Note:

Marble and Granite: Marble and granite are natural stone material containing veins with tonality differences. There will be colour and marking caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity cannot be totally avoided. Granite tiles are pre-polished before laying and care has been taken for their installation. However, granite being a much harder material than marble cannot be re-polished after installation. Hence, some differences can be felt at the joint.

Timber: Timber is a natural product that does not have total consistency of colour and grain. Thus it is not possible to achieve total consistency of colour and grain in their selection and installation.

Cable Television (SCV): The purchaser is liable to pay annual fee, subscription fee and such other fees to Starhub Cable vision (SCV) or any other relevant authorities. The vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective subscription channels.

Internet: The purchaser is liable to pay Asymmetrical Digital Subscriber Line (ADSL) connection, annual fee, subscription fee and such other fees to Internet service Provider (ISP). The vendor is not responsible to make arrangements with any said parties for the service connection for their respective subscription.

Mechanical Car Parking System: The Mechanical Car Parking System has to be maintained regularly by the specialist to ensure that it is in good and proper working condition. The Vendor shall not be held responsible for the operation, procedure, delay, safety and damages caused with the use of the system
