Recognition Brochure

## LEADERSHIP GIVING CIRCLE

Rappahannock United Way's (RUW) Leadership Giving Circle recognizes those individuals who provide leadership support to our community through their most generous contributions, further supporting our mission to improve lives by mobilizing the caring power of our community. Combined, these gifts contribute to over 36 programs in the areas of Education, Income, and Health; RUW's volunteer initiatives; and nonprofit capacity building to strengthen local nonprofits. It is this circle of giving and impact that makes our community a better place in which to live and work.

## LEADERSHIP RECOGNITION EVENT

Rappahannock United Way holds an annual recognition event to express its appreciation for members of the Leadership Giving Circle. Provided by the generosity of community sponsors, the event celebrates Leadership donors with food, drink, music, and networking in some of the most original venues in the area. The sponsors listed below have invested in RUW's Leadership Giving Circle Reception to ensure the event is completely underwritten and donor dollars are wisely invested in creating impact in our community in the areas of Education, Income and Health.

## MAKING AN IMPACT

Thanks to the generous support of our Leadership Donors, Rappahannock United Way has been able to achieve extraordinary results during the past year:

\$258,000 invested in 12 education-focused programs. Over the past year, these programs served over 1,600 children and adults, preparing them for success in school and giving them the skills needed for the changing workforce.

\$256,000 invested in 7 income-focused programs. Over the past year, more than 2,200 individuals benefitted from programs that help individuals sustain financial self-reliance through employment and positive financial practices.

\$427,187 invested in 15 health-focused programs. Over the past year more than 9,306 individuals have been impacted by programs encouraging everything from infant wellness to senior health, and focusing on such issues as domestic violence safety planning, nutrition, dental health and diabetes prevention.

### BASIC NEEDS

\$50,000 invested in 2 basic needs-focused programs serving more than 7,250 individuals in need of food assistance or critical home repairs, allowing households to stabilize their housing situation and prevent eviction or foreclosure.

**Leadership Giving offers you the opportunity to make an impact that is so much greater than any of us can achieve alone.** You can improve lives through an investment in our community. *If you are already a Leadership donor, thank you!* If not, please join us!
