Shangri-La® Sheer Horizontal Shadings with Simplicity Rechargeable Motorization

Simplicity Rechargeable Motorization offers a variety of benefits:

EASY OPERATION

Raise, lower and tilt your shades with the touch of a button. No more fiddling with cords or manually adjusting each shade to your favorite position. The tedious task of operating a group of coverings is now simplified. Simplicity Rechargeable Motorization is the ideal solution for hard to reach or oversized windows.

CHILD SAFETY

The cordless design reduces potential child and pet safety hazards.

PRIVACY AND LIGHT CONTROL

By pushing a button, shades can be opened or closed on demand to provide privacy and light control when needed.

AFFORDABILITY

Simplicity Rechargeable Motorization is an affordable option to control your shades without any operating cords. No need to constantly have to replace your batteries; rechargeable batteries save you time and money!

QUALITY AND RELIABILITY

Simplicity motors are backed by a 5 year warranty along with a Comfortex Limited Lifetime Warranty for the shade.

HASSLE-FREE INSTALLATION

The rechargeable battery is integrated into the headrail, making it as easy to install as a standard shade.

POWERTOUCH™ WAND

PowerTouch Rechargeable Motorized Shades are the perfect battery powered option for the budget savvy consumer. The wand and pendant operation lifts and lowers the shade with the touch of a button.

WAND & PENDANT

The newly redesigned wand has a sleek, contemporary design and is available in white or black. The wand has a convenient access port to recharge the battery pack.

OPERATION

To operate your shade, simply press the up or down button. The shade automatically stops when it reaches the upper or lower limit set by the factory.

STOP/FAVORITES BUTTON

With the new stop/favorites button, go directly to your pre-set favorite position!

SIMPLICITY REMOTE CONTROL

Simplicity Rechargeable Motorized Shades with remote control use radio frequency transmission to operate the shade. Radio frequency motorization is excellent for any space with large windows, multiple windows, or for the simple convenience and child-safe method of operating shades.

SIMPLICITY 5 CHANNEL REMOTE

The Simplicity Remote features 5 individual frequency channels and an "All" channel that operates all the shades at once. The Simplicity 5 Channel Remote is available in white or black.

SIMPLICITY 6 CHANNEL TIMER REMOTE

The 6 Channel (6C) Timer Remote combines the functionality of a hand-held control with the convenience of a programmable timer. The 6C remote allows for up to 18 scheduled actions. The remote comes with a holder which can be mounted to a wall for easy access. The 6C remote is available in white.

WHY RECHARGEABLE?

No need to ever replace your batteries! Keep your shades powered with the **rechargeable battery option** for remote control motorization. Rechargeable motorization... Lessen your impact on the environment while saving money!

MORE ENVIRONMENTALLY FRIENDLY

Rechargeable batteries have a considerably smaller impact on the environment than disposable batteries when comparing serviceable life.

LONG LASTING CHARGE

Simplicity Rechargeable Shades can be operated for up to one full year on a single charge. And, you can recharge the batteries up to 500 times!

Cellular Shades with PowerTouch™ Rechargeable Motorization

SAVE MONEY

No need to replace expensive disposable batteries over and over again. Rechargeable batteries last for many years.

STYLE

The rechargeable battery stays out of sight inside the headrail.

EASY INSTALLATION

The integrated battery pack has been designed for quick and easy installation. No wiring necessary. All motors are pre-programmed at the factory.

EASY MAINTENANCE

When the motors show signs of slowing, simply plug the charger into the charging port on the shade and plug into a standard household outlet to recharge overnight.

LIMITED LIFETIME & 5 YEAR WARRANTY

Our commitment to quality, as with all Comfortex Window Fashions, is extended to all Comfortex products in the form of a limited lifetime warranty. Our limited lifetime warranty is extended exclusively to the original purchaser of the product. Comfortex limits this warranty to covering materials and workmanship. Comfortex will not cover damages caused by accidents, misuse or failure due to the improper installation or application of the product. Comfortex offers a 5 year warranty on all Simplicity motors and controls to be free from defects in material and workmanship under normal and proper use.

OUR COMMITMENT TO SAFETY

A pioneer in cordless window design, Comfortex Window Fashions is committed to child safety. We offer the most reliable and innovative cordless solutions for your home. In addition to the cordless hardware options, every Comfortex shade and blind has components specifically engineered to limit the dangers posed by dangling pull cords. Comfortex includes instructions on how to properly install these devices and encourages all customers to use them in the home. Comfortex recommends cordless hardware operating systems for all homes with children and pets.

OUR COMMITMENT TO THE ENVIRONMENT

Comfortex strives to be environmentally responsible through the use of responsible materials, sustainable manufacturing and employing energy efficient methods. With each day and each new product we develop, we will look at the overall impact on the environment which we and successive generations all share.
