It is not satisfactory to state, "The results will be discussed."
2. **RESPONSIBILITY:** Authors have full responsibility for any statements submitted. Authors are also responsible for proofreading the typed abstract. Authors must disclose and explain any potential conflicts of interest in a separate letter enclosed with the abstract.
3. **CHANGES:** Once abstracts have been submitted to the symposium Organizing Committee, changes will not be permitted.
4. **TITLE:** Capitalize all letters. Keep brief, indicating the nature of the investigation.
5. **AUTHORS:** List last name, then state authors' names and institutional affiliations. If no institution is involved, list city and state.
6. **TEXT:** Type in lower case letters. Do not skip a line between title and author(s), and between author(s) and text. Indent beginning paragraph three spaces. The text must be single paragraph. Use only very common abbreviations. Non-proprietary (generic) names are required the first time a drug is mentioned and are to be written in lower case letters.
7. **SUBMISSION REQUIREMENTS:** Abstracts may be submitted in one or both of the following forms which must fit in the box provided.
 - A. Typewritten Abstracts plus (3) photocopies. AND if available a CD
 - B. Abstract on CD. The file should be formatted in Microsoft Word for Windows. Disks must be labeled with author's name, title of paper, and word processing program used including version number. Provide a printout of the Abstract plus (3) copies that exactly match the disk file. File names must clearly indicate the contents of each file.
8. **DO NOT FOLD OR BEND** form when returning abstract to the Symposium Organizing Committee.
9. Protect the original and reproductions with the use of cardboard backing if necessary
