PUMPING EQUIPMENT

A-C 2000 Series Pumps - Xylem

Centerline discharge bronze fitted construction centrifugal pumps, frame-mounted and close coupled.

Flygt A-C Custom Pumps

Axial flow pumps, large dry pit pumps, split case and vertical column pumps.

Ampco Applied Products

Complete line of stainless steel positive displacement pumps, sanitary centrifugal pumps, mixers, blenders, brewing and beverage handling products.

Flygt -A Xylem Brand Pumps

Submersible column pumps, ultra low head submersible water pumps, submersible dewatering pumps, wastewater and treatment pumps.

Ampco Pumps

Sanitary pumps, mixers, blenders and powder inducers used in food processing. Gentle product handling.

Goulds Pumps - ITT

#1 Process Pump line in the Industry!

Including pumps such as: ANSI, API, Inline, multi-stage, double suction, vertical process, vertical turbine, slurry, and submersible.

AMT / IPT Pumps

Various general use pumps and accessories. Quick shipments and most models available within 24 hrs.

Goulds Water Technology - Xylem

Efficient centrifugal and turbine pumps, controllers and drives for industrial water and wastewater applications.

ARO Pumps

Air-operated diaphragm pumps, piston pumps & packages.

Haight Pumps

Rotary gear pumps, internal/external gear, magnetic drive and close coupled gear pumps.

Cat Pumps

High-pressure piston and plunger pumps used in cleaning, food processing, reverse osmosis and more.

Lutz Pumps

Electric and air-operated drum and container pumps used in chemical, food, soap, fuel and many other applications.

CIRCOR Pumping Technologies

Providing the highest levels of reliability through trusted product brands: **Allweiler, Clarus, COT-PURITECH, Houttuin, IMO, LSC, Lubritech, Rosscor, Sicelub, Tushaco, Warren, and Zenith pumps.**

March Pumps

Centrifugal seal-less magnetic drive pumps for chemical, industrial, medical, marine, solar and beer pumps, and OEM applications.

Finish Thompson

DB Series Plastic mag-drive sealess pumps. Rugged construction, flows up to 221GPM and 201 ft. head. Dry-Run capable. 5 Year Warranty

Micropump

Magnetic and electromagnetic rotary gear metering pumps used in micro flow metering applications.

MTH Pumps

Regenerative turbines for low flow, high pressure applications used in boiler feed, refrigeration, condensate return and more.

SEEPEX Pumps

Progressive cavity pumps plus in-line macerators. State-of-the-art smart stator technology, open-hopper, food grade, vertical, and wobble-type progressive cavity pumps.

MP Pumps

Centrifugal pumps in stainless steel, cast iron, and more. Manufacturer of FLOMAX self priming pumps.

SPX TopGear Internal Pumps

TopGear Internal Gear pumps can handle both low and high viscosity products, capable of high pressure and are self-priming. TopGear Internal Gear Pumps (G,H,L,MAG)

Price Pumps

Highly configurable small to mid-sized centrifugal pumps in various materials with many sealing options.

T-Mag Pumps

Thermoplastic magnet drive pumps commonly used where aggressive chemicals and quick deliveries are a concern.

Pulsafeeder Pumps - (Gear & Centrifugal)

Hydraulic diaphragm metering pumps, gear pumps, mag-drive gear pumps, and multi-stage centrifugal pumps.

Tsurumi Pumps

Vast range of submersible pumps engineered to withstand the most rugged applications.

Pulsafeeder Pumps - (Blue) IDEX

Solenoid and diaphragm driven metering pumps. Pulsatron, Chem-Tech, Mec-O-Matic, Chem-Tech, Blackline, Omni and Series-M.

Vanton Pumps

Thermoplastic, vertical sump pumps, mag-drive & self priming pumps.

Roper Pumps

Rotary gear pumps used primarily in heavy viscous fluids such as chocolate, asphalt, glues, inks, fuels and syrups.

Vogelsang

Pumps and grinders specifically engineered for wastewater, biogas, railway, mining, food processing, industrial and agricultural markets.

ASK ABOUT RUSH DELIVERY!

**Tencarva / Goulds ANSI PUMP
24 Hour Qwikship Program**

**ANSI STANDARD DIMENSION PUMP MODELS,
SIZES, CONSTRUCTIONS & ACCESSORIES**

PUMP SUPPORT PRODUCTS

Blacoh Fluid Control

Pulsation dampeners, spill stop and gauge isolators which enhance and smooth system performance.

New England Braiding

ANTI-KEYSTONE® II high-performance packing designed to extend equipment life.

i-ALERT 2 - ITT

Equipment health monitor tracks tri-axial vibration & kurtosis, temperature, and run-time hours.

PolyShield Structural Technologies

Chemical-resistant foundation system constructed of polymer concrete.

Garlock® - One Up® Diaphragms

Durable and versatile diaphragms that last significantly longer than other conventional PTFE diaphragms.

PumpSmart - ITT

Pump specific control drives with state of the art logic to control process and prevent pump damage.

Griffco Valves

Back pressure valves, pressure relief valves, calibration columns, injection valves, corporate stops, gauge guards, pulsation dampers, Y strainers, and other accessories.

Sealryt

Custom stuffing box bearing; patented "Pre-Twist" packing technology using unique textiles and split glands.

John Crane

Mechanical seal, seal support, hydrodynamic bearings, packing and power transmission couplings.

SEPCO

EXP Non Contact Bearing isolator which incorporates new generation expeller technology.

John Crane Couplings

High performance A-Series, T-Series SS, Metastream and Powerstream couplings for the API, general process, and turbomachinery industries.

US Seals

Seals designed to give long life, provide automatic selfadjustment and reduce maintenance costs.

Load Controls Inc.

Compact digital pump load control detects loss of load, dry running, no prime, cavitation, bearing issues and more.

Uniguard Machine Guards

Custom and standard non-metallic ANSI / OSHA - compliant pump and equipment guards.

TENCARVA EXCLUSIVE

- Adjustable-width machine guards
- Direct drive pump guards
- Vertical and horizontal belt guards
- Optional clear polycarbonate inspection windows
- Rugged construction
- Lightweight and easy to install

Uniguard Machine Guards

Custom and standard non-metallic ANSI / OSHA - compliant pump and equipment guards.

LIQUID PROCESS EQUIPMENT

Belding Tank Technologies

Complete line of filament wound & contact molded FRP tanks.

Rosedale Filters

Liquid filtration products such as bag filters, screen filters, cartridge filters, housings, bags and strainers.

Fusion Fluid Equipment - Mixers

Industrial and Sanitary mixers, mixing accessories, and complete agitation systems for various processes.

S.P. Kinney

Automatic self cleaning strainers, liquids other than water, such as chemicals, acids, white water (paper mills), sewage, and ammonia flushing liquor can also be effectively strained.

Kaydon Filters

Turbine oil/water separation, fuel/water separation, oil & fuel particulate filter vessels.

Toshiba Flow Meters

Toshiba offers electromagnetic flowmeters, microwave density analyzers, programmable logic controllers, hybrid integrated control platforms, and DCS & PLC integrated systems.

SPECIALTY PRODUCTS AND SERVICES

Delta Cooling Towers

HDPE Induced and Forced Draft cooling towers to 2000 cooling tons. Anti-Microbial design also available.

Sumitomo/Hansen Industrial Drives

Offer versatility for your most demanding applications with a robust design, featuring high radial and axial load-carrying capabilities, and broad lineup of bevel and helical reducers.

Hydro Dynamics

The ShockWave Power Reactor (SPR) technology harnesses the force of cavitation to apply energy to fluids. The cavitation shockwaves can provide benefits in almost any industry with benefits in: mixing, heating, and extraction.

Sumitomo Drive Technologies

Extensive range of sizes and torque capabilities, including Paramax, Hansen Industrial Gearboxes and other well-recognized brands.

Procast - ITT

High quality replacement parts for all types of equipment. Cast reproductions of orphaned equipment parts.

Rexnord / Falk

Authorized parts representative for the Rexnord/Falk, parallel gear drives, right angle gear drives, shaft mount gear drives, fluid couplings, and concentric inline gear drives.

ProService - ITT

Capabilities include predictive maintenance, condition monitoring, reliability improvement and maintenance contracts.

Tencarva Gearbox Repair

Gearbox repair, rebuild and upgrade services on all major brands. All gearbox repairs are tested and returned in "like new" conditions.

REPAIR

Tencarva Service Shops & Field Service

- Tencarva Repair Centers
- Field Service/Start Up
- Centrifugal Pump Repair
- Vertical Turbine Repair
- Submersible Pump Repair-Richmond, VA
- Impeller Balancing
- Laser Alignment
- Gearbox Repair-Macon, GA
- Vibration Analysis - Brookhaven, MS
- Thermal Imaging - Brookhaven, MS
- Positive Material Identification (PMI) Analyzing

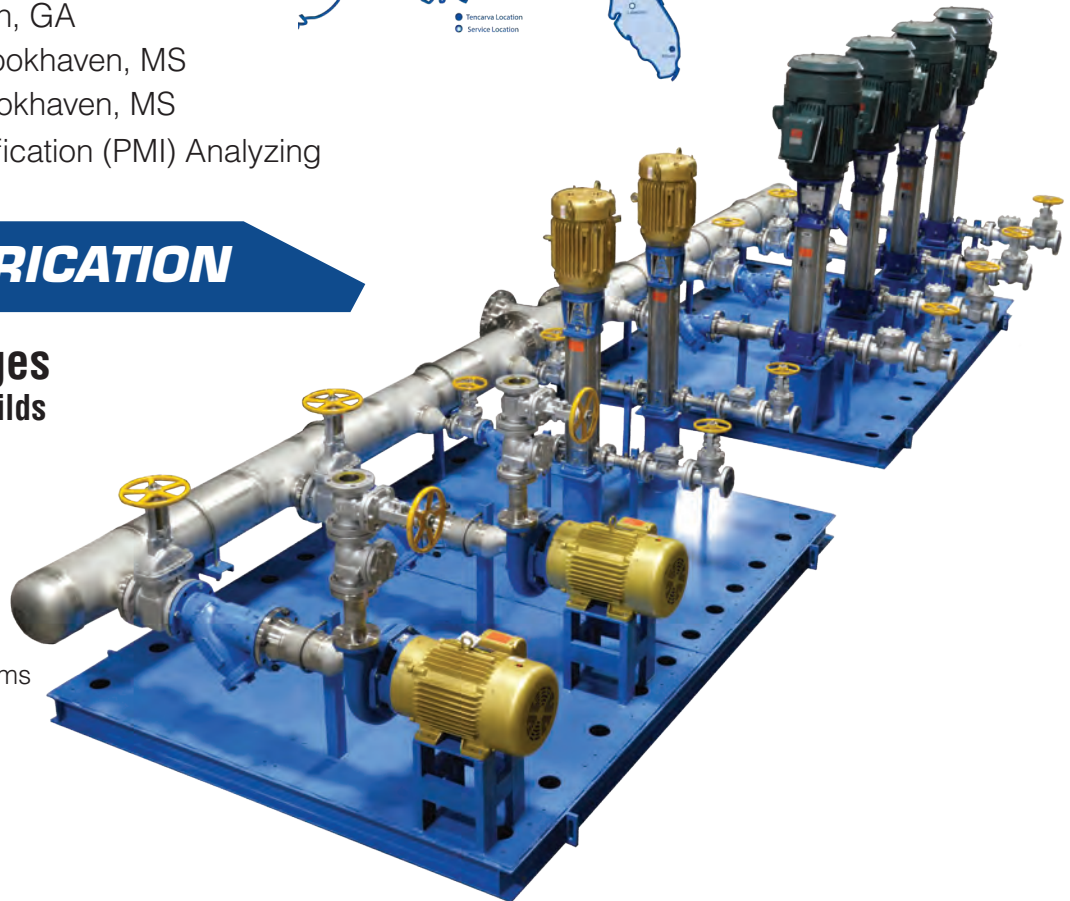

CUSTOM FABRICATION

Equipment Packages

Tencarva designs and builds systems to your specific requirements.

- Multi-Pump Packages
- Booster Stations
- Vacuum and Blower Systems
- Chemical Dosing Skids
- Control Panel Integration
- Certified Surface Polishes
- Digital Instrumentation

How can Tencarva Fabrication help you build the perfect solution for your facility?
