

RUSSIA

After a stunning start Valtteri Bottas never looked back to take his first ever grand prix win at the Sochi Circuit.

In FF1 only one joker played again so it was no surprise to see Martin Baldwin topping the table with his Max Power on an excellent 594 points, nice one Martin..

In second on 337 points is Lewis Whiting and his Return Of Vettel followed by Harry Vickers' HVK in third on 335 points and look like they are up for the fight this season.

In fourth it's my Doin The Leicester City (last season not this season) on 319 points and in fifth just behind me it's Ralpho and his Wrecks on 318 points..

SPAIN

An upgraded Mercedes and some clever team work handed Lewis a needed win over Vettel at the Spanish Grand Prix, but it was a little child in a Ferrari outfit who stole all the news after crying his eyes out after Kimi crashed on the first corner, he must be playing FF1 as well....

In FF1 only one joker was played but it was a complete surprise to see that Satyan Fakey's 2020 Porsche F1 were nowhere to be seen, in fact it was FF1 old boy Andrew Lee and his Ridgeway Racing that took the win with a fantastic 454 points, I can't

remember the last time Andy won a race its been that long ago...

There was a tie for second between Richard Warren's Wizards and Wombats and my The Roaring Forties both scoring 431 points.

There's a three way tie for fourth place with Lewis Whiting's Adrian Newbie Racing , Philip Wilson's Willys Prix XVII and Lee Barker's Dc Du Namatics both on 428 points.

LEAGUE

A quarter of the way through the season and Russian GP winner Martin Baldwin now leads the league. Martin's Max Power are on 1898 points only 18 points ahead of Philips Wilson's Willys Prix XVII on 1881 points.

Moving upto third it's David Brudenell's Benidorm Racing on 1790 points just ahead of Harry Vickers' HVK who are on 1779 points

Completing the top five it's Anne Whitehead and her Stitches on 1736 points.

Down at the other end of the table Marc Holbrough is still last with FFONE17 on only 412 points but now it's Pete Lane and his Potato Farm slipping to next to last on 621 points, looks like they've had their chips... sorry couldn't help it....
