# PENS AT THE READY!

Holding a fundraising quiz is easy; you could have friends and family over to take part at your house, or go all out by holding it at a pub or local venue. It's a fun and interactive fundraising idea that everyone can get involved in to support you.

In this pack we've included four rounds of questions which should take around forty minutes to complete.

If 24 of your friends paid £3 to attend your ultimate quiz night raising £72, this could buy a bunsen burner to help our scientists ignite our groundbreaking research on a daily basis

Send us tweets of your event to @raceforlife

# TOP TIPS FOR FUNDRAISING SUCCESS

- **Try adding a few extra rounds**

'Guess the picture' is always fun, and 'name that song' is also a great addition. Just don't forget to include some extra pieces of paper along with your answer sheet.

- **Promote your quiz**

Ask your friends and family to promote the quiz and consider putting up posters in your local area. Remember, the more people that take part, the more money you'll raise.

- **No cheating**

On the day, make sure to let everyone know the two quiz rules: don't cheat and have fun!

- **Team names**

Get everyone to think of an inventive team name – you could even award extra points for the best one.

- **Prizes**

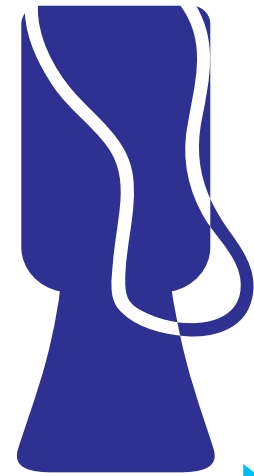

You need to consider what the winner will get; maybe make a certificate or provide a group prize.

**Fundraising guidelines:** for more information and guidelines on fundraising, take a look at the Cancer Research UK website: [cancerresearch.org.uk/fundraising](https://cancerresearch.org.uk/fundraising)

**Licences:** you will need a licence from your local authority for any of the following activities:

- Providing alcohol
- Providing entertainment
- A public collection
- Selling goods in a public place
- Putting up banners or signs in public areas

**Raffles and lotteries:** there are strict and complex laws relating to raffles and lotteries. There are also legal requirements regarding prizes, the costs of running a raffle or lottery, and the way they are organised. Please contact your local authority for advice before holding an event like this.

## How to raise money with your quiz

- 1 Get everyone to pay £3 to take part
- 2 Be sure to tell people that they can make a donation to your online fundraising page.

### Gift Aid

Make sure that Gift Aid is not claimed on the money paid to take part in your quiz, as these are not donations as far as Gift Aid is concerned. Donations you receive where your supporters get nothing in return are eligible for Gift Aid, if they are made by a UK taxpayer. Get your supporters to complete your sponsorship form and claim Gift Aid where they can. It will help you raise more money for Cancer Research UK.

RACE FOR LIFE

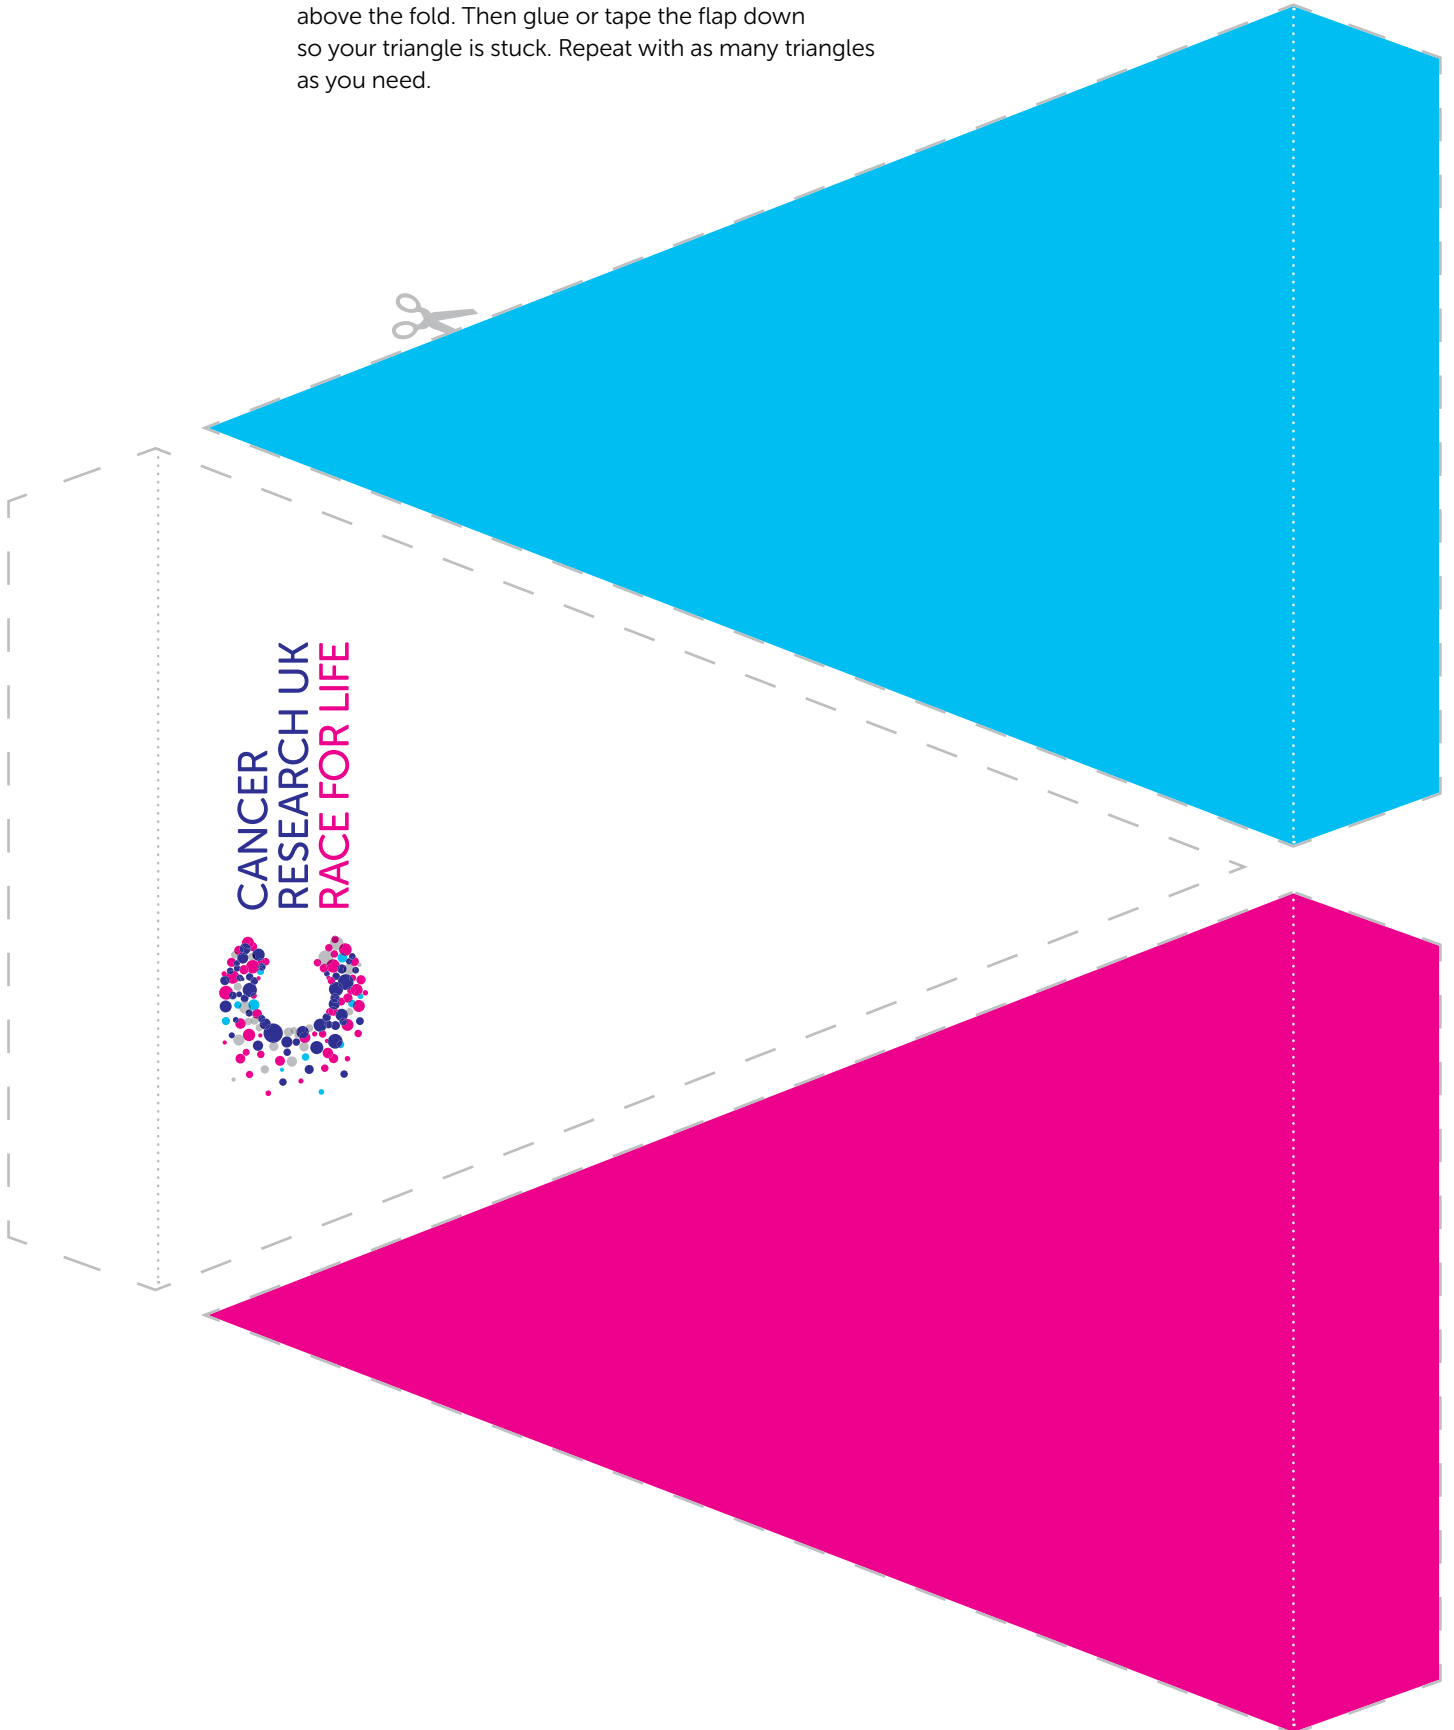

# BUNTING

## You will need

- A printer
- A4 paper or card
- Scissors
- Glue, string and tape

## Instructions

- 1** Print this page out as many times as you need it. You can print it out on plain paper or card.
- 2** Cut along the dashed lines so you have each triangle separated and then fold along the dotted lines.
- 3** Place your string or tape along the top of the bunting above the fold. Then glue or tape the flap down so your triangle is stuck. Repeat with as many triangles as you need.
