Form 990, Part VI, Section B, line 15	<p>ee meets to establish performance goals for the President and CEO and to establish overall compensation philosophy for the coming year. In 2016, the total compensation package for the President and CEO no longer included an annual incentive based on achieving organization and individual objectives. Objectives are based on GuideStar's strategic plan. 3 The board has also set a goal that all GuideStar employees, including executives, receive market-competitive benefits. 4 For executives, a job description is reviewed each year and each GuideStar position is placed at a market-based salary point according to the competitive marketplace for that position and GuideStar's financial capacity. 5 To meet the "reasonable standard" of the IRS, GuideStar periodically hires an independent outside consultant to help determine as the IRS states "the value that would ordinarily be paid for like services by like enterprises under like circumstances." 6 During the course of the year, any change in compensation of the President and CEO is reviewed by the Chairman and approved by the Executive Committee. The President and CEO is responsible for annual performance reviews of all executive staff. 7 Base pay is reviewed based on cost of living, market place movement and GuideStar's financial status. The last compensation review was in September 2016.</p>
