You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

★ **Click-To-Bid.** This is Superior's online bidding platform for cattle buying. **Please note that high speed internet is required – this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the outlined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

★ **Viewing the Auction.** The sale will be broadcast via satellite on Dish Network channel 997. *Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.* The sale will also be broadcast live on the internet at both www.superiorlivestock.com or www.superiorclicktobid.com. The video feed on the homepage of www.superiorlivestock.com looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember you can call in to bid whether watching on the TV or on the internet, but you must have an approved account with www.superiorclicktobid.com to "click-to-bid."

IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.

REFERENCE SIRES

Our reference sire pages tell part of the story.

These are the Sires we are currently using that have influenced our sale offering.

Before them came many solid Sires purchased or raised with our cowherd, and yours, in mind.

Our cow herd is everything to us. It's where everything starts and where the fruit of our work, and of our selections, shows up. We ask a lot of our cows. That's why we will talk about our cows every bit as much as we do the cattle that we sell - they are what stands behind that Bull or Heifer you purchase and what makes them great. We are proud of our Dams of Distinction in our herd, and of those many DOD's we raised in years past.

Our customers demand length, performance, disposition, and ease of birth.

We select for eye appeal, carcass traits, performance, cow traits, disposition, calving ease, and are unforgiving when culling our cow herd.

Outstanding calves from this AI Sire. Exceptional EPD profile. They have the performance and look to be great. Top udder scores and top carcass scores in the Breed. The Sons are great. The females look to be even better!

Regarding our sale cattle footnotes:

We are extremely particular in our comments about our cows being designated as **Dams of Distinction**.

SOD = Sire of Distinction
CHB = Certified Hereford Beef
DOD = Dam of Distinction

The long box at the bottom of each Sale Lot shows the Dam's respective progeny records, or ratios, by percentage and by the number of calves they have raised. A 97 index on Yearling means they are below average for Yearling Weight within their contemporary group. A 102 index for Weaning indicates they are above average for Weaning Weight within their contemporary group.

Photos were taken on December 7 by Kristian Rennert.
Videos were filmed January 3-4 by Marc Hotchkiss, The Livestock Link.

Welcome!

We're proud and very glad that you made it.

2019 has had its rewards and challenges. Without standout Hereford cattle and tremendous customers here and afar, it would have seemed rather blah.

It is a time of renewal for both optimism and enthusiasm to energize our future, which is bright and encouraging.

We continually stress calving ease, growth, carcass and unforgiving demand on the ultimate cow herd to service your demand for the same progress.

We stand for and behind you in all your goals. Call us for your choices in all aspects of your decisions for herd improvement.

Sincerely,

the Ridder Family

Ear Tags

We score every bull in our production sale for Calving Ease and have placed this score on his ear tag, as well as in this catalog next to each animal's pedigree.

This is a tool to assist you in selecting for bulls to use on first service for your heifers.

And you can easily choose and remember these bulls at turnout time in subsequent years without referring to your catalog.

Here are examples of the 4 types of tags a Bull may have. Page 2 also has our Calving Ease explanation.
