Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in July of 1992 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Authorization to classify property which is uneconomical to upgrade or repair as surplus per Florida Statute 274.05 to enable appropriate and authorized disposition of said property and authorization to thereafter dispose of such property.

Adoption of Resolution, R-15-185, authorizing donation to United Community Centers.

Adoption of Resolution, R-15-191, authorizing donation to Children's Guardian Fund.

Enabling/Regulating Authority

Policy Determination: Florida Statute 274.05 - Classification of property as surplus property.

Background Discussion

- Appropriate memorandum and excess lists were sent to all Department Directors via the iNet.
- Each of the computers listed on the surplus list have been examined by Information Technology Department staff. Based on information available, all are missing key components, i.e., Windows Operating System, hard drives, memory, RAM, etc., which make them unusable; or it was determined that it is uneconomical to make them capable of handling the current version of the Windows Operating System or other software.
- Surplus radios listed have been approved by the Public Safety Radio Shop for disposal.
- Equipment sold at auction generates revenue for the County general fund, and a percentage of generated revenue to Public Works for administrative fees.
