## A word from the Chairman

In 1864, Fr John Joseph Therry bequeathed a generous gift which enabled the establishment of Saint Ignatius' College Riverview as we know it today. Since that time, it has grown from a 12-pupil boarding school to a 1,575 strong College, educating and developing boys to become 'men for others' who serve and lead their communities even outside these gates.

Much of this has been made possible due to the generosity of benefactors who have followed in the footsteps of Fr Therry – those generous souls who were able to see a vision of the future and appreciate the role that the College plays in developing the young men who will influence it for the good. This Riverview College Foundation Donor Annual Report records for posterity the names of those benefactors who have given generously to the College across the calendar year 2018.

It is because of people like you that we have seen the redevelopment of the Therry Building – an outstanding facility that enables the delivery of exceptional learning and teaching in an environment that inspires our teachers and prepares students to make meaningful contributions to the world around them.

It is also due to your generosity that 94 bursary students currently enjoy a world-class Jesuit education at Riverview that their families could not otherwise afford. The Riverview Bursary Program – one of the largest of its kind in the nation – enables young men of varying backgrounds to overcome geographic, economic and personal challenges to learn the skills to succeed and develop deep friendships that will help take them through life.

While Fr Therry died without seeing the fruit yielded from the seed he planted, we are fortunate to be able to experience the quality of the Therry Building, to celebrate the achievements of the boys in the Bursary Program, and to know that our gifts are bearing good seed in good soil. Saint Ignatius' College Riverview is good, well-tended soil, and I thank you for sowing your seed here.

It is with gratitude that I invite you to open these pages and celebrate all that the Riverview Foundation has been able to accomplish in the past year with your help and support.

With sincere thanks,

**JOHN WILCOX OAM (OR1975)**

*Dear Donor,*

The Bursary Program has changed my life. It has given me the opportunity of a greater education. But not only this – things that I could never have imagined were possible. I, like many, have had the chance to be accepted into the Riverview family. I have had an Ignatian education – one that challenges the head, the heart and the hands of an individual. Such a rich experience.

### Dear Donor,

Riverview left me with a sense of what was the right thing to do: to help someone who was less fortunate or had 'lost the way', to give without counting the cost and to never give in.

*Dear Donor,*

My experiences and stories are only a few of the thousands that exist in the memory of Riverview. Each has their own achievements and struggles and we are proud to wear them as a community. I was going to thank you, but I don't believe that truly captures what it means for someone like me to be given a chance like this. So I'm just going to smile, and I'm going to continue smiling because someone, somewhere, gave me a go.

### Dear Donor,

The Bursary Fund is much more than an investment of money; it is an investment of opportunities bestowed upon students. It provides the opportunity for young men to grow and strive to be men for others in an environment that would usually elude them.

### *Dear Donor,*

Riverview isn't like a second home. It is a second home. And as the Riverview Foundation published their book of Journeys, the Journey I would like to quote is "it's not about where you come from... it's about where we are going".
