## Overview of Request

The Columbus and Franklin County Metro Parks (“Metro Parks”) issues this Request for Statement of Qualifications (SOQ) to establish a list of Architectural, Landscape Architectural & Engineering firms (including civil, mechanical, electrical, architectural, landscape architectural, environmental, & surveying) to be used for future projects. Metro Parks may select a single design professional or firm for any project with an estimated professional design fee of less than fifty thousand dollars (\$50,000), as provided under ORC 153.71 Administrative Rules. The Metro Parks shall determine that the selected design professional or firm is the most qualified to provide the required professional design services.

Many of these projects take place within a natural resource setting in which every effort is made to integrate capital improvement projects into the natural landscape, to protect sensitive areas, and to minimize impacts to high quality natural areas and wildlife habitat. The specific future projects may require professional architectural and engineering services for feasible studies, design and architectural / engineering contract documents, permitting, surveying, cost estimating, construction observation, and other services (including civil, mechanical, electrical, architectural, environmental, & landscape architectural work). Projects will vary in scope and may include, but are not limited to:

- ❖ building renovation and restoration
- ❖ historic building evaluation and restoration
- ❖ roof renovation projects
- ❖ HVAC upgrades
- ❖ multi-purpose trails, gravel / asphalt
- ❖ new roads and parking lots
- ❖ repaving of roads and parking lots
- ❖ bridge repair or installation
- ❖ bridge inspections
- ❖ trail underpasses
- ❖ playgrounds, fishing and boating amenities
- ❖ lake and river shoreline restoration and erosion protection
- ❖ hydrological and drain tile studies
- ❖ site infrastructure projects: storm/sanitary sewer, septic systems, wells
- ❖ sanitary treatment facilities
- ❖ wetland delineation and consultation
- ❖ riparian stream bank restoration
- ❖ ecological and hydrologic restoration
- ❖ adventure recreation activities
- ❖ site master plans
- ❖ environmental services
- ❖ geotechnical services
- ❖ GIS, data processing and AutoCAD services

### **Review and Award**

#### **Terms of Statement of Qualifications**

Metro Parks reserves the right to award single or multiple contracts for specific services. Metro Parks will request firms resubmit an updated Statement of Qualifications every two (2) years.

Contracts may be awarded for a period of one (1) year with an option to extend for two (2) additional years, in the best interest of Metro Parks and agreed upon by the contracted firm. The contract shall be subject to cancellation for cause or inconvenience with written notice prior to the date of cancellation at the sole discretion of Metro Parks.

#### **ORC 153.65 Professional design services definitions**

“Qualifications” means all of the following:

- Competence of the professional design firm to perform the required professional design services as indicated by the technical training, education, and experience of the firm’s personnel, especially the technical training, education, and experience of the employees within the firm who would be assigned to perform the services;
- Ability of the firm in terms of its workload and the availability of qualified personnel, equipment, and facilities to perform the required professional design services competently and expeditiously;
- Past performance of the firm as reflected by the evaluations of previous clients with respect to such factors as control of costs, quality of work, and meeting of deadlines;
- Any other relevant factors as determined by the public authority.
