<p>Prices for Spare parts to be fitted by trained and authorised service centres, please check with us if you are unsure about the status of the engineer. This guide for you to know, what the maximum you should be charged for these parts and to allow you to plan for replacing these parts when they reach end of life.</p>				
<p>The following spares are parts that can only be fitted by trained authorised Roland service centres. They come with expected life warranties, but only if used with original parts and consumables eg: ink etc. Having these fitted by non authorised service centres or using them with non approved supplies would void the warranties, as we have no way of determining their life span after them being exposed to solvents etc that are not part of product offering. Furthermore we cannot force an engineer to work on machines that have unknown health consequences due to exposure to chemicals we don't control. If you decide to therefore use third party suppliers, please discuss your warranty and service requirements with them, (we do not train them.) If you are at all unsure, please call us to ensure you protect your investment in Roland reliability. You have choices, but your choices have consequences, it pays to inform yourself.</p>				
<p>Print heads: These are the essential nuts and bolts of your machine and if looked after they will give you a lot longer life than we warrant. They are expensive but if you take the following actions you will get your moneys worth</p>				
<p>1: Weekly cleaning of the heads, caps and wipers, as per the owners manual</p>				
<p>2: Don't allow the heads to strike the media, this scratches the delicate surface and will create print headaches. (a scratched head is not covered under warranty as this is considered negligence.</p>				
<p>3: Change wipers regularly, as per the manual and when the machine prompts you to do so. Dirty or damaged wipers will scratch the heads.</p>				
<p>4: Have your machine serviced at the recommended service intervals, and have the parts replaced that are recommended in the service booklet.</p>				
	Description	List Price EX VAT	Expected Life	
	HEAD INKJET :- FJ,FP,LEC,LEF,LEJ,RS,SC,SJ,SP,VP,XC,XJ	R 6,210.26	6 000 000 000 dots	
	HEAD INKJET: BN,RE,VS,XF,XR	R 22,037.79	6 000 000 0000 dots	
<p>Scan motors are the workhorse of your machine and really work hard, things that damage them are dirt in the linear bearings and when the head hits the media or a media clamp.</p>				
	SCAN MOTOR :-FJ,SC,SJ	R 2,833.43	1500 hours (188 days at 8 hours a day constant printing)	
	SCAN MOTOR:-RS,SP-300/540i,VP	R 1,969.78	1500 hours (188 days at 8 hours a day constant printing)	
	SCAN MOTOR VS Range	R 1,978.38	3000 Hours (375 days at 8 hours a day constant printing)	
	SCAN MOTOR :- AJ,FP,LEC,LEJ,SJ-1000/1045,XC,XJ,XR,XF	R 5,171.98	1500 hours (188 days at 8 hours a day constant printing)	
	SCAN MOTOR SP-300/540V	R 1,830.00	2000 hours (250 days at 8 hours a day constant printing)	
	SCAN MOTOR LEF-12/20	R 2,231.81	3000 Hours (375 days at 8 hours a day constant printing)	
	SCAN MOTOR RE and VSi	R 2,265.77	3000 Hours (375 days at 8 hours a day constant printing)	
<p>Dampers, are a very delicately engineered filter and vacuum stabiliser for the head. They prevent damage to the head from impurities in the ink and assist the head to fire correctly. Don't be fooled with cheap imitations they will damage your heads</p>				
	DAMPER,INK :-BN,RE,VS,XF,XR	R 616.89	Replaced when replacing the head, can cure head misfires	
	INK DAMPER FJ,SC,SJ,SP	R 273.25	Replaced when replacing the head, can cure head misfires	
	INK DAMPER FP,LEC,LEF,LEJ,RS,SJ,SPi,VP,XC,XJ	R 291.88	Replaced when replacing the head, can cure head misfires	
<p>Cap Tops, these keep your heads sealed when not in use and assist in cleaning the heads.</p>				
	CAP-TOP FJ,FP,LEC,LEF,LEJ,RS,SJ,SP,VP,XC,XJ	R 248.41	6 Months	
	CAP TOP RE,VS,XF	R 582.21	6 Months	
<p>Wiper Scraper, this cleans the wipers and collects a lot of gunk, replace to keep your wipers fresh.</p>				
	WIPER,SCRAPER VS-640	R 31.05	12 Months	
	WIPER,SCRAPER XC-540	R 39.33	12 Months	
	WIPER,SCRAPER XF-640	R 46.09	12 Months	
	WIPER,SCRAPER FJ-540	R 26.68	12 Months	
<p>Wipers, these keep your heads clean and should be kept super clean to prevent damage to heads, replace if they worn (typical 6 months) or when the machine prompts for replacement. (user replaceable)</p>				
	WIPER,HEAD VS-640	R 146.98	3000 wipes	
	WIPER,HEAD FELT VS-640	R 84.87	3000 wipes	
	WIPER,HEAD FOR SOLINK	R 103.50	3000 wipes or 100 rubs	
<p>Ink Tubes should last a minimum of 3000 hours. Using Roland Original ink our customers are achieving eight to ten times this amount, there is approximately 30m of piping in any given machine and various nozzles and connectors so difficult to list all the parts for each and every machine, but below is an approximation, please call for individual quotes.</p>				
	760 wide machines	R 6,200.00	3000 hours	
	1370 wide machines	R 7,200.00	3000 hours	
	1640 wide machines	R 8,500.00	3000 hours	
	XF and XR	R 10,000.00	3000 hours	
<p>Sheet linear Scales:- These should rarely need replacing as long as the machine is kept in a dust free environment and original ink is used. (third party solvents attack them and dust scratches them) Clean your machine and if in a dusty environment use a clean air unit and clean more regularly and cover when not in use</p>				
	SHEET,LINEAR SCALE SP-300	R 1,298.85		
	SHEET,LINEAR SCALE RS,VP,VS (540 size)	R 1,554.75		
	SHEET,LINEAR SCALE RE,RS,SP,VS,XC,XJ (640 size)	R 1,606.36
