Fuel consumption figures reflect laboratory testing in accordance with the New European Driving Cycle (NECD). These figures are provided for comparison amongst vehicles only. Actual fuel consumption will generally differ under real world driving conditions, and will vary depending on individual factors such as (but not limited to) driving styles and vehicle, road, traffic and weather conditions.

WARRANTY

A comprehensive manufacturer's warranty is a feature of every Land Rover vehicle and extends to any genuine Land Rover accessories fitted by a Land Rover Retailer. The warranty period for the vehicle is three years/100,000 kilometres. In addition, the paint surface is also covered for three years/100,000 kilometres and the body work covered for corrosion for six years.

LAND ROVER ROADSIDE ASSISTANCE

All Land Rover vehicles purchased in Australia benefit from complimentary Land Rover Roadside Assistance service for the length of the new car warranty. This covers you Australia-wide 24 hours per day every day. And because it is Land Rover Assistance, help will also be provided if you become bogged or disabled on roads that only four-wheel drives can travel.

CUSTOMER CARE

Land Rover Australia has a dedicated Customer Care Centre to assist owners who may have a general query. Owners seeking this level of assistance are invited to phone our Customer Care Centre on the toll-free number 1800-625-642 or email enquiries@landrovercustomers.com.au. Land Rover ownership includes a package of benefits designed to provide high standards of after sales care and support.

LAND ROVER FINANCIAL SERVICES

Just as Land Rover lets you tailor a vehicle to your specific requirements, we offer you the same service when it comes to finance. You can arrange to purchase and finance your Land Rover from the people who know it best – your Land Rover Dealer. Your Land Rover Business Manager can explain the full range of finance options available from Land Rover Financial Services and provide expert advice to help tailor a finance package to best suit your needs. To discover more about Land Rover Financial Services visit your nearest Land Rover Dealer, call 1300 555 211 or visit www.landrover.com.au for more information.

Land Rover Finance is provided by St. George Finance Limited (ABN 99 001 094 471) Australian Credit Licence 387944 to approved customers only. Credit criteria, fees, charges and terms and conditions apply.

LAND ROVER ASSURED EXTENDED WARRANTY

Choose Land Rover Assured Extended Warranty Insurance for 12 or 24 months, up to 200,000 kilometres. Land Rover Assured Extended Warranty Insurance lets you enjoy your Land Rover both on and off the road without any concerns of the cost and inconvenience of mechanical failure. For a once off payment, you can enjoy the reassurance of protection against mechanical failures for up to 24 months with qualified repairs for the life of your warranty. Consult your Land Rover Retailer for more information.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this Australian specification & price guide should not be regarded as an exactly up-to-date guide to current specification & option prices in Australia. Jaguar Land Rover Limited, in consultation with Land Rover Australia, reserves the right to alter these specifications and option prices at any time. This specification & price guide does not constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited or Land Rover Australia and have absolutely no authority to bind Jaguar Land Rover Limited or Land Rover Australia by any express or implied undertaking or representation.

OPTION PRICES: All option prices shown in this Australian specification and price guide are for factory fitted options. They include Luxury Car Tax (LCT) and are Recommended Retail Prices. The Recommended Retail Prices set out or referred to herein are recommended prices only and there is no obligation to comply with the recommendation.

FUEL CONSUMPTION FIGURES: Fuel consumption figures reflect laboratory testing in accordance with the New European Driving Cycle (NECD). These figures are provided for comparison amongst vehicles only. Actual fuel consumption will generally differ under real world driving conditions, and will vary depending on individual factors such as (but not limited to) driving styles and vehicle, road, traffic and weather conditions.
