Website	https://www.amazon.com/Witches-Tarot-ElLEN-Cannon-Reed/dp/0875426697
Retail	\$88.00
Notes	<ul style="list-style-type: none"> • Box is worn, cards are in good condition . • It follows the form of a traditional Tarot and is able to blend the Qabalistic Tree of Life with Pagan symbolism. The High Priestess stands proudly in the Goddess pose and wears a garter showing that she is indeed a high priestess of many covens. The High Priest shows an older but power-filled man holding an athame. Strength shows that this card represents spiritual—the lion is tamed by the woman's spirit and meekly licks her chin. The Devil loses its evil reputation and returns to his original form as he becomes "The Honed One," showing a couple staring in awe at the powerful and loving God crowned in the horns of a stag. The Minor Arcana is also fully illustrated. Each card features strong characters in rural settings, evoking a feeling of ancient mystery and Pagan spirituality.

Notes	<ul style="list-style-type: none"> • Softcover book • Large 8vo. xxvi + 330pp. Colour and b&w illustrations. Appendixes, index. • From the Publisher/Author: "Based upon 30 years of studying, reading and teaching tarot, more than 10,000 face-to-face readings and extensive research in the field, Marcus Katz successfully combines academic rigour with invaluable practical experience and breathtaking originality. Suitable for all tarot readers - from absolute beginners to experienced professionals - Tarosophy is written in three sections: <ul style="list-style-type: none"> ○ basic tarot in a new light for the beginning Tarosophist; ○ intermediate tarot in a magical light for the enquiring Tarosophist; ○ advanced tarot in a spiritual light for the progressive Tarosophist. <p>From terminology and technique, to reading and spreads, inner work and trees, Tarosophy encapsulates the wisdom of tarot as a living, divine art and science; a dynamic interface between awareness and appearance, and a system to observe, tie and untie the 'secret knots' that bind the world. With 50 unique exercises, in excess of 50 illustrations, extensive footnotes, and detailed reading lists, there are more new tarot ideas on any given page of Tarosophy than in some entire texts on the subject."</p>
