THE GREAT RESET

TIME

“For decades, progressives have attempted to use climate change to justify liberal policy changes. But their latest attempt - a new proposal called the "Great Reset" - is the most ambitious and radical plan the world has seen in more than a generation..... *according to them* [here](#)

Prince Charles was right: The present pandemic is a "golden opportunity" for radical change. And if Al Gore, Prince Charles and the rest of the World Economic Forum can convince enough people that attempting to stop climate change is also worth dramatically pushing humanity toward greater government control, then radical - and catastrophic - change is exactly what we're going to get."

This is elitist all the way.....precursor of or first layer of a new order, its what they are demanding, planning and calling on. You must ask are these folks 'witting' or 'unwitting' in there embrace of an antichrist system? rd

Believers in Christ / allegiance to whom? What?

Matthew 6

²⁴ “No one can serve two masters. For either he will hate the one and love the other, or else he will hold to the one and despise the other. You cannot serve God and money.

Care and Anxiety

²⁵ “Therefore, I say to you, take no thought about your life, what you will eat, or what you will drink, nor about your body, what you will put on. Is not life more than food and the body than clothing? ²⁶ Look at the birds of the air, for they do not sow, nor do they reap, nor gather into barns. Yet your heavenly Father feeds

them. Are you not much better than they? ²⁷ Who among you by taking thought can add a cubit^[a] to his stature?

²⁸ “Why take thought about clothing? Consider the lilies of the field, how they grow: They neither work, nor do they spin. ²⁹ Yet I say to you that even Solomon in all his glory was not dressed like one of these. ³⁰ Therefore, if God so clothes the grass of the field, which today is here and tomorrow is thrown into the oven, will He not much more clothe you, O you of little faith? ³¹ Therefore, take no thought, saying, ‘What shall we eat?’ or ‘What shall we drink?’ or ‘What shall we wear?’ ³² (For the Gentiles seek after all these things.) For your heavenly Father knows that you have need of all these things. ³³ But seek first the kingdom of God and His righteousness, and all these things shall be given to you. ³⁴ Therefore, take no thought about tomorrow, for tomorrow will take thought about the things of itself. Sufficient to the day is the trouble thereof.

Intro-

Do citizens want to be empowered or do they want others to make those tough decisions for them? Applebaum posits that the 'authoritarianism predisposition' is not closed-mindedness as it is simple-mindedness. People are attracted to authoritarian ideas because they cannot be bothered with complexity. They dislike debates and divisiveness. Diversity of opinions and experiences make them angry. They seek solutions in new political language that makes them feel safer and more secure. To this end, such issues as immigration is a complexity, bickering between parties is noise they can do without, and the threat of losing their jobs to foreigners is a scary possibility. It matters little to them that most of these fears are imaginary. "The anger on cable news, headlines that clash, dullness of the bureaucracy and courts, have all combined to unnerve a population that prefers unity and homogeneity."

OSTRACIZING GOD IS WORSE

⁸ Let all the earth fear the LORD;
let all the inhabitants of the world stand in awe of Him.

⁹ For He spoke, and it was done;
He commanded, and it stood fast.

¹⁰ The LORD frustrates the counsel of the nations;
He restrains the purposes of the people.

¹¹ The counsel of the LORD stands forever,
the purposes of His heart to all generations.

¹² Blessed is the nation whose God is the LORD,
the people whom He has chosen as His inheritance.

¹³ The LORD looks from heaven;
He sees all the sons of men.

¹⁴ From the place of His habitation He gazes

on all the inhabitants of the earth;
¹⁵ He fashions their hearts alike;
He considers all their works. Ps 33

11. Open doors to the demonic ... gods and dark powers

As a citizen of the USA..... I have the right to worship God, put God first and seek to influence this nation toward God and His righteousness Matthew 6:33. As a citizen I don't want my nation and nations leaders to embrace positions, agendas and actions that spit in the face of God, destroy human life and open its doors to the satanic dark side. It is clear there is a spiritual battle and if anyone knows this..... you the Christian should. But if the church is weak, subnormal, compromised and powerless then whatgood is it? If the salt loses its power.....what good is it.

What you are

What you do

And How you do it.
