“Earn £1 per month per GSM install”

Did you know using our optional Vodafone sims can earn you an ongoing revenue of £12 per year as long as the sim remains active?

- Call or email support@aesglobaltelecom.com to be sent sim cards and an information pack.
- The sign up process is easy. Go to www.aesglobaltelecom.com put in your sim number and installer code then pass onto your customer to fill in the payment details.
- We will pay you annually on receipt of an invoice.
- Make programming easier by using our 'Cellcom Prime programmer' app.
- We also have the 'Cellcom Prime' homeowner app to give your end user extra features.

Cellcom**Prime** Advanced GSM Intercom

- Calls your home phone and mobiles on roll-over when a visitor presses the call button.
- Never miss a call with mobile calling.
