Cassette Player/FM Stereo Radio

99⁹⁵

- Locking Fast Forward
- Locking Rewind
- FM Stereo Indicator

For superior FM reception in the city or on the road, plus special features for convenient cassette operation. Just insert a cassette sideways to start the player. Locking fast-forward and rewind help you find desired tape passages quickly. End-of-tape indicator light. Pushbutton eject eliminates fumbling to remove cassettes, and shuts off player, too. Sliding volume, balance and tone controls for settings you can see. Mono/stereo switch helps optimize reception of even weak FM signals. Lighted rotary dial and radio on/off button. Only 2 1/4"x7 1/2"x8". Ready for under-dash mounting. 12-1815 **99.95**

8-Track Player/FM Stereo Radio

99⁹⁵

- Easy Under-Dash Mounting
- Convenient Switches for 8-Track Program Repeat, Fast Forward
- Stereo/Mono Switch for Best FM

This 2-in-1 entertainer combines satisfying sound reproduction and mobile convenience. The sliding volume, balance and tone controls are accurate and easily accessible. Positive action switches for fast forward and program-repeat — so simple you can operate them without taking your eyes off the road. Attractive lighted dial console with "quadrant" program indicator. The radio has an integrated-circuit stereo/mono switch for best reception from all stations, a radio on/off switch, plus FM stereo indicator light. 2 1/4"x7 1/2"x8". 12-1830 **99.95**
