We want to inspire you to achieve your goal of creating a home of distinction. We provide a wide range of interior doors that have been designed and manufactured to bring beauty, satisfaction, lasting performance and value to your home improvement project.

Molded Panel Doors

The Masonite Molded Panel Series is the industry benchmark for all composite wood doors. This series utilizes a composite wood construction that results in a more durable door that resists warping, shrinking, and cracking better than a solid wood door. This series comprises the seven primary door designs you expect in an interior door line.

- A 2 Panel Arch
- B 2 Panel Roman
- C 2 Panel Square
- D 3 Panel Square
- E 4 Panel Arch
- F 4 Panel Square
- G 6 Panel Square

Palazzo Doors

The Palazzo Series is the ultimate in composite wood door design. These doors embody the true definition of elegance and the meaning of fine architecture. Patented raised-molding highlights the details in these premium interior doors.
