## **HUBS** & accessories

**U S B F L A S H D R I V E S**

## T620A 4-Slots Type-A Hub

### SPECIFICATIONS

- 4x USB-A 3.0 (3.1 gen1) ports:
- High-speed Transmission Speed USB 3.0 (3.1 gen1) interface
- One micro-USB power port

### FEATURES

- Top sale hub on Amazon, considered as #1 best-seller.
- Connect up to 4 devices USB-A at once.
- Copy files between multiple devices connected to the hub.
- To power-up your hub to add more power-demanding devices you can use the micro-USB in port.
- Compact size and built-in cable / Perfect travel companion.

## T600C USB-A 3.1 to Type-C adapter

### SPECIFICATIONS

- USB-A female port & Type-C male port
- USB 3.1 specification

### FEATURES

- Turn any USB-A connector into a Type-C connector:  
Just plug a flash drive in the standard USB interface to transform it into Type-C, and transfer or backup data with ease on your latest generation devices equipped with Type-C port. Ease the frustrations of limiting connectors !
- Compatible with the newest generation of smartphones, tablets, PCs, and laptops
- Metal body with lasered logo, and compact size

## T610C 3-in1 Type-C Card reader

### SPECIFICATIONS

- Micro SD, SD and CF cards
- High-speed Transmission Speed USB 3.0 (3.1 gen1) interface
- UHS-I specification

### FEATURES

- Read up to 3 types of cards.
- Perfect for photographers or consumers that still use Compact Flash cards and look for compatibility with the newer Type-C devices for all their cards.
- The compact size and built-in cable also make the T610C a perfect travel companion.
- Compact and slim size / Perfect travel companion.
- Ultra High Speed I (UHS-I) specification, and USB 3.1 Gen1 specifications

## T650C 6-in-1 Multimedia Type-C Hub

### SPECIFICATIONS

- 3x USB-A 3.0 (3.1 gen1) ports:
- 1x USB-C port with power delivery
- SD card reader
- 4K HDMI port
- Premium finishing
- EMI protection prevents interference with wireless devices

### FEATURES

- Connect up to 6 devices at once and copy files between multiple devices
- Stream your computer or smartphone screen in Ultra High Definition 4K or Full HD 1080p video to HDTV, monitors, or projectors
- Power up your Type-C computer through the power delivery port.
- Compact and slim size / Perfect travel companion.
- Ultra High Speed I (UHS-I) specification, and USB 3.1 Gen1 specifications
