CITY MUGS

Vintage City Mugs

YOUR CITY - YOUR MUG

Our beloved Könitz city mugs are now available in stylish vintage designs customised to suit you! Tell us your ideas of your city's most loved sights as well as city name, tourist attractions, some unique sights or famous people and we will create your perfect city mug. Even better - It's all yours from 100 pcs! Promote your city the stylish way!

How it works:

Select a maximum of 10 words, e.g. city name and/or its sights. These will be transcribed onto the mug as shown below, using the most important words (e.g. the city's name) several times.

CUSTOM DESIGN

Our goal is to create your perfect mug. It is for this reason we are globally known as "The Mug Makers". At a minimum order quantity of 500 the only limit is your imagination! Created from high quality porcelain, with German decor.

Shape your idea!

Create your own masterpiece! As well as our own mugs there is always the possibility of creating your very own creation. All relevant info can be found in our Promotional Catalogue.
