

## Registration Instructions for Unemployment Insurance (UI) RES Participants

# **New users** (never used JobNet or Job Center of Wisconsin before) – go to step 1. on page 4.

## **Returning Users** (used JobNet or Job Center of Wisconsin before) – start here:

Please go to https://jobcenterofwisconsin.com/ui

- If you already have a Job Center of Wisconsin Username and Password, login in the Secure Login area.
- If you think you may have a Job Center of Wisconsin Username and Password, even if you created them years ago, try to remember what your Username and Password may be. If you think you remember them, try logging in.

• When you click on the Login! Button, you will go to the My JCW page where you can view your status on the Dashboard.

The Dashboard on My JCW is the place to check and see if you have completed all of the required items. In this example, as an Unemployment Insurance (UI) Re-employment Services (RES) participant, the customer has completed two of the four requirements – she has created an account and she has registered. She has not yet **completed** a résumé/work application nor a Self-Assessment Survey.

You can check the My JCW page anytime. Simply login with your username and password and choose **My JCW** from the Job Seeker Tools menu.

As a returning user, assuming you were able to login with your username and password, you may have some or all items completed (green checkmarks  $\checkmark$ ).

 If you have a red X under 'Register for services', click on the <u>Register for Services /</u> <u>Update</u> link (instructions begin on page 8). After you register, Job Center of Wisconsin will automatically take you through the steps to complete a Self-Assessment Survey (instructions begin on page 16) and a Résumé/Work Application (instructions begin on page 18).

Create an account.	Register for services.	Complete a résumé or work application.	Fill out a Self- Assesment Survey
You have created an account. All job seeker customers must complete this step.	You have NOT yet fully registered with Job Service. All job seeker customers must complete this step. <u>Register for Services / Update</u> Why we need your Social Security	You have NOT yet completed a Résumé or Work Application. Encouraged for all customers. Required for Unemployment Insurance ( <u>UI</u> ) and Re -employment Services ( <u>RES</u> ) customers. Résumé or Work	You have NOT yet filled out and saved a Self -Assessment Survey. Encouraged for all customers. Required for all Re-employment Services (RES) customers. Self-Assesment Survey

 If you have a red X under 'Complete a Résumé or Work Application' and/or 'Fill out a Self-Assessment Survey', click on the link for either one. It doesn't matter which one you do first, but you do need to do *both* to meet the requirements for UI RES.

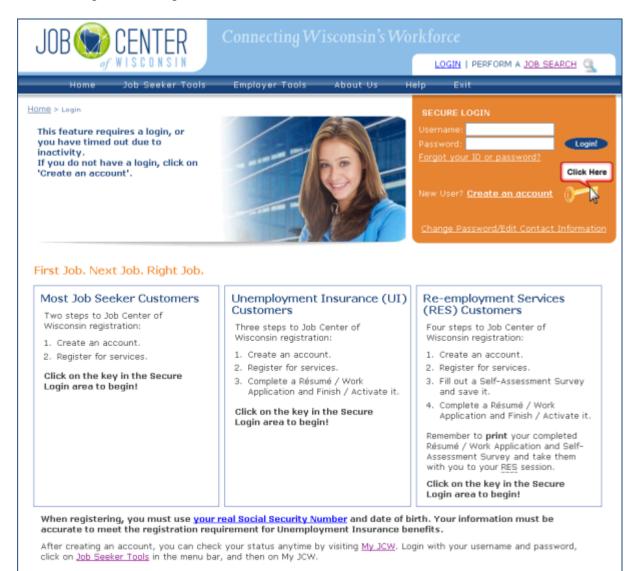

- Instructions for completing a Résumé/Work Application begin on page 18.
- Instructions for filling out a Self-Assessment Survey begin on page 16.
- As a UI RES participant, you must have a green check mark ✓ for 'Create an account', 'Register for services', 'Complete a résumé or work application' and 'Fill out a Self-Assessment Survey'.

#### Requesting a DWD/Wisconsin User Name and Password

You will need to provide a minimal amount of user information to enable DWD to create a DWD/Wisconsin User Name for you. DWD is required by state and federal law to keep user information you provide confidential. Please see the User Acceptance Agreement for additional information. **NOTE:** An account not accessed within the past 26 months will be considered dormant and may be deleted without warning, following security best practices. If you need an account after the original is deleted, you will need to register for a new account and request the required access authorization.
