

REIMAGINE SCENTSY

FALL/WINTER 2015

FALL/WINTER 2015

For over a decade, Scentsy's wickless warmers and wax have led the way in providing safe sensory experiences full of happiness, joy and great memories. I am very proud of our designers, who continue to elevate the quality and beauty of our iconic warmers and fragrant wax. This fall is the best lineup ever.

But we can't stop with warmers and wax. This season, we reimagined our Scentsy product offering to enhance your sensory experience in delightful ways. The home office has been bursting with excitement over the introduction of the Scentsy Diffuser and 21 different Essential Oils, Essential Oil Blends and 100% Natural Oils to provide the best fragrance experience for you and your family.

The Scentsy Diffuser is world class. It is a signature home décor piece that would complement even the finest of homes. It is also the world's most advanced ultrasonic diffuser. With interchangeable decorative shades, 16 lighting options and three mist settings, it elevates your fragrance experience into a truly personal sensory experience. But we haven't stopped there.

On the fun side, we have paid particular attention to our youngest Scentsy fans with a new Kids line. Fragrant Buddy Clips, Scrubby Buddies and Bath Smoothie hair and body wash will allow kids of all ages to define their own sensory experience.

Prepare yourself for all of the new sensory adventures coming this season. It is going to be amazing!
