He will be a big boy! He's just like his mother, very friendly and always looking for attention. If you are looking for a talented gelding for show, a family horse, or trail riding he will have the disposition and ability to be the best. Should mature 15.3-16H.

\$2000

Black mane and tail with dorsal stripe. She is a full sister to yearling we showed last year, Whisper, who placed well in yearling classes. This filly is going to be something special! Has characteristics, could easily color, but will get regular registration either way. She should mature 15.2-16H and have the athleticism of her sire and grand sires. \$1500

3. 2018 FILLY – LILY foaled 4/1/18 on Easter
 Sire: IM GOIN TO JACKSON
 Dam: SIERRA PINE BAR

<http://www.allbreedpedigree.com/sierra+pine+bar>

This filly is the $\frac{3}{4}$ sister to two World champions. This has been one of our best crosses. Bottom side of Sierra pedigree has produced our best foals over and over. Their dispositions are willing, and they can really ride! Lily is sorrel and has characteristics for regular registration. She will mature about 16H and should be an excellent yearling and two year-old prospect. She can go any direction you want. I would love to trail ride on her! \$2500

Sire: IM GOIN TO JACKSON

Dam: SHEZ ZIPPO TOO

<http://www.allbreedpedigree.com/shez+zippo+too>

What a nice colt! He is one of our favorites. For those of you that know Carters a Country Cat owned by Tracy Dalsted, SHEZA ZIPPO TOO is a full sister to Carter's Dam. Carter is a winner in his halter class and then can go out and lope his way to a win in Western Pleasure. This guy could be great just like him. Take a good look at him for a yearling and two year-old prospect. He just loves people and wants to be in your pocket all of the time. \$2000

Sire: IM GOIN TO JACKSON

Dam: SH CRYSTAL ZIPPER AQHA

<http://www.allbreedpedigree.com/sh+crystal+zipper>

Look at the pedigree on this pretty filly! She is bred for pleasure.

I just love to watch her float around the corral. She does not have characteristics at this time, but can be registered and shown with a Performance Permit Option. She could be your next best lounge line prospect! \$1200

11. 2018 FILLY – barn name - foaled 4/16/18
Sire: IM GOIN TO JACKSON
Dam: IMA FROSTY DREAM

<http://www.allbreedpedigree.com/ima+frosty+dream>

Lots of greats in this pedigree! This mare has raised many pretty headed, nice moving foals for us. They have been good all-around and family horses. A full sister to this colt was shown and placed well in the yearling classes last year. The dam is gentle and a very slow-legged loper. Another one to look at for a yearling and two year-old prospect. \$1200
