Dear Parents of Rising 9th Grade Band Students:

The Davie High School Band Boosters is a non-profit, volunteer organization of parents and county residents who support and promote the band programs at Davie High. The Davie County High School Band program has a long and wonderful tradition of excellence. The program your child is about to become a part of is more than 200 students strong who perform in Symphonic Band, Concert Band, Freshmen Band, Marching Band, Jazz Band and various small ensembles. For the 2009/2010 school year, we are looking forward to a fun, challenging and event-filled year of music!

As you can imagine, today's tough economic conditions make it difficult for the Davie High Band Boosters to meet the needs of the Davie High Band Program without help from people like you. Last year, through fundraising and generous donations, the boosters were able to continue to successfully support the band program which receives minimal funding from the county and state. Funds donated and raised by the boosters help purchase, maintain and repair marching band and classroom instruments, provide marching band uniform cleaning, pay registration fees for band festivals, marching band competitions and All District Band registrations, purchase sheet music, and pay for building rental for our band concerts. These are just a few of the ways the boosters provide financial support to the band programs.

We hope we can count on you for a monetary donation, no matter how small. When you make a donation, you will be listed as a donor on our website ([www.daviehighbands.com](http://www.daviehighbands.com)) and in each band concert program. You will also receive recognition in our newsletter "Booster Bits".

**The Davie High Band Boosters are a tax-exempt organization recognized through the IRS, so any donation you make is tax deductible!** Don't forget to submit a matching funds request if your company participates in a matching gift program. If you are interested in supporting us through a monetary donation, please complete the attached form.

Thank you, in advance, for your time and support of the Davie High Band Boosters and the band programs at Davie High. We are looking forward to a great 4 years together!

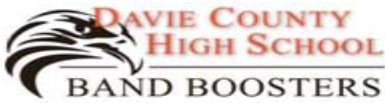

Best Wishes,
