Dear Sisters & Brothers in Christ,

Happy World Day of Grandparents and the Elderly!

Tomorrow, July 26, is the Feast of Saint Anne & Saint Joachim, parents of Blessed Virgin Mary, and grandparents of Jesus. Pope Francis decided a couple months ago to institute a Church-wide celebration called World Day for Grandparents and the Elderly. Starting this year, it will be celebrated on the fourth Sunday of July, close to the liturgical memorial of Saints Joachim and Anne.

When Pope Francis announced it, near the feast of the Presentation of the Lord, he said: "the Holy Spirit even today stirs up thoughts and words of wisdom in the elderly." The voice of the elderly "is precious," he said, "because it sings the praises of God and preserves the roots of the peoples."

In the Old Testament, the elderly were an icon of wisdom; those who in perspective of many years see things more clearly. Elderly had the privilege to talk first at gatherings and councils. We can learn a lot from them. Today, as well, the elderly, remind us that old age is a gift and that grandparents are the link between the different generations, to pass on to the young the experiences of life.

Many times, grandparents introduce grandchildren into the life of faith. They have more time and less life concerns, they know faith can carry us throughout life. Who is not delighted in listening to life stories from the older generation? And many times, the older generation sees in the young the fulfilment of their dreams and also dreams along with the young.

The connection between generations is a passing of the spiritual and human wealth. It reminds us that no one is saved alone. We are a People of God also in the span across generations.

The treasure of grandparents and elderly also needs our cultivation and our care. During the pandemic time they were the most affected in terms of health conditions and of spiritual isolation. At our parish we restored the activity of the Ministry of Care, we are planning regular meetings of the Friendship Club, and have on schedule a Mass with the Sacrament of Anointing by the end of September.

In fact, the elderly are trees that always bear fruit and are people who continue to dream. At our parish there are many who dream to have everything shining and put in harmony. For years, the Saint Martha Ministry took care of the books in the pews so they would be in the right order, ensured there was clean Holy Water in fonts, shined the glass doors because after weekend Masses there is always something to straighten up and some fingermarks to wash off, and dusted the statues. Now, we are restoring the activity of the Martha Ministry on Monday mornings, right after morning Mass. If any of you could help, please come and join. The feast of Saint Martha is Thursday, July 29. Happy Saint Patron Day to all who were, who are, and who are to join the Martha Ministry!

May God bless you,

Father Andrew

Lord Jesus, you speak to us today, as you spoke to holy men and women who have gone before us. In every age and in our own time, you call to us and say: Renew My Church.

- Pour out the gift of your Holy Spirit upon us, and so enable us
- to hear you clearly
  - to listen to each other attentively
  - to imagine our future boldly
  - to discern your direction wisely
  - to persevere in your holy will courageously
  - to stay together in charity
  - to surrender our own plans readily
  - to embrace the greater good
  - to hand on your gifts to future generations.

May we remain in the holy company of the Blessed Virgin Mary, the apostles and all the saints. May their example and presence inspire us with patient confidence in the work of your grace. We ask this of you who live and reign with the Father in the unity of the Holy Spirit, God, forever and ever. Amen

### Today is the first World Day for Grandparents and the Elderly!

“It is important for grandparents to meet their grandchildren and for grandchildren to meet their grandparents, because — as the prophet Joel says — grandparents, before their grandchildren, will dream, and have illusions [great desires], and young people, taking strength from their grandparents, will go forward and prophesy.” – Pope Francis, January 31, 2021

### Natural Family Planning Awareness Week

July 25–31, 2021

“To have ... To hold ... To honor, Natural Family Planning, Supporting God’s gifts of love and life in marriage” is the theme of this year’s National Natural Family Planning Awareness Week, an educational campaign of the United States Conference of Catholic Bishops (USCCB) to celebrate God’s vision for marriage and promote the methods of Natural Family Planning.

Natural Family Planning (NFP) is a general title for ethical, natural, safe and effective methods for both achieving and avoiding pregnancy in marriage. NFP methods teach couples how to observe and interpret the wife’s signs of fertility and infertility. In the words of the Catechism of the Catholic Church, NFP methods “respect the bodies of the spouses, encourage tenderness between them and favor the education of an authentic freedom.” (CCC, no. 2370)

The Catholic Church invites all the faithful to embrace God’s plan for married love. Learn more about these beautiful teachings which support the use of NFP in marriage at [usccb.org/topics/natural-family-planning/church-teaching](https://usccb.org/topics/natural-family-planning/church-teaching).
