1.1 BACKGROUND

New Jersey City University (NJCU), located in the City of Jersey City, is one of the nine state colleges and Universities in New Jersey. The University opened its doors as the New Jersey Normal School of Jersey City on September 12, 1929, with 331 students and one building on campus, Hepburn Hall. Eighty years later, more than 8,000 degree-seeking students enjoy the fifty-two acre campus, which now features fourteen buildings. The mission of New Jersey City University is to provide a diverse population with an excellent university education. The University is committed to the improvement of the educational, intellectual, cultural, socioeconomic, and physical environment of the surrounding urban region and beyond. Through implementation of its mission, New Jersey City University has realized its vision of becoming a nationally recognized leader in urban public higher education. New Jersey City University is committed to its urban mission by: sustaining, celebrating, and promoting academically an understanding of community diversity; tapping the rich resources of the urban setting and cultures for the benefit of its learners; and employing its knowledge resources, via faculty and students and with partner organization, to identify and solve urban challenges.

NJCU is also creating a 21-acre University Place Development, which will blend academic buildings, recreational facilities, and mixed-use residential, retail, and commercial space with landscaped public areas and walkways. In expanding its campus, NJCU expects to create an urban village that will enrich the surrounding neighborhood and will encourage its neighbors to enjoy the shops, theatre and performing arts programs, cafes, and public outdoor spaces that are part of the plan. The site is bordered by Route 440, West Side Avenue, Carbon Place and the Home Depot Property. Construction began in 2012 with the development of the infrastructure, including placement of sewer lines, utilities and streets. The final stage, the construction of buildings, will be handled in phases.

1.2 PURPOSE AND INTENT

Every Proposer requesting an interpretation of this RFP will be responsible for delivering such requests to the University in writing and within the time limit set forth in Section 1.3

The University considers any information which it may have released either orally or in writing prior to the issuance of this RFP to be preliminary in nature and the University shall not be bound by such information.

1.4.4 PRICE ALTERATION

A bidder may request that its bid proposal be withdrawn prior to bid opening. Such a request must be made, in writing, to the Assistant Vice President of Business Services. If the request is granted, the bidder may submit a revised bid proposal as long as the revised bid proposal is received prior to the announced date and time for the opening of the bid proposals and at the place specified.

If, after the opening of bid proposals but before contract award, a bidder discovers an error in its bid proposal, the bidder may make written request to the Assistant Vice President of Business Services for authorization to withdraw its bid proposal from consideration for award. Evidence of the bidder’s good faith in making this

request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the bid proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the University will not be significantly prejudiced by granting the withdrawal of the bid proposal.

If, during the evaluation of bid proposals received, an obvious pricing error made by a potential contract awardee is found, the University's Contract Administrator shall issue written notice to the bidder. If the bidder fails to respond, its bid proposal shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid proposal, the Contract Administrator may seek clarification from the bidder to ascertain the true intent of the bid proposal.

6.3 TERMS GOVERNING ALL PROPOSALS TO NEW JERSEY CITY UNIVERSITY
(Unless Otherwise Specified in Bid Specifications)

6.3.1 VENDOR RIGHT TO PROTEST-INTENT TO AWARD – Within sixty (60) days of a bid opening, the University shall provide to all bidders a copy of a "Notice of Intent to Award a Contract;" and shall notify any nonresponsive/non-responsible bidder of the basis for disqualification, unless, within the sixty (60) day period, the University requests that bidders agree to permit the bids to be held for a longer time period for consideration pending issuance of a "Notice of Intent to Award."

Any bidder, having submitted a proposal in response to this RFP and finding cause to protest the University's disqualification of a bid, or notice of intent to award, may make written request to the Director of the Procurement Department setting forth, in detail, the specific grounds for challenging the disqualification of its bid or for challenging the University's intent to award the Contract, as applicable. The protest shall be filed within five (5) business days following the bidder's receipt of written notification that its bid is disqualified or of notice of the intent to award, as applicable.

The University shall consider the written record when deciding a bid protest. The written record may include, but is not limited to, the written protest, any written response to the protest submitted by the lowest responsible bidder, the terms, conditions and requirements of the RFP, the proposals submitted in response to the RFP, the evaluation committee report and/or the award recommendation document,

pertinent administrative rules, statutes, and case law, and any associated documentation the University deems appropriate. In cases where no in-person presentation is deemed necessary, the University shall afford the protester and other interested parties a fair opportunity to submit written statements and documents supporting the facts and the legal arguments relevant to the bid protest.

The University has the discretion to determine if an in-person presentation is necessary to reach an informed decision on the issues raised by the protester. An in-person presentation is a fact-finding hearing for the benefit of the University. The University has the discretion to permit attendance at an in-person presentation by those parties likely to be affected by the outcome of the protest. The in-person presentation shall be recorded electronically by the University and the electronic recording shall be available for public access as a “government record” under OPRA.

In those instances where the University determines that an in-person presentation is necessary to reach an informed decision on the issues raised by the protester, the University shall provide written notification to the bid protest participants along with the date of the in-person presentation. Any bidder who intends to be represented by an attorney at an in-person presentation must notify the Director of the Procurement Department no later than two days following receipt of notification of the scheduling of an in-person presentation to give the University an opportunity to have counsel from the Attorney General’s Office, Division of Law, attend in person or by telephone. If advance notification is not provided, the University may limit the bidder’s attorney to advising and assisting the bidder by submitting questions to be asked of other participants/witnesses at the discretion of the University’s presiding officer. The in-person presentation will not be rescheduled in this situation. The University reserves the right to waive any immaterial defects in the bid or the bidding process.

Following the close of the record in the bid protest (for determinations based only upon the written record, the record shall be deemed closed at the end of the business day, five days following the bidder receipt of the “Notice of Intent to Award”; for determinations following an in-person presentation the record shall be deemed closed at the close of the in-person presentation unless or as directed by the presiding officer, whichever is later) the University Contracting Officer shall issue a written decision including findings of fact and conclusions and shall provide copies of the bid protest decision to all participants in the bid protest. The bid protest decision is a final decision of the “Contracting agent”, as that term is defined in the State College Contracts Law, N.J.S.A.18A:64-53(b). Notice of award of the Contract following a bid protest decision shall be provided to all bidders, and shall be appealable to the Superior Court of New Jersey, Appellate Division.

6.3.2 SUBCONTRACTING OR ASSIGNMENT – The contract may not be subcontracted or assigned by the contractor, in whole or in part, without the prior written consent

of the University. Such consent, if granted, shall not relieve the contractor of any of his/her responsibilities under the contract.

In the event that the bidder proposes to subcontract for the services to be performed under the terms of the contract award, a list of said subcontractors and an itemization of the services to be supplied by them must be stated and attached to the bid for approval.

Nothing contained in the specifications shall be construed as creating any contractual relationship between any subcontractor and the University.

6.3.3 PERFORMANCE GUARANTEE OR BIDDER – The bidder hereby certifies that: The equipment offered is standard new equipment, as is the manufacturer's latest model in production, with parts regularly used for the type of equipment substituted or applied contrary to manufacturer's recommendations and standard practice.

All equipment supplied to the University and operated by electrical current is UL approved.

All new machines are to guarantee for a period of one year from time of delivery and/or installation and prompt service rendered without charge regardless of geographic location.

Sufficient quantities of parts necessary for proper service to equipment will be maintained to distribution points and service headquarters.

Trained mechanics are regularly employed to make necessary repairs to equipment in the territory from which the service request may originate within a 48 hour period or within the time accepted as industry practice.

The contractor shall immediately replace any material which is rejected for failure to meet the requirements of the University.

All services rendered to the University shall be performed in strict and full accordance with the specifications as agreed to in the contract. A service contract shall not be considered complete until final approval by the University is rendered. Payment to vendors for services rendered may not be made until final University approval is given.

6.3.4 DELIVERY GUARANTEES – Deliveries shall be made at the time and in such quantities as ordered in strict accordance with conditions contained in proposal.

The vendor shall be responsible for the delivery of material in first class condition to the University or the purchaser under this contract, and in accordance with good commercial practice.

Items delivered must be strictly in accordance with bid specifications.

In the event delivery of goods or services is not made within the number of days stipulated or under the schedule defined in the specifications, the University may be authorized to obtain the material or service from any available source, the difference in price, if any, to be paid by the contractor failing to meet his commitments.

- 6.3.5 LIQUIDATED DAMAGES** – In the event that the Contractor shall fail to comply with any of the conditions herein provided and as covered by the contract, the Director of Purchasing shall notify the Contractor of such failure or default and demand that the same be remedied within five (5) days. In the event of the failure of the Contractor to remedy the same within this period, the Director of Purchasing may take steps to terminate the contract. In this event, the Director may authorize the services to be performed by any available means, the difference between the actual cost paid and the bid of the defaulting Contractor to be deducted from any monies due the defaulting Contractor.

The Contractor will not be liable for circumstances beyond its control. However, any substantial or continuing failure to fully perform any or all of the services herein agreed to be performed by the Contractor, or any event, regardless of cause, which results in a substantial interruption of service, shall entitle New Jersey City University to terminate this Agreement as for cause. However, any right of termination which will arise from any cause beyond the Contractor's reasonable control, or which the Contractor could not reasonably have anticipated or avoided, may be exercised by New Jersey City University with agreed upon payment of termination charges.

- 6.3.6 UNIVERSITY'S RIGHT TO INSPECT BIDDER'S FACILITIES** – The University reserves the right to inspect the bidder's establishment before making an award.

- 6.3.7 MAINTENANCE OF RECORDS** – The contractor shall maintain records for products and/or services delivered against the contract for a period of three (3) years from the date of final payment. Such records shall be made available to the University upon request.

- 6.3.8 CONFIDENTIALITY CLAUSE** – The University and the Contractor agree as part of this award each party shall, and shall cause its personnel, officers, agents, and representatives, to hold and deal with in strict confidence the other party's confidential information. NJCU's confidential information includes all matters relating to its business, including, but not limited to, materials and data that have

been disclosed by NJCU to the Contractor and that are not publicly available at the time they are disclosed to Contractor, more specifically, including but not limited to, any and all technical and commercial information, market plans, strategy, personnel data (including, but not limited to census, salary and benefits information), benefits programs, tax filings, any information relating to the drafting of benefit plans, computer programs relating to the above described items, and new products (collectively hereinafter referred to as “Confidential Information”).

Contractor's confidential information includes all Contractor's Know-how, Work Product, Deliverables, pricing structures, and other business strategies, and all other matters that the Contractor deems confidential. These confidentiality obligations shall not apply to any information that is now or becomes publicly available other than by a breach of the terms of this Agreement, was known by a party prior to its receipt from the other party, is developed by the recipient independently of any disclosures previously made under this Agreement of such information, or is required to be disclosed by legal process. Except in connection with the performance of services contemplated herein, the Contractor shall not use any trademark or service mark of NJCU or of any parent, subsidiary, or affiliate of NJCU in any published form, literature, or other documents without the express written consent of Client or its affiliates. The Contractor shall not give any press release or press interview on any matter pertaining to NJCU without first obtaining the written consent of NJCU. The Contractor may include NJCU's name on its NJCU list provided to third parties.

The Contractor agrees to hold in trust and confidence all information obtained directly or indirectly in or through the files or records of the University, or disclosed in connection with this Agreement, and to disclose and utilize such information only in connection with and to the extent necessary for the accomplishment of the work required hereunder; provided, however, the Contractor shall not disclose any such information to a third party without the prior written consent of the Contracting Officer or his duly authorized representative.

6.4 TERM RELATING TO PRICE QUOTATION

6.4.1 PRICE FLUCTUATIONS DURING CONTRACT – All prices quoted shall be firm and not subject to increase during the period of contract.

In the event of a manufacturer's price decrease during the contract period, the University shall receive the full benefit of such price reduction of any undelivered purchase order and on any subsequent order placed during the contract period. The University must be notified in writing of any price reduction with five (5) days of the effective date.

6.4.2 DELIVERY COSTS – Unless noted otherwise in the specifications all prices for items in bid proposals are to be submitted F.O.B. Destination. Proposals submitted

other than F.O.B. Destination may not be considered. Regardless of the method of quoting shipment, the vendors shall assume all liability and responsibility for the delivery of merchandise in good condition to the University of designated purchaser unless otherwise specified.

F.O.B. Destination does not cover “spotting” but does not include delivery on the receiving platform of the University unless otherwise specified. No additional charges will be allowed for any transportation costs resulting from partial shipment made at vendors’ convenience when a single shipment is ordered. The weights and measures of the University receiving the shipment shall govern.

6.4.3 **COD TERMS** – Unless otherwise stated in the RFP, C.O.D. terms are not acceptable as part of a bid proposal, and are cause for automatic rejection of a bid.

6.4.4 **TAX CHARGES** – New Jersey City University is exempt from N.J. Sales, Use Tax and Local Taxes under N.J.S.A. 54:32B-9(a)(1). As a non-profit institution, the University is exempt from Federal Excise Tax. These taxes must not be included in vendor quotations or invoices.

6.4.5 **PAYMENT TO VENDORS** – Payments for goods and/or services purchased by the University will only be made against the contractor’s invoice. The contractor’s invoice form in duplicate together with the original Bill of Lading receipt and other related papers must be sent to the consignee on the date of each delivery.

6.5 **CASH DISCOUNTS**

Cash discounts for periods of less than 15 days will not be considered as factors in the award of contracts for purposes of determining the University’s compliance with any discount offered.

6.5.1 A discount period shall commence on the day the University receives a properly signed and executed Contractor’s invoice form for products and services that have been duly accepted by the University in accordance with the terms, conditions and specifications of the Contract/Purchase Order. If the invoice is received prior to delivery of the goods and services, the discount period begins with the acceptance of the goods or services.

6.5.2 The date on the check issued by the University in payment of that invoice shall be deemed the date of the University response to that invoice.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
