About this Register

This Register of Proceedings is created in accordance with s 155 of the State Administrative Tribunal Act 2004 (WA). It provides a list of proceedings lodged at the State Administrative Tribunal ('SAT') since it began operating.

The proceedings are grouped by the different categories of SAT proceedings:

- Commercial & Civil
- Development & Resources
- Vocational Regulation
- SAT Stream

Proceedings falling under the 'Human Rights' category are excluded from the Register. This is due to non-publication requirements in our enabling legislation. SAT cannot disclose information that would allow the parties to these matters to be identified. Anonymised statistics on the volume and types of Human Rights proceedings are available in the SAT Annual Reports.

Commercial tenancy lease amendment proceedings are also excluded from this register. A separate register has been published for these proceedings to allow for additional specific information. The separate register includes applications under sections 13(7), 13(7b) and 14(A(3)) of the Commercial Tenancy (Retail Shops) Agreements Act 1985 (WA).

For more information on the types of proceedings at SAT and our enabling legislation, please refer to our website: www.sat.justice.wa.gov.au and go to About SAT.
