### **About Us**

Revtek was founded in 2000 to market our unique Toyota suspension lift systems. Since then, we have introduced suspension lift systems for Chevrolet trucks, and SUVs; Ford F150s and Super Duty trucks, and Excursion SUVs; Dodge Ram and Nitro; Jeep JK, Liberty, Grand Cherokee, and Commander; and Nissan Frontier, and Xterra. Our personnel has been professionally involved in the suspension market place for over 25 years.

### **Our Mission**

We continue to evolve with our products. Our goal is to Raise Your Perspective. We make installer friendly, rugged kits. Everything we make is designed to be superior and give you worry-free performance.

### **Warranty**

Revtek Suspension warrants our lift kits with a limited lifetime warranty to be free from material and workmanship defects. The warranty is non-transferable and limited to the repair or replacement of the product.

## 2007-2014 Chevrolet/GMC 2" Front Leveling Kit for 2WD & 4WD

### P/N 315 will fit the following vehicles:

2007-2014 Chevy: Tahoe, Suburban, 1500  
Silverado

2007-2013 Chevy Avalance

2007-2014 GMC: Yukon, Yukon XL, Denali,  
Denali XL, 1500 Sierra

2007-2014 Cadillac: Escalade, Escalade ESV,  
Escalade, and EXT

- 2" Leveling system for improved handling & stance
- Works within the OEM suspension geometry
- No cutting or welding necessary
- Easy, bolt up installation-the most installer friendly system available
- Super heavy-duty, plated and powder coated components
- Manufactured utilizing OEM or better materials for strength and durability
- Cleanest, simplest, most effective design on the market
- Fits up to 33x12.5 tire

## 1988-2010 Chevrolet/GMC Torsion Bar Leveling Kit Keys

### P/N 330 will fit the following vehicles:

1999-2010 Chevy / GMC 2500 / 3500 HD Vehicles  
2001-2010 Hummer H2 / H2-SUT Vehicles w/8 lugs  
2WD & 4WD (See note below)

*Note: On GM HD vehicles, these keys will only fit vehicles with color codes Blue, Brown, Purple and Yellow on the stock key. If your vehicle has Green, White or Orange colors then you may not achieve any lift at all.*

- No drilling or welding
- Adjustable up to 2" of lift
- Made of high quality forgings that meet or exceed factory specifications
- Front lift only to level the stance of the vehicle
- Maintains OEM ride quality
- Maintains proper clocking of the OEM torsion bar

### P/N 331 will fit the following vehicles:

1988-2006 Chevy/GMC Pickups w/6 lugs 4WD  
1992-2006 Chevy/GMC SUVs: Avalanche, Yukon, Tahoe,  
Suburban w/6 lugs 4WD only  
2000-2006 Cadillac Escalade, ESV, EXT w/6 lug 4WD only

### P/N 332 will fit the following vehicles:

2004-2010 Chevy / GMC Canyon / Colorado 4WD only  
2004-2010 Hummer H3 / H3T-4WD only

## 2013 & Newer Dodge 2500/3500 Leveling Systems

**P/N 713 will fit the  
following vehicles:**

2013-2014 Ram 3500  
2014 Ram 2500

**P/N 713B will fit the  
following vehicles:**

2013-2014 Ram 3500  
2014 Ram 2500

- Cast aluminum construction with black powder coat for long term durability and visual appeal
  - No cutting or welding necessary
  - Works within the OEM suspension geometry
  - Cleanest, simplest, most effective design on the market
- Billet aluminum construction for long term durability

## 1994-2013 Dodge Leveling Systems

- 2" Leveling system for improved handling and stance
- No cutting or welding necessary
- Cleanest, simplest, most effective design on the market
- Cast aluminum construction for long term durability and visual appeal
- Works within the OEM suspension geometry
- Fits up to 35x12.5 tires

2" Leveling Kit

**P/N 702 will fit the following vehicles:**

1994-2001 1500 4WD  
 1994-2013 2500 4WD  
 1994-2012 3500 4WD  
 2006-2009 1500 Mega Cab 4WD

2" Leveling Kit

**P/N 762 will fit the following vehicles:**

2006-2013 1500 4WD  
 Standard & Quad Cab

**P/N 582 will fit the following vehicles:**

2007-2011 Dodge Nitro

- Easy bolt up installation with no drilling or cutting necessary
- Powder coated cast aluminum construction for long term durability and visual appeal
- Allows for up to 35x12.5 tires

Dodge

## 2010-2013 Dodge Axle Forward Kits, Control Arm Bushing Replacement Kit & 2003-2013 Optional Adjustable Track Bar

### These kits fit the following vehicles:

2010-2013 2500 4WD

2010-2012 3500 4WD

P/N 7304D-2	2500	4.5"	Diesel
P/N 7304D-3	3500	4.5"	Diesel
P/N 7304G-2	2500	4.5"	Gas/Hemi
P/N 7304G-3	3500	4.5"	Gas/Hemi
P/N 7306D-2	2500	6"	Diesel
P/N 7306D-3	3500	6"	Diesel
P/N 7306G-2	2500	6"	Gas/Hemi
P/N 7306G-3	3500	6"	Gas/Hemi

- Longer control arms to relocate the axle forward for improved tire clearance
- Driveline spacer to compensate for axle being forward
- No cutting or welding necessary
- Easy bolt-up installation—the most installer friendly system available
- All-inclusive kit—no extra components necessary

### P/N 702BKIT will fit the following vehicles:

2010-2012 3500

2010-2013 2500

Adjustable Track Bar

### P/N 707 will fit the following vehicles:

2003-2013 Dodge 2500 4WD

2003-2012 Dodge 3500 4WD

## 2009 Dodge Axle Forward Kits

### These kits fit the following vehicles:

2009 2500/3500 4WD & 1500/2500/3500  
Mega Cab 4WD

P/N 7204D-2	2500	4.5"	Diesel/V10
P/N 7204D-3	3500	4.5"	Diesel/V10
P/N 7204G-2	2500	4.5"	Gas/Hemi

4.5" Suspension Lift System

6" Suspension Lift System

## 2003-2008 Dodge Axle Forward Kits & Control Arm Bushing Replacement Kit

4.5" Suspension Lift System

6" Suspension Lift System

### These kits fit the following vehicles:

2003-2008 2500/3500 4WD & 1500/2500/  
3500 Mega Cab 4WD

P/N 7104G-2	2500	4.5"	Gas/Hemi
P/N 7104G-3	3500	4.5"	Gas/Hemi
P/N 7104D-2	2500	4.5"	Diesel/V10
P/N 7104D-3	3500	4.5"	Diesel/V10
P/N 7106G-2	2500	6"	Gas/Hemi
P/N 7106G-3	3500	6"	Gas/Hemi
P/N 7106D-2	2500	6"	Diesel/V10
P/N 7106D-3	3500	6"	Diesel/V10

### P/N 701BKIT will fit the following vehicles:

2000-2009 2500/3500 4WD

- Longer control arms to relocate the axle forward for improved tire clearance
- Driveline spacer to compensate for axle being forward
- No cutting or welding necessary
- Easy bolt-up installation—the most installer friendly system available
- All-inclusive kit—no extra components necessary

# 1994-2002 Dodge 6" Suspension Lift System & Adjustable Track Bar Kit Options & Control Arm Bushing Replacement Kit

**P/N 7506 will fit the following vehicles:**

1994-1999 2500/3500 4WD

**P/N 7507 will fit the following vehicles:**

2000-2002 2500/3500 4WD

- Track bar conversion eliminates wear prone OEM version
- Track bar is adjustable for optimum centering of axle
- All inclusive kit
- Cleanest, simplest, most effective design on the market
- Fits up to 37" tires on positive offset wheel

0"-3" Adj. Track Bar

**P/N 708 will fit the following vehicles:**

1994-2002 2500/3500 4WD

- Replaces OEM track bar
- Eliminates vehicle "wandering" caused by OEM track bar

4"-8" Adj. Track Bar

**P/N 709 will fit the following vehicles:**

1994-2002 2500/3500 4WD

**P/N 703BKIT fit the following vehicles:**

1994-1999 2500/3500 4WD

## 1994-2002 Dodge 2500/3500 4WD Add-A-Leaf & 2002-2005 Dodge 1500 Torsion Bar Keys

**P/N AAL750B will fit the following vehicles:**  
1994-2002 2500/3500 4WD

**P/N 765 will fit the following vehicles:**  
2002-2005 Dodge 1500

- No drilling or welding
- Adjustable up to 2" lift
- Made of high quality forgings that meet or exceed factory specifications
- Front lift only to level the stance of the vehicle
- Maintains OEM ride quality
- Works on 4WD only

## Ford 2005-2014 Ford Super Duty F250/F350 4WD Suspension Lift Systems

- Works within the OEM suspension geometry
- No cutting or welding necessary
- Easy, bolt up installation—the most installer friendly system available
- Complete front and rear system, no extra components to order
- Custom designed front coil springs significantly improve ride
- Black system components keep the OEM look intact
- Super heavy-duty, plated and powder coated components
- Manufactured utilizing OEM or better materials for strength and durability
- Maintains alignment specifications

P/N 6960	2008-2010 F250/F350	6" Lift System w/Radius Arms	262 lbs
P/N 6641	2011-2014 F250/F350	4.5" Lift System w/Drop Brackets	200 lbs
P/N 6741	2011-2014 F250/F350	4.5" Lift System w/Radius Arms	230 lbs
P/N 6861	2011-2014 F250/F350	6" Lift System w/Drop Brackets	232 lbs
P/N 6961	2011-2014 F250/F350	6" Lift System w/Radius Arms	262 lbs

**Note:** 2008-2009 Ford 5.4/V10 models utilizing 4.5" and 6" lift systems will require exhaust modification to clear front driveline.

## 2005-2014 Ford Super Duty F250/F350 Leveling Systems & Optional Track Bar Bracket

2.5" Leveling System for F250

**P/N 6125 will fit the following vehicles:**  
2005-2010 F250

2.5" Leveling System for F350

**P/N 6126 will fit the following vehicles:**  
2005-2014 F350

2.5" Leveling System for F250

**P/N 6127 will fit the following vehicles:**  
2011-2014 F250

- Most installer friendly kits available
- Allows for up to 35x12.5 tires (2.5" kit)
- Cleanest, best looking kits available
- Maintains OEM springs
- Retains OEM alignment

Optional Track Bar Bracket

**P/N TSD562 will fit the following vehicles:**  
2005-2007 F250/F350 4WD

**P/N TSD582 will fit the following vehicles:**  
2008-2014 F250/F350 4WD

- Optional track bar bracket for leveling systems 6125, 6126 and 6127. This may be necessary due to variances in the OEM placement of front axle.

## 2003-2014 Ford Leveling System

2" Leveling Kit

### P/N 620 will fit the following vehicles:

2003-2014 Expedition

2004-2014 F150 / Lincoln Mark LT 4x2 & 4x4

- Does not require replacement shocks
- Levels the stance and allows up to a 35" tire on a 6.25 backspace wheel
- Easy bolt up design with no welding or cutting required

- For use with winch, snowplow or any application where there is additional weight on the front end of the vehicle. Adds 1" of lift to the front, no other components needed
- Most installer friendly kits available
- Works within the OEM suspension geometry
- Easy bolt up installation—no cutting, welding or drilling
- Black system components keep the OEM look intact
- Super heavy-duty, plated and powder coated components
- Manufactured utilizing OEM or better materials for strength and durability

### P/N 610 will fit the following vehicles:

2005-2014 Super Duty F250/F350

1" Lift Spacer

# 1997-2003 Ford F150 Torsion Lift Keys

## 2008-2014 Ford F250/F350 4WD

### Add-A-Leaf

Torsion Lift Keys for F150

#### **P/N 625 will fit the following vehicles:**

1997-2003 Ford F150

- No drilling or welding
- Adjustable up to 2" of lift
- Made of high quality forgings that meet or exceed factory specifications
- Front lift only to level the stance of the vehicle
- Maintains OEM ride quality

#### **P/N AAL6080B will fit the following vehicles:**

2008-2014 F250/F350 4WD

## Ford 1999-2004 Ford Super Duty F250/F350 4WD Suspension Systems

- Easy, bolt up installation the most installer friendly available
- Complete front and rear system, no extra components to order
- Custom designed front leaf springs significantly improve ride
- No cutting or welding necessary
- Black system components keep the OEM look intact
- Super heavy-duty, plated and powder coated components
- Manufactured utilizing OEM or better material for strength and durability

2.5" Suspension System

4" Suspension System

6" Suspension System

# 1999-2004 Ford Super Duty F250/F350 4WD Ford & 2000-2005 Excursion Suspension Systems

## 1999 Super Duty (mfr. date up to 2/28/99) w/Square Front U-Bolts

P/N 6011	2.5" Leveling Suspension System	205 lbs
P/N 6001	4" Leveling Suspension System	253 lbs
P/N 6061	6" Leveling Suspension System	294 lbs

## 1999 Super Duty (mfr. date 3/1/99-4/1/99) w/Square Front U-Bolts

P/N 6012	2.5" Leveling Suspension System	205 lbs
P/N 6002	4" Leveling Suspension System	253 lbs
P/N 6062	6" Leveling Suspension System	294 lbs

## 1999 Super Duty (mfr. date 4/2/99-12/31/99) w/Square Front U-Bolts

P/N 6012	2.5" Leveling Suspension System	205 lbs
P/N 6003	4" Leveling Suspension System	253 lbs
P/N 6063	6" Leveling Suspension System	294 lbs

## 1999-2004 Super Duty (mfr. date 4/2/99-2004) w/Semi Round Front U-Bolts

P/N 6014	2.5" Leveling Suspension System	205 lbs
P/N 6004	4" Leveling Suspension System	253 lbs
P/N 6064	6" Leveling Suspension System	294 lbs

### P/N 6065 will fit the following vehicles:

2000-2005 Excursion 4x4

6" Suspension System

# Jeep

## 2007-2014 Jeep JK 3" Suspension Lift System & Optional Adjustable Track Bar

P/N 587 will fit the  
following vehicles:  
2007-2014 Jeep JK  
2 Door & 4 Door

- No cutting or welding necessary
- OEM ride using factory coils
- Average install time under 2 hours
- All inclusive kit
- Made in the USA
- Allows up to 35x12.5" tires

P/N 507 will fit the  
following vehicles:  
2007-2014 Jeep JK  
2 Door & 4 Door

- All inclusive kit
- Track bar is adjustable for optimum centering of axle
- Cleanest, simplest, most effective design on the market

## 2007-2014 Jeep JK 3" Budget Coil Spring Kit

### P/N 586 will fit the following vehicles:

2007-2014 Jeep JK Wrangler

### P/N 586U will fit the following vehicles:

2007-2014 Jeep JK Wrangler

- No cutting or welding necessary
- Average install time under 3 hours
- Allows up to 35" tires on positive offset wheels
- Outstanding ride with new replacement springs
- All inclusive kit
- Made in the USA
- P/N 586U has upgraded rear springs if you add weight to the rear of your Jeep regularly

## 2007-2014 Jeep JK 3" Coil Spring Kit

**P/N 588 will fit the following vehicles:**  
2007-2014 Jeep JK 2 Door & 4 Door

**P/N 588U will fit the following vehicles:**  
2007-2014 Jeep JK 2 Door & 4 Door

- No cutting or welding necessary
- Average install time under 3 hours
- Allows up to 35" tires on positive offset wheels
- Outstanding ride with new replacement springs
- All inclusive kit
- Made in the USA
- P/N 588U has upgraded rear springs if you add weight to the rear of your Jeep regularly

## 1984-2001 Jeep XJ 3" Suspension Lift System

### P/N 570 will fit the following vehicles:

1984-2001 Jeep XJ Cherokee 4WD

- All-inclusive kit
- No cutting or welding necessary
- Made in the USA
- Allows for 31" tires
- Outstanding ride
- Components made of OEM equipment or better materials for durability and strength

## Jeep Polyurethane Leveling Spacers

**P/N 550 will fit the following vehicles:**

- 1997-2006 TJ front or rear
- 1984-2001 XJ Cherokee front only
- 1993-1998 ZJ Grand Cherokee front or rear
- 1986-1992 MJ Comanche pickup front only

**P/N 551 will fit the following vehicles:**

- 1997-2006 TJ front or rear
- 1984-2001 XJ Cherokee front only
- 1993-1998 ZJ Grand Cherokee front or rear
- 1986-1992 MJ Comanche pickup front only

- Made in the USA
- Allows for larger tires
- Great for offsetting winch & bumper weights
- No cutting or welding necessary
- Virtually indestructible polyurethane spacers
- No modification of original steering components necessary
- Easy install

## 2000-2007 Jeep Liberty 2" Suspension Lift System

- Works within the OEM suspension geometry
- Allows up to 265/70/R16 or 245/75/R16 tires on 16x7" wheels (front wheel drive offset)
- Average install time is under 2 hours
- No cutting or welding necessary
- Manufactured using billet aircraft aluminum and specialty polyurethane

**P/N 580 will fit the following vehicles:**  
2000-2007 Jeep Liberty

## 2008-2011 Jeep Liberty 2" Front/1.25" Rear Suspension Lift System

- Works within the OEM suspension geometry
- Allows up to 265/75/R16 tires on 16x7" wheels (front wheel drive offset)
- Average install time is under 2 hours
- No cutting or welding necessary
- Manufactured using billet aircraft aluminum and specialty polyurethane

**P/N 582 will fit the following vehicles:**  
2008-2011 Jeep Liberty

## 2005-2010 Jeep Commander / Grand Cherokee 2WD & 4WD 2" Front/1.25" Rear Split Spacer Lift System

**P/N 581 will fit the following vehicles:**

2005-2010 Jeep Commander / Grand Cherokee 2WD & 4WD

- Based on Revtek's unique split spacer system
- Made in the USA
- Works within the OEM suspension geometry

- No cutting or welding necessary
- Virtually indestructible utilizing polyurethane rear spacers
- Does not require replacement shocks

## 2005-2014 Nissan Frontier 2.5" Front/1.25" Rear Split Spacer Lift System

**P/N 835 will fit the following vehicles:**  
2005-2014 Frontier 4x4 & 4x2

- Based on Revtek's unique split spacer system
- Made in the USA
- Works within the OEM suspension geometry
- No cutting or welding necessary
- For use on 4x4, 4x2 models
- Improves handling, reducing front end dive and roll
- Components made of OEM equivalent or better materials for durability and strength
- Allows for up to 285/75 tires
- Maximum recommended wheel size, 16x8 utilizing factory offset
- Utilizes OEM shocks/struts

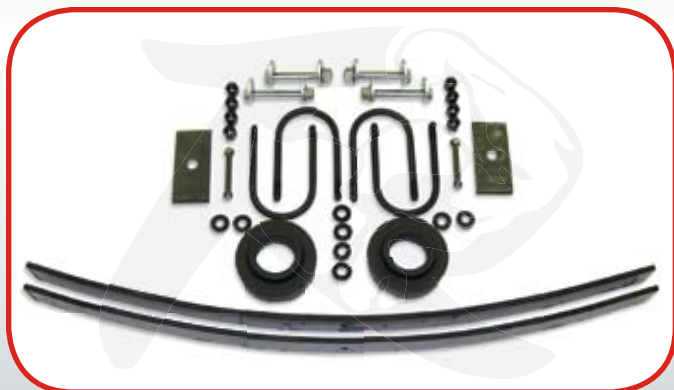

- P/N 835F is the front-only kit

**P/N 835F will fit the following vehicles:**  
2005-2014 Frontier 4x4 & 4x2

## 2005-2014 Nissan Xterra 2" Front/1.5" Rear Split Spacer Lift System

**P/N 840 will fit the following vehicles:**  
2005-2014 Xterra 4x4

- Made in the USA
- Works within the OEM suspension geometry
- No cutting or welding necessary
- For use on 4x4 models
- Improves handling, reducing front end dive and roll
- Components made of OEM equipment or better materials for durability and strength
- Allows for up to 285/75 tires
- Maximum recommended wheel size is 8" utilizing factory offset
- Utilizes OEM shocks/struts

- P/N 840F is the front-only kit

**P/N 840F will fit the following vehicles:**  
2005-2014 Xterra 4x4

## 2005-2014 Toyota Tacoma & PreRunner Split Spacer Lift System

### P/N 426 will fit the following vehicles:

2005-2014 Tacoma 4WD & PreRunner

- Works on all models
- Utilizes OEM shocks/struts
- Allows for up to 285/75 tires
- Improves handling

### P/N 426A will fit the following vehicles:

2005-2014 Tacoma 4WD & PreRunner

**P/N 426** 3" Lift front / 1.25" rear  
19 lbs shipping weight

**P/N 426A** 3" Lift front / 1.5" add-a-leaf rear  
25 lbs shipping weight

**P/N 426F** 3" Lift front only kit  
9 lbs shipping weight

**P/N 426R** 1.25" Lift rear block only kit  
9 lbs shipping weight

- Made in the USA
- Works within the OEM suspension geometry
- No cutting or welding necessary
- Improves handling, reducing front end dive and roll
- Allows for up to 285 tires mounted on 8" wide wheels with a 4.5" backspace
- Utilizes OEM shocks/struts
- Easy install rear add-a-leaf that maintains factory ride quality

## 1995-2004 Toyota Tacoma & PreRunner 3" Suspension Lift Kit

**P/N 425 & 425R will fit the following vehicles:**

1995½-2004 Tacoma 4WD / PreRunner

- For use on all models including TRD and Double Cab
- Works with manual or automatic hubs
- Improves handling, reducing front end dive and roll
- Requires longer rear shocks
- Components made of OEM equivalent or better materials for durability and strength
- P/N 425L can be used for leveling or for use with add-a-leaves (not included)
- Maximum recommended wheel size: 15x8 or 16x8, medium offset

## 2010-2014 Toyota FJ 3" Front/2.5" Rear Split Spacer Lift System

**P/N 432 will fit the following vehicles:**  
2010-2014 FJ Cruiser 2WD & 4WD

- Based on Revtek's unique split spacer system
- Made in the USA
- Works within the OEM suspension geometry
- No cutting or welding necessary
- Virtually indestructible polyurethane rear spacers
- Does not require replacement shocks (longer shocks are included)
- Maximum recommended wheel size of 8" wide with 4.5" backspacing

## 2010-2014 Toyota 4Runner 3" Suspension Lift System

### All Toyota Suspension Lifts Feature:

- Based on Revtek's unique split spacer design
- Allows for larger tires (up to 33x12.5 or 285/75/R16 with minor wheel well trim)
- Maintains standard Toyota OEM geometry
- No cutting or welding necessary
- No modification of original steering components necessary
- Easy installation, takes only 1-3 hours
- Made in the USA

**P/N 432 will fit the following vehicles:**  
2010-2014 4Runner 2WD & 4WD

- Makes room for up to 33" tires
- Retains stock suspension geometry and ride quality
- Does not work on vehicles with rear air leveling
- When using with the X-REAS system, all four shocks must be replaced

## 1996-2009 Toyota 3" Front/2.5" Rear Split Spacer Lift System

**P/N 430 will fit the following vehicles:**  
1996-2002 4Runner

- 3" Suspension lift front and 2.5" rear
- No shocks required
- Uses the same proven technology as our other Toyota lifts
- Not for use on X-REAS or air-leveling equipped models
- Allows for tires up to 285/75

- Based on Revtek's unique split spacer system
- Made in the USA
- Works within the OEM suspension geometry
- No cutting or welding necessary
- Virtually indestructible polyurethane rear spacers
- Does not require replacement shocks (longer shocks included)
- Maximum recommended wheel size of 8" wide with 4.5" backspacing

**P/N 431 will fit the following vehicles:**  
2003-2009 4Runner 2WD & 4WD  
2007-2009 FJ Cruiser 2WD & 4WD

Toyota

## 2007-2014 Toyota Tundra 2.5" Front/1.25" Rear Split Spacer Lift System

- Lifts the front 2.5" and the rear 1.25" for a level stance
- CNC machined from durable and attractive aircraft billet aluminum
- Does not require replacement shocks
- Maximum recommended wheel size is 8" wide with 35mm offset

<b>P/N 437</b>	2007-2014 Tundra 4WD	2.5" Front / 1.25" Rear	17lbs
<b>P/N 437F</b>	2007-2014 Tundra 4WD	2.5" Front	7lbs
<b>P/N 437R</b>	2007-2014 Tundra 2WD or 4WD	1.25" Rear	10lbs
<b>P/N 438</b>	2007-2014 Tundra 2WD	2.5" Front / 1.25" Rear	17lbs
<b>P/N 438F</b>	2007-2014 Tundra 2WD	2.5" Front	7lbs

## 2000-2006 Toyota Tundra Suspension Lift

**P/N 435 will fit the following vehicles:**  
2000-2006 Tundra 2WD & 4WD

- Lifts the front 2.5" and the rear 1.25" for a level stance
- CNC machined from durable and attractive aircraft billet aluminum
- Does not require replacement shocks
- Maximum recommended wheel size: 15x8 or 16x8, medium offset

## 2008-2014 Toyota Sequoia 2.5" Lift System

### **P/N 441 will fit the following vehicles:**

2008-2014 Sequoia 2WD  
& 4WD

- Virtually indestructible specialty polymer or polyurethane rear spacers
- Sequoia lifted 2.5" in front and 1.5" in back to level the vehicle
- Does not require replacement shocks
- Same proven front lift design as the Tacoma and Tundra kits
- Based upon our unique split spacer design
- Allows for larger tires (up to 33x12.5 with minor wheel well trim)
- Maintains standard Toyota OEM geometry
- No cutting or welding necessary
- No modification of original steering components necessary
- Easy installation, takes only 3-4 hours
- Made in the USA

**P/N 441R (rear) will fit the following vehicles:** 2008-2014 Sequoia 2WD & 4WD

*Note: Will not work on Platinum or Rear Air Suspension*

## 2000-2007 Toyota Sequoia 2.5" Suspension Lift

**P/N 440 will fit the following vehicles:**  
2000-2007 Sequoia

- Same proven front lift design as the Tacoma and Tundra kits
- Virtually indestructible specialty polymer or polyurethane rear spacers
- Sequoia lifted 2.5" in front and 1.5" in back to level the vehicle
- Does not require replacement shocks
- No cutting or welding necessary
- Maximum recommended wheel size: 15x8 or 16x8, medium offset

## Toyota Sequoia Platinum Suspension Lift

**P/N 442 will fit the following vehicles:**  
2008-2014 Sequoia Platinum 2WD & 4WD

- Lifted 2" in front
- Factory air leveling system adjusted to 1.5" lift
- Does not require replacement shocks
- Allows for 33x12.5 tires with no wheel trimming
- No cutting or welding required

## 1995-2014 Toyota Differential Drop Kits

**P/N RTDD1-KB** 1995-2004 TACOMA 4WD  
2000-2006 TUNDRA 4WD  
1996-2002 4RUNNER 4WD

**P/N RTDD2-KB** 2005-2014 TACOMA 4WD

**P/N RTDD3-KB** 2007-2014 TUNDRA 4WD  
2009-2014 SEQUOIA 4WD

**P/N RTDD4-KB** 2010-2014 4RUNNER/FJ 4WD

*Raise Your Perspective*

**Rugged, Installer Friendly Designs • Competitively Priced • Limited Lifetime Warranty**
