IT DOES NOT HURT: FMC Plant Nurse, Mrs. Mollie Siles, gives an influenza vaccination to mechanic Michael Puh, 77 George Street. Waiting their turns are his co-workers John Bohenchik, 43 Christopher Street, and Freeman Grunden, 46 Pennsylvania Avenue.

## Gruhin Chosen 'Man of Year' by Hebrew Men

CARTERET — At its October meeting, the Hebrew Men's Club of Carteret named Max Gruhin as "Man of the Year." Sidney Roth, president of the Hebrew Men's Club, presented Mr. Gruhin with a plaque which cited the reasons for the award. Mr. Gruhin, a resident of Carteret some 40 years, is a pharmacist in his own drug store, Gruhin's Pharmacy, at 78 Roosevelt Avenue.

This first annual award was given to Mr. Gruhin for his work for the main purpose of the Men's Club — to help build and maintain a Jewish Community Center in Carteret. The center is located at the corner of Lehigh and Noe Street. Mr. Gruhin has worked for the center since its inception and has donated not only time and money, but has dedicated himself to this great cause.

Master of ceremonies for Award night was Robert Brown, Rabbi Morton Baum spiritual leader of the Carteret Jewish and Herbert Harris, President of the Jewish Community Center, spoke about Max Gruhin and of his great humanitarian works.

Special refreshments were prepared by Mrs. Morton Zarek, Mrs. Irving Levitz, Mrs. Bernard Deitz and Mrs. Julius Goodman.

Herbert Samuels, chairman of the 2nd annual weekend sponsored by the club, reported that a few reservations may still be had for a weekend and the Grant Hotel in Kirtkoston, New York, January 25. Interested parties are asked to contact Mr. Samuels, Harold Levitz, Philip Hochman or Irving Levitz. Raffles are now being sold by the Men's Club, whose prize is a free weekend at the Grant Hotel. Raffle chairman is Harold Levitz.

The November meeting of the Hebrew Men's Club will be under the direction of George Resnick, scoutmaster of Boy Scout Troop 181, sponsored by the Men's Club. At this meeting, the scout troop will receive its charter from the Raritan Bay Council and its flags from the Men's Club. Scouts will entertain with skits Monday at the Legion during the fall and winter season and Luther League outing to Bear Mountain, New York.

Meetings for the week include Junior Catechetical Class, Monday, 8:15 P. M.; Altar Guild 7:30 P. M., Monday; Church Service Day, 9 A. M. to 3 P. M., Tuesday; Senior Catechetical Class, Tuesday, 8:15 P. M.; Cub Scouts, Pack 83, 7 P. M., Tuesday; Junior Choir, Wednesday, 8:30 P. M.; and Senior Choir, Wednesday, 7:30 P. M.

## Charles J. Dennis Named St. Elias Post CWV Head

CARTERET — Charles J. Dennis, 39 Jackson Avenue has been elected commander of St. Elias Post, 797, Catholic War Veterans. He succeeds Alex Fazekas who for many years commanded the post and who in large measure is responsible for its big success.

Mr. Dennis, formerly of Jersey City, attended St. Anthony of Padua School. A Jesuit educated man, he entered St. Peter's College Preparatory School in 1940. His education was interrupted when he enlisted in the Navy during his fourth High School year.

After serving almost three years in the Pacific area during World War II, he was honorably discharged and returned to St. Peter's where he received his diploma in 1947. He went on to St. Peter's College where he received his bachelor of arts degree in 1950. He is also a graduate of Fordham Law School where he earned the degree of bachelor of laws. For the last seven years he has been employed as a claims examiner with the Allstate Insurance Company. He has been a resident of Carteret for the past four and a half years.

Also elected to office were: John Medwick, Harry Brandstein and John Mitro, vice commanders.

Mr. Hechler added that a "Recruiting Drive Night" is planned for the end of November and all Boy Scouts of the Northeast District will be invited. High School boys, ranging from 14 to 18 who would be interested in joining the ship general superintendent.

Cars leave the church at 1 P. M. for the young people's Luther League outing to Bear Mountain, New York.

## Union to Mark Milestone at Dinner Dance

CARTERET — Local 8-397, Oil, Chemical and Atomic Workers Int'l. Union, AFL-CIO will hold a dinner-dance tomorrow October 20 at the St. Demetrius Community Center. It will mark the 25th anniversary of the chartering of the local union.

Local 8-397 was one of the first international unions organized in the town of Carteret during 1937. The first two plants organized were American Oil Company and James B. Berry Co. The local continued its growth when General American Tank Storage Terminals was won in an NLRB election. Still later the Koppers Plastic Co. in Port Reading chose Local 8-397 as its bargaining agent.

Today Haseo Chemical Co. located in P.O. 8, J. has elected to become amalgamated with the local union. Its most recent organizing venture was an NLRB election at American Mineral Spirits Co. on Roosevelt Avenue.

They were certified by the NLRB in a September 5th, 1962 election. It now represents over 400 members in the Carteret area. Emil Peter, Secretary-treasurer of the local is dance chairman and is being assisted by William Krissak, William O'Rourke, Joseph Welusz, Edward Democvitz, Bruce A. Dunton, Frank Balka and James Irving Joe Harko's Orchestra will provide the music. There will be ladies door prize and also a prize for the men.

After approval was given, Commander Daniel Donoyan expressed his thanks to the building committee and assured the members present that an immediate "go-ahead" is in order and plans will be made accordingly and as rapidly as possible.

## Breakfast Is Set by Sea Explorers Listed at Church

CARTERET — Because of the public acceptance of pancake breakfasts put on by the officers and crew of Sea Explorers Ship, 38, another one is planned for Sunday, October 21 from 8 A. M. until noon at the American Legion Memorial.

The girls from the Mariners of Highland Park and Woodbridge will serve the breakfast. According to Skipper Ray Hechler, the purpose of these pancake breakfasts is to build up the ship treasury so that they can operate their two 36 foot boats.

Mr. Hechler added that a "Recruiting Drive Night" is planned for the end of November and all Boy Scouts of the Northeast District will be invited. High School boys, ranging from 14 to 18 who would be interested in joining the ship general superintendent.

## Reduce Water Charges

Fight by Industrial  
Association Brings  
2 1/2% Reduction

CARTERET — The Carteret Industrial Association obtained a 2 1/2% reduction in the proposed Middlesex Water Company increase in rates before the Board of Public Utility Commission.

The presentation of the Carteret Industrial Association by former Assistant Attorney General B. W. Harrington emphasized that the water company was including in its rate base all its regular taxes while at the very same time, it was appealing to the Division of Tax Appeals to reduce its 1961 Carteret taxes \$42,547. Counsel for the Association in the rate case contended the company could not have it both ways and expect the people to pay increased rates due to taxes, when the company was moving to have the taxes reduced after it got its 30% rate increase.

Withdraws Appeal  
After the Public Utility Commission allowed a 2 1/2% increase the Carteret Industrial Association appealed the decision drawing special attention to the fact that the Commission had allowed the rate increase including the taxes being appealed. After a new hearing and a filing of briefs, the Middlesex Water Company agreed to withdraw its tax appeal. Had the tax appeal been continued and approved by the State body, it would have meant Carteret taxpayers would have had to raise \$127,642 in 1963 on this account alone as well as make up a deficit on this account each year hereafter of \$42,547.54.

In 1961 legislation provided for a substitution of a gross receipt tax for water companies. The act provided that the 1962 gross receipts tax must not yield less than the 1961 personal property tax. After the passage of this Act Middlesex Water Company appealed its assessment in all towns. If this effort was successful, the municipal protection of the legislature intended would have been erased and five Middlesex towns would have lost \$382,240 in taxes in 1961 alone. Woodbridge's loss would have been \$284,106 annually.

The Carteret Industrial Association was ready to appeal the Public Utility Commission decision if there was no effort made to withdraw the tax appeal. B. W. Harrington had appeared for the Borough before the County Tax Board, which dismissed the appeal. Middlesex Water Company then, in turn, appealed to the State.

It is understood that the new president of Middlesex Water Company made it clear it was not his desire to continue the tax appeal, resulting in its counsel withdrawing it. The stipulation for dismissal was acted on by the State Division of Tax Appeals.

### Church Women Plan World Day

WOODBRIDGE At a meeting of the executive board of the United Church Women held at Woodbridge Methodist Church, plans were completed for World Community Day, November 2 at Trinity Episcopal Church. Guest speaker will be Rev. Lyle B. Ganesel of Our Savior Lutheran Church, Perth Amboy.

Invitations have been extended to all church women's groups in the area. Sunday school children will participate by contributing such articles as needles, thread, pins to fill sewing kits to be dedicated to South East Asia on World Community Day. Contributions should be made to the key women of the respective churches and the women will assemble the kits.

A rally, the first of its kind in the area, is planned for Christian women to be held sometime in the Spring with Mrs. Stephen Vigh as chairman. Mrs. Vigh of First Presbyterian Church of Avenel is president of United Church Women.

The group sent a letter to Governor Richard J. Hughes commending him on his stand on prayer and Bible reading in New Jersey Schools.

Mrs. Andrew Manka of First Congregational Church was appointed chairman of the nominating committee. Mrs. John Lewis was appointed key woman of Trinity Episcopal Church.

Mrs. Vigh announced a workshop will be held in Princeton, October 26 on public relations. An essay contest will be conducted during January, February, and March, for 8, 9, 10 grades in churches having membership in the local council on the subject, "My Part in the Ecumenical Church."

### Style Show Set By Sisterhood

ISELIN — The executive board of Sisterhood Congregation Beth Shalom met Monday with Mrs. Peter Kravitz presiding.

Chairman of the Mah Jong Tournament, Mrs. Seymour Klepper, reported that 50 women are now participating in the 15-week tournament. There will be a large cash prize for the high score winner.

It was announced the models have been selected for the forthcoming fashion show "Fashion Forecast," October 29 at the Temple. Chairmen are Mrs. Herbert Selig and Mrs. Walter Klebe.

Sisterhood will hold its annual cake sale November 15 at the Hilltop Supermarket, Oak Tree Road. Mrs. David Ander, LI 8-3810 and Mrs. Jerome Caspell, LI 8-2821, are co-chairmen.

Simchas Torah, one of the most joyous of all Jewish holidays, will be marked by Sisterhood at the traditional festive celebration Saturday, at 6:30 P. M.

The holiday commemorates Moses bringing the Torah down from Mount Sinai, and its traditions are especially delightful for children. Singing, dancing and marching are part of the festivities. Sisterhood will distribute apples, bags of candy, and flags with the Star of David. They will welcome all who would like to share in the celebration. For information, call the chairman, Mrs. Sol Markel, at LI 9-5708.

The next regular meeting of Sisterhood will be Monday. The program will include a special entertainment with excerpts from the comedy "Born Yesterday," presented by the Player's Pyramid. The cast will include: Sandy Finard, New Brunswick; Joe Ben-David, Highland Park; Bernie Roy, Plainfield; Bob Casey, Newark; Selma Singer and Charles Plotkin, Edison; and Vivian Tazsamt, New Brunswick. The production is under the direction of Chic Moscovitz, Edison.

The meeting will start at 8:30 P. M. in the new Temple building, Cooper Avenue. Guests are invited. Program vice-president is Mrs. Zachary Goldman.

### Hospital Treated 198 Auto Injuries

PERTH AMBOY — A total of 198 patients were treated at Perth Amboy General Hospital during September for injuries from automobile accidents, the hospital's director reported this week. In his monthly statement of services rendered, Robert S. Hoyt pointed out that the number of motor vehicle victims at the Perth Amboy hospital had been this high only once before, in August 1961 when 209 were recorded.

During September the hospital provided a total of 11,099 days of care to 1,502 patients, including 221 babies born there. Total care included 744 operations, 1,614 x-ray procedures, 16,353 laboratory tests and 1,376 patients treated in the Emergency Room.

On an average, 50 patients were admitted daily. Patients stayed an average 7.4 days and there was a daily average of 370 patients in the hospital during the period.

## A PROMISE MADE = A PROMISE KEPT

The Zirpolo Administration, prior to last year's election, made several promises to the people. There was no written contract, but we symbolically shook hands on it. It is only a little more than nine months since the Democratic Party took office and already several of the promises have reached fruition. Others are in the process of being completed. For example . . .

### WE PROMISED TO: ACCOMPLISHMENTS ARE:

Place conditions of sale on all purchases of Township-owned property, to insure prompt construction of industry, to discourage speculation and to retard the construction of housing developments which add to the burden of our overcrowded school system.

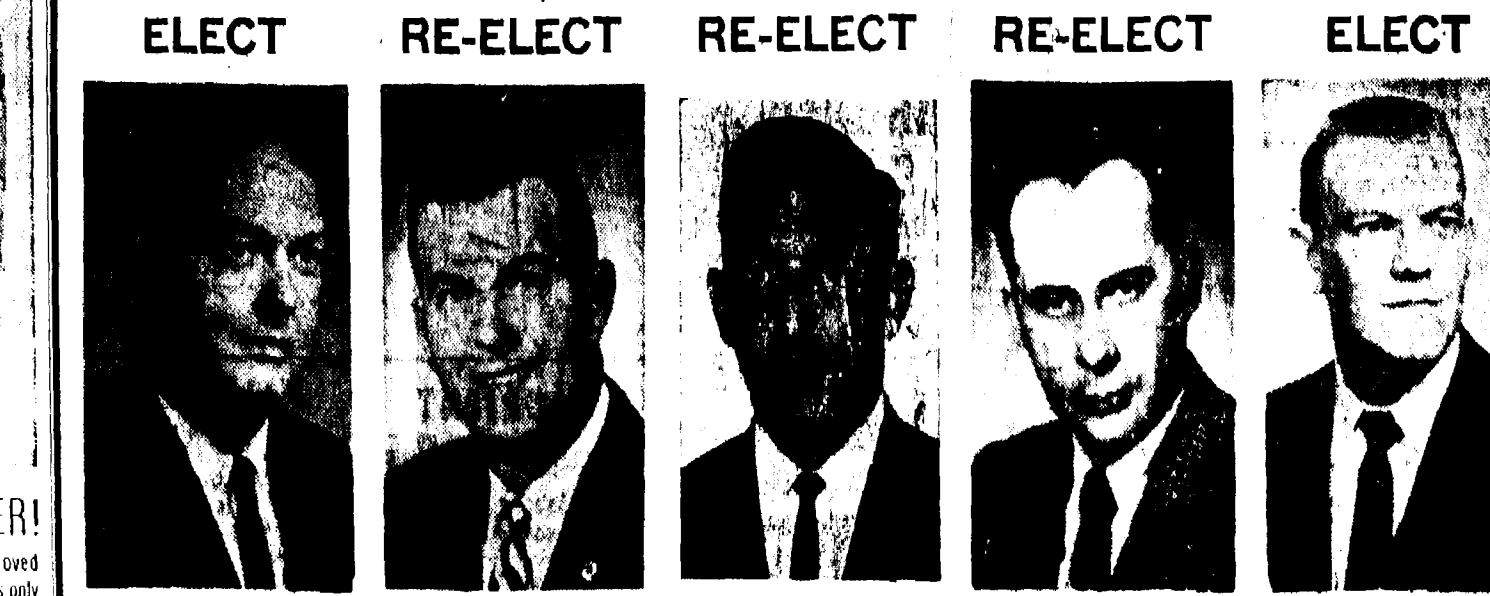

We guaranteed the public the RIGHT TO KNOW . . . to know exactly what is going on and what decisions are made.

We promised to aid in the study of a need for a new Township Charter.

We told you we would oppose any increase in spending, unless an economy can be made to pay for it.

AT "COFFEE KLATCH": Ebur Richard, Third Ward GOP candidate, is being served refreshments by Mrs. William Cusick at a party in his honor last Thursday.

### Sanitation Department Criticized by Richards

WOODBRIDGE — At a "coffee klatch" held in his honor, Ebur Richard, Third Ward GOP candidate, criticized the Sanitation Department. He said that the department is in some cases hazardous. One truck for example used 117 quarts of hydraulic oil in two days. Why was a piece of expensive equipment like this allowed to get into a deplorable condition? "These men claim they can't do the work," Richards said. "I say it will be impossible for trucks to get up and down the incline at Main Street dumping site. The program began to be laid off when this happened then to stay another 30 days and this is understandable because there is no manpower now to do the work these men are called on to do. Routes have been missed due to the lack of manpower and to poor scheduling. The trucks the men are using are in very poor condition and are not safe to drive."

### Junior High PTA To Meet Tonight

COLONIA — The first meeting of the season of the Colonia Junior High School P.T.A. will be held at 7:30 tonight. The parents will participate in a "Back to School Night" after a brief business meeting. Otto Schundler, Jr., president reports...

### Beth Shalom Men's Club Plans Breakfast

ISELIN — Sunday, October 28, 10 a.m. marks the date and time of the opening meeting of Congregation Beth Shalom Men's Club. Meetings will be held monthly on Sunday mornings, and will consist of breakfast, an interesting program specifically aimed at male interest, and a short business meeting. Highlight of the first meeting will be a 30 minute sound color film, "1961 New York Giants Football Highlights." All men of the Temple and their friends are invited, chairman is Len Fischer. Tomorrow's evening services will be held at 8 p.m. A forum on the subject of "Jewish Law Is It Necessary?" will be conducted after the service. Simchas Torah services, the use of colored slides — later prettily for children, will be held Saturday evening, at 6:30 p.m. Saturday and Sunday morning services will be held at 9:30 a.m.

### Report Cards Subject of Talk

COLONIA — "Reporting On Reports", was the topic of Miss Mary Mullen, principal of Schools 2 and 6, at the first general meeting of the P.T.O. She announced kindergarten report cards have been discontinued in favor of parent-teacher conferences scheduled for October and May.

Miss Mullen presented a study on the meaning of report cards and how they effect a child's life in schools and at home. She emphasized that a child should never be compared either favorably or unfavorably with another child — only with himself and his own abilities.

Parents were advised not to reproach a child who is continually falling in a subject but to contact the school and the teacher to discover the reasons behind the failure and get help for the child.

Tickets for a Christmas Supper dance December 1 will be limited to 100 couples, announced Mrs. Edward Panek, ways and means chairman. Tickets are available from members of the executive board. A field trip will be the reward for the first class to reach the goal of 100% membership, Mrs. Edward Heuston, membership chairman, stated.

Parents expressed concern over the safety of the children who had to walk to school via Chain O Hills Road where there are neither sidewalks or "no parking" signs along the one side. Mrs. Pat Caporaso, child welfare chairman, stated that a request for "no parking" signs has been made to the Police Department and she would make enquiries concerning the sidewalk.

Mrs. Grees invited all parents interested in school activities and the welfare of their children, to attend the Board of Education meetings held on the first and third Wednesdays of the month at the administrative building, School Street, Woodbridge.

The members voted to purchase a cabinet for the express use of storing the film strips used as visual aids. It was also decided to pay for the cost of repairs to the school's record players and movie projectors currently used in the classrooms. Ghana censure foreign correspondents.

### Mrs. Schreiber Hits Lighting

ISELIN — Mrs. Helen E. Schreiber, Fourth Ward Republican, in a community such as this, where we have the best street lighting ever seen in a community, is also a police commissioner and certainly should be aware that poorly lit residential areas are open invitations for burglary, vandalism and worse crimes, yet he paved in accordance with the truth. Instead of burling per-

"Why is the Fourth Ward Township. Since then he has dark at night? My opponent is said and done nothing He in charge of street lighting, yet in favor of the so-called Zirc ward he supposedly represented a road program. He sent us, with out a doubt, the has tried to fool the Fourth worst street lighting ever seen Ward voters with election day. My opponent is also police commissioner and certainly should be aware that poorly lit residential areas are open invitations for burglary, vandalism and worse crimes, yet he paved in accordance with the truth. Instead of burling per-

attitude of do nothing, is being to show more and more. As police commissioner he has encouraged law breaking by returning the police department to the old "Hoboken" system whereby police protection, instead of increasing, is cut to an absolute, dangerous minimum. The overworked police officers simply cannot operate efficiently under Mr. Costello's neglect planning or perhaps lack of planning."

MANY HAPPY RETURNS ISELIN — A birthday party was held Sunday, with Charles Karen, and Linda, and Mrs. Park, November 10, 1962, son of Mr. and Mrs. Carmella Libertazzi, Iselein, and Theodore Callendo, East James Charles' sister, Carol.

Five New Members Welcomed by ISELIN — Mrs. ... Darleen, and James, Borough; Mr. and Mrs. Louis Anthony, Both Paige, Vincent, Staten Island; Mrs. Salvatore Guttadora, Bronx; Mrs. Emil Citelli, Flushing, Long Island; and Mr. and Mrs. Walter Kronert and children, ...

### Full Calendar Outlined By Hopelawn VFW Group

HOPELAWN — Plans for activities were discussed at a recent meeting of the Hopelawn VFW Auxiliary to Hopelawn, N.J., with Mrs. John Hornyak as hostess.

The auxiliary will be hosted by Mrs. Joseph Strasser, district president on November 6 and on November 11 will attend the official opening of the Dept. of New Jersey at the home of Mrs. Elinor Davids at Iselin.

Plans are being completed for a theater and dinner party to be held in New York to celebrate the auxiliary's 11th anniversary, with Mrs. Joseph Strasser, chairman. On November 12 the 8th district V.F.W. Auxiliary will hold a penny sale at the local post home for the benefit of Deborah Hospital, with Mrs. Adrian Carr, chairman of the affair to be opened to the public. Members are

asked to donate gifts. Linens and used eye glasses are still being collected for New Eyes for the Needy, as announced by Mrs. Andrew Pastor, community service chairman.

The Post Variety Show featuring Lefty and His Four Dominos plus local talent will be held on November 7 and 8 at Barron Avenue School, Woodbridge. Joseph St. Pierre announced that tickets may be obtained from any post or auxiliary member.

A dance will be held by the post on November 17 at the post home, and the adult Christmas party will be held on December 22, while the children's Christmas party will be held on December 23, while the children's Christmas party will be held on December 23 at 2:30 P.M.

Mrs. William Westlake, hospital chairman, is completing plans for parties to be held at East Orange Veterans Hospital and at Lyons and Roosevelt Hospital.

His Money's Worth  
"Ha, drunk again!" snorted his ever-loving wife in disgust. A silly grin spread over Jones' face as he replied: "Well, if I ain't, I've been gypped out a seven bucks."

### Allene Szycher Heads Brownies

HOPELAWN — Allene Szycher was elected president of Brownie Troop 98. Other officers elected were:

Janet Tobasanski, scribe; Pat Andreoni, treasurer; and Karen Vargo, Community service.

For community service the girls are collecting sheets for the Cancer Society, used eye glasses for the V.F.W. Auxiliary, and nylons.

Final arrangements were made for a field day to be held on October 20 at Roosevelt

### Statewide Meeting Set On Junior College Plan

NEW BRUNSWICK — Freeholder Joseph R. Costa said today that the Board of Freeholders will study all aspects of the state's community college program to determine the need and feasibility of such facilities for Middlesex County.

Costa pointed out that organizations and group in several Middlesex County communities already are advocating a county college.

"Formal consideration of such a project has not yet come before the Board of Freeholders," said Costa, "but we plan to make a thorough study of costs, financing, operation, state-aid, and of course, whether a real need exists in this county for such a college."

In recognition of public interest in the community college legislation passed in Trenton early this year, Costa has arranged for a statewide meeting to be held Monday in the Princeton Inn, Princeton, for any organizations and persons seeking a better understanding of the program.

Costa arranged for the public conference in his capacity as chairman of the education committee of the State Association of Chosen Boards of Freeholders.

The freeholder said that ways and means of financing county colleges under the state legislation will be explained by Dr. Joseph Clayton, deputy commissioner of the State Department of Education.

He said questions about the program from the audience will also be answered.

### Methodist Church Plans Laymen's Day

EDISON — A sermon entitled "Breaking The Silence Barrier" was given by the Rev. Howard H. Remaly, pastor of Wesley Methodist Church, on Sunday. Next Sunday, October 21, will be Laymen's Day and October 28, Reformation Sunday, when the sermon will be entitled "Let's Protest!"

Membership classes for adults will be conducted by the minister beginning Sunday, October 21, at 9:15, the same time as church school. Anyone wishing to join should contact the pastor.

The class for young people will be resumed Sunday afternoon at 4:00.

Chapel choir rehearsals are held Friday evenings at 7:00 for children attending first through fifth grades.

### THIRTEEN YEARS IN LUNG

San Jose, Cal.—Stricken with polio in 1949, Mrs. Mary Jane Needham, who spent thirteen years in an iron lung died of complications following a gall-bladder operation.

Mrs. Needham spent five years at the Santa Clara County Hospital before going home in her iron lung to be with her three children.

She will have representation at the conference for further enlightenment on the new program.

# Grape Festival Costello Fete Saturday; Proves Success Gallagher to be Speaker

WOODBRIDGE—At a meeting of the Lady of Mount Carmel PTA held in the parish hall, Mrs. Alfred Spennowski, president, announced the success of the September candy sale and the October grape festival.

Rev. Vincent Lenyi, opened the session with a prayer and welcomed the members.

The president also publicly thanked the Mount Carmel PTA for their contribution to the Catholic War Veterans for preparing home-made kolbasz and all those who made the affair a success.

Mrs. George Lucas, membership chairman, reported that the membership drive is continuing through to December, and asked all the members to join to attain a 100 percent membership.

Tentative plans have been made for a spaghetti dinner, a penn sale and religious articles sale, which will be open to the public. The date has been set for Nov. 17, 18 and 19 with the penn sale starting after 7:30 devotions.

Sister Mary Rita, F.D.C., school principal, urged the membership to continue Gold Bond stamp drive and thanked all the parents for their cooperation. Mrs. Eugene Breza is chairman of the project to obtain office furniture. Pepsi-Cola caps with the white stars are also needed.

Parents were asked to help the children with homework, penmanship and reading. Sister Rita requested the help of husbands of the parish and PTA members in painting and decorating the convent.

All school children are to assemble in full school uniform at 8:45 A.M., Sunday, Oct. 28, for the Feast of Christ the King. Children will sing in the choir and receive holy communion in a body at 9 A.M. Mass.

The Rev. Lenyi announced that the St. Joseph Hill Academy, Hylan Boulevard, Staten Island, is having a bazaar, Sunday, Oct. 21. Proceeds are to be used for the education of novices. The PTA voted to make a donation to help further this prospect. Any other donations will be appreciated.

Mrs. Stepnowski, Mrs. Alex Molnar, Sister Mary Baronea and Sister Mary Berksman attended the 37th annual conference of the Trenton Diocesan Council of Parent Teachers Associations on Friday at the War Memorial Building in Trenton. Sister Mary Rita's first grade class won the attendance award. Mrs. Francis Nemeth and Mrs. Francis Decibus won the dark horse donations. Winners of the merchandise club for the first four weeks were Mrs. Robert Bilkowski, Mrs. John Brezo, Mrs. Frank Sokolowski and Mrs. L. Novak.

Rev. Lenyi closed the meeting with a prayer and refreshments were served by the first grade mothers.

Film rights to "Final Verdict" Adela Rogers St. John's biography of her lawyer-father have been purchased by Stanley Kramer.

C. E. GALLAGHER

ISELIN — Cornelius E. Gallagher, U. S. Representative from the 13th Congressional District of New Jersey, will be guest speaker at the kick-off dinner for Thomas Costello, who is running for re-election as Comptroller in the Fourth Ward tomorrow night at VFW Hall at 8:30. A film, "Mastery of Space" will be shown.

Mr. Gallagher was born in Bayonne. He attended local schools and went through John Marshall College in night classes to win a law degree. He served five years in World War II as a captain in General Patton's Third Army, was wounded three times and received eight decorations. He returned to service during the Korean War. After World War II he taught at Rutgers University and resumed his law school studies. He graduated from law school in 1949 and was admitted to the practice of law. He is presently in law practice with the firm of Dembe, Dembe, and Gallagher, Bayonne, and is counsel for and a director of Broadway National Bank.

In 1953 he was elected to the Hudson County Board of Freeholders and was the youngest member ever to serve on that body. Gallagher was appointed Commissioner of the New Jersey Turnpike Authority in 1955. He later became vice-chairman of the Authority.

Mr. Gallagher is a member of the American Bar Association, and Hudson County Bar Association, and of the Knights of Columbus and the American Legion. He has also served as chairman for fund-raising drives for the Bayonne Red Cross, Community Chest, P. A. L., and YWCA and was one of the organizers of the New Jersey Heart Fund. He won a 1960 award from the National Council of Christians and Jews

Mario Lanza's records are still making top sales. His last R.C.A. release, "Walk With God", a religious album, has already sold 50,000 copies.

## SQUARE DANCE SATURDAY

ISELIN—The Catholic Young Adult Club of Northern Middlesex County will attend a square dance at Evergreen Lodge. Members will meet in a body in the first Ward of Mortensen, was "brought by the "Zirpolo-Jacobine."

## HAPPY BIRTHDAY

ISELIN — Deborah Barrett, daughter of Mr. and Mrs. Edward Barrett, Oak Tree Road, celebrated her seventh birthday. Guests were Kathy Drozdak, Irvington; Sarah Puma, Mary Ann Burbella, Michele Tomczyk, Linda Martino, Anita Moscarella, and Maureen Cuthbertson, all of Iselin.

## GVENES POINT To Tax Increase

WOODBRIDGE — Tax rate increased this year, and with the administration, it is conceivable that the rates will increase next year. William Green, public candidate for Ward, said today:

"Who is going to pay this tax loss?" Continuing the theme, "I suppose with my experience, Mayor Zirpolo will pass it on to the consumer—in the form of a tax payer."

Mr. Green said that the Democratic Party in the first Ward of Mortensen, was "brought by the "Zirpolo-Jacobine."

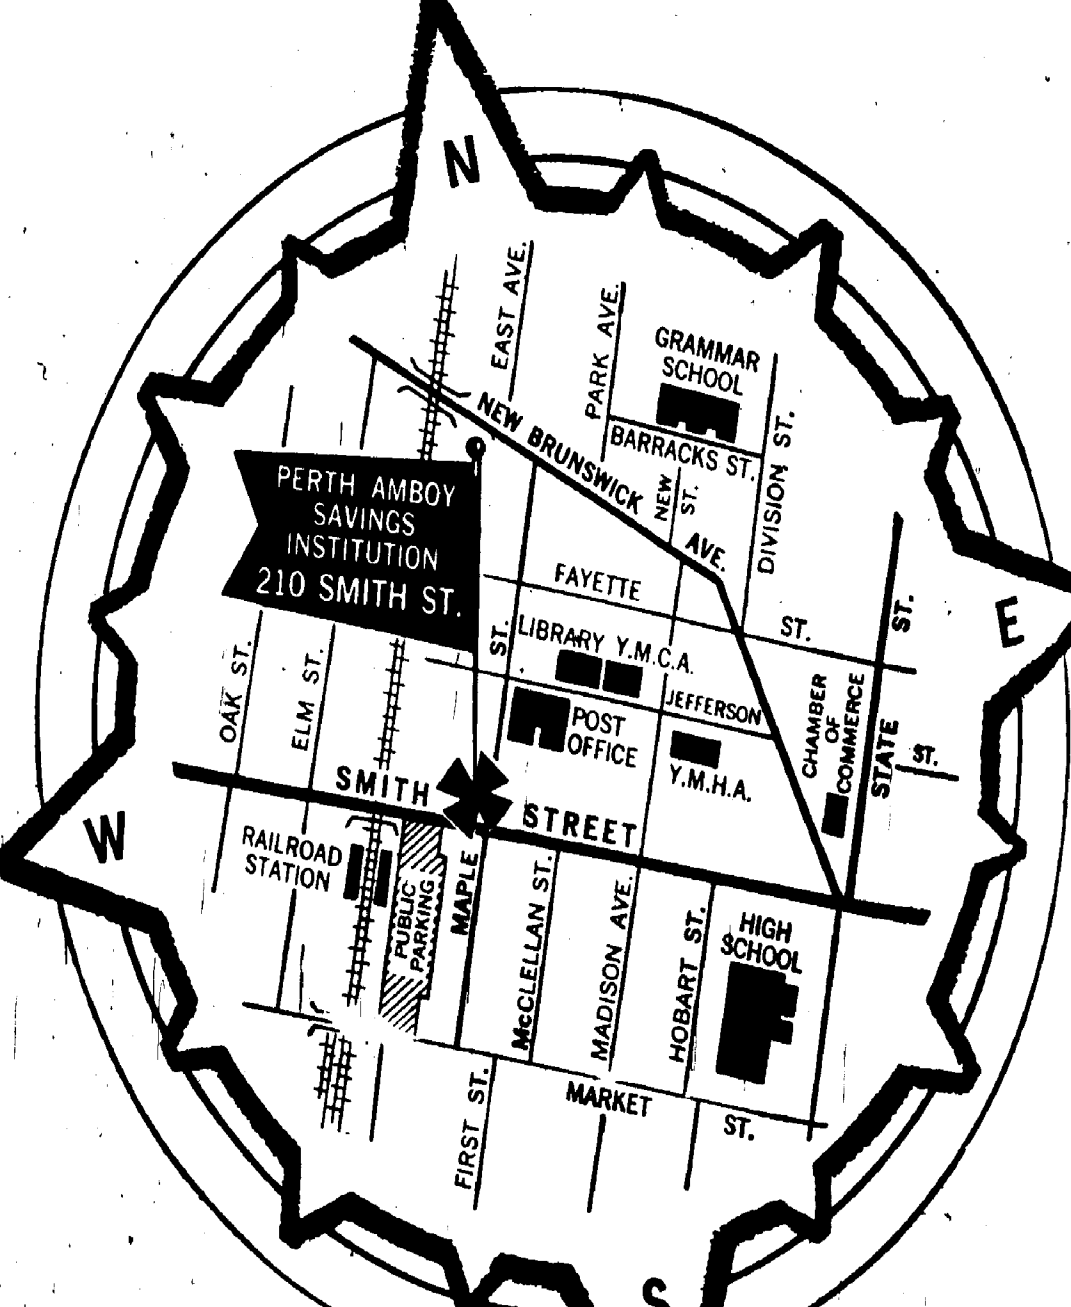

"Large sums of money being spent for Mortensen, was "brought by the "Zirpolo-Jacobine."

and I have never seen an expensive display of billboards as Mr. Mortensen.

The Republican then pointed out that the tax rate was up two years, after a spirral of taxes and to rule eight years in a row.

# Garden

## This Week

Your Rutgers Garden Reporter

**CONTACTS GARDEN REPORTER**  
 If you will stay greener and earlier winter color, the benefits of next spring's lawn become more apparent. A 10-6-4 fertilizer applied at the rate of 10 pounds to 1,000 square feet of lawn area.

In case our acquaintance with fertilizer is only casual, this means a 10-6-4 mixture contains ratios of nitrogen, phosphorus and potassium in that order.

If you buy a fertilizer with a different analysis of these elements, choose one with a similar ratio, Dr. Indyk advises. Adjust the rate of application so that your lawn gets a comparable amount of nitrogen.

**ORGANIC SAFER**  
 Fertilizers differ in the kinds of nitrogen they contain. A mixture that contains organic nitrogen usually costs more than one with inorganic nitrogen but is safer to use from the standpoint of lessening the danger of burn.

Organic nitrogen has a longer-lasting effect than the inorganic kind, or as the turf scientists say, it's "more slowly available." Dr. Indyk approves the formulas that contain nitrogen half and half in organic and inorganic forms.

**SPREAD EVENLY**  
 To avoid burning your grass, spread fertilizer evenly at the recommended rate only when the grass is completely dry.

If you're spreading 10 pounds on a thousand-square foot area that's 20 by 50, you can be sure of even distribution by splitting the application — five pounds in the 50-foot length and the other five in the 20-foot width.

Dr. Indyk cautions that if you skimp in feeding your lawn the proper kind and amount of fertilizer at the proper time, you can't expect anything better than a thin and weedy lawn.

### Members' Birthday To Be Celebrated

**ISELIN** — The penny sale, sponsored by the Ladies Auxiliary of Volunteer Fire Co. 1, at the Green Street Firehouse, Wednesday, turned out to be a complete success. The dark horse prize was won by Mrs. Fred Silva and the door prize was awarded to Mrs. Gustave De Pretler.

Instead of the usual meeting on October 24, the members are planning a birthday celebration at which the birthdays of all members will be celebrated at once at a party at "Dutch" Mele's, Edison.

Mrs. Andrew Lisinski, president, announced a nomination of officers will take place on November 14, at the firehouse.

### Holy Name Unit Elects Landaeta

**PORT READING** — St. Anthony's Holy Name Society, encompassing Port Reading and Sewaren, had a record turnout of two-thirds the enrolled membership at its regular meeting for the purpose of electing executive officers.

R. Reilly, chairman of the nominating committee, introduced the slate which was elected as follows:

C. Landaeta, Jr., president; Arthur Macklinsky, vice-president; Martin Mulroy, secretary; Don Kubik, treasurer and John Hutnik, marshal.

The pastor, Rev. S. Milos, introduced the evening's guest, Rev. Dismas Rufuss, a visiting Franciscan missionary, who spoke on the spiritual advantages of group activity particularly relating to the Holy Name Society, and the importance of participation by the laity in the work of the society.

Judy Holliday will portray a member of the Peace Corps with a flare for complications in "Hot Spot," her next Broadway musical comedy.

### Doctor Talk

By JOHN B. ALMBEST, M.D.

Many people for years have annually been taking influenza vaccinations, but the benefit to be derived from this added protection is not generally appreciated by the mass public.

All readers are familiar with the epidemics of influenza in 1957-58 and again in early 1960. These outbreaks of virus infection were particularly hard on our older population and all persons with cardiovascular or pulmonary diseases are urged to receive these immunizations now. The incidence of influenza runs high and the course of the disease is more severe in all chronically ill persons, be they young or old — so see your family physician now for your influenza vaccination.

This column has often urged its readers to select a medical physician for "the family doctor" and to visit this doctor at periodic intervals for particular reasons or at least routine checks. Much has been said, and often needs repeating, for the merits of preventive medicine.

In a recent survey conducted by the U. S. Public Health Service over a two year period some interesting facts are presented. The statistics show that the average patient visits his doctor on the average of five times a year. The income level of the family influences these visits if the family income is under \$2,000, physician visits per year are 4.6 if the family income is \$7,000 or more, the number of yearly visits jumps to 2.7.

It has generally been accepted that women visit the doctor's office more often than men — and the statistics bear this out. This increased number of visits starts at the fifteenth year of the female and naturally the necessary frequency of prenatal and post-natal visits affects these figures greatly.

The more education (general schooling) prevalent in the population the greater will be the physician-visits per year. If the head of the family has attended college his family will average seeing a doctor 6.0 times a year. If the head of the family has had less than five years of formal education, then the doctor visits drop-off sharply to only 4.3 visits to the doctor.

Where do you fit into the physician-visits-per year picture? Let's hope all will eventually realize the value of preventive medicine — don't be the so-called tragic case that waits until "it is too late!"

Thanks  
 He — Say, you look a lot thinner.  
 She — I am. You can count my ribs.

### Mrs. Zimmerman Conclave Guest

**COLONIA** — Mrs. William Zimmerman, president of the Colonia Cancer Club was a guest speaker at the conclave of annual service awards held by the Middlesex County Chapter of the American Cancer Society at the V.F.W. Home, Edison.

Mrs. J. A. Farina, cancer dressings chairman, and Mrs. Robert Hompesch, publicity chairman, accompanied her.

"Supporting Your Club" was Mrs. Zimmerman's topic. In addressing representatives from the 52 units of the county, she explained how her group worked throughout the year on various fund raising projects.

She pointed out how they even turned an annual covered dish supper for prospective members into a profit-making affair by changing it to a swim-cookout and requesting members to donate the funds they would have spent on refreshments.

An American Cancer Society film, "Seven Danger Signals of Cancer" was shown. The importance of yearly checkups was pointed out by Dr. Robert Zullo, chairman of the Society. Then he and the executive committee took part in an enlightening question and answer period with the representatives.

The Colonia Cancer Club's next meeting is November 5 at School 20, where reports on the Conclave will be heard. Anyone interested in joining and aiding the group is invited to attend. All meetings are open to the public.

### Brownie Troop Tours Firehouse

**COLONIA** — Brownie Troop 187 accompanied by Mrs. Robert Berger, leader, and Mrs. Gerard Masterly, assistant leader visited Colonia Volunteer District 12 firehouse. Transportation was supplied by Mrs. Leo Chernow and Mrs. Richard Regan.

Fire Marshall William Price was on hand to greet the girls. He took them on an informative and interesting tour of the building. The girls were especially impressed with the Mack 750 gallon pumper and the emergency truck. They admired the boots and rain gear of the firemen and had the Scotty Air Park systems on the truck that allow the men to safely be in smoke filled areas for rescue or fighting fires explained to them.

A demonstration of the use of the corner fire alarm boxes was held. The step by step procedure of the alarm signal coming in on the call board and the ticker tape reporting the area and the three minutes it takes for the men to answer a call dramatically pointed out the service of the fire department.

Before leaving the girls received several pamphlets in connection with Fire Prevention Week. The next meeting of the troop will be at 3:30 P.M. on October 23 when all Brownies are requested to bring broom or mop handles and large brown paper bags to Mrs. Berger's home, 8 Kilmer Drive.

**CHAPLAINS FOR SPACE**  
 Cocos, Fla. — Everyone is space conscious and the members of the First Baptist Church in Cocos, adjacent to Cape Canaveral, have urged Southern Baptists to train chaplains for space duties.

Rev. James A. Sawyer thinks chaplains should be trained physically, be given science knowledge, be ready to cope with the unexpected and accompany the spacemen on future flights which will cover extended periods of time.

### CountyGOP Fund-Raising Fete to be Held Tonight

**NEW BRUNSWICK** — GOP State Committeeman Phillip L. Strong announced today that last minute details are completed for the Middlesex County Republican Committee's annual fund-raising dinner to be held in the Oak Hills Manor, Metuchen.

Congressman Robert H. Michel, of Illinois, World War II hero who now serves on the powerful House Appropriations Committee, will be the main speaker. Congressman Michel, a native of Peoria, was re-elected two years ago by an overwhelming margin.

Purpose of the \$50-per-plate affair is to raise financial support for the candidacy of Bernard F. Rodgers for Congress, and the candidacies of Republicans seeking county office. They are: Freeholder Thomas P. Miller, Edward A. Tomalavage and Robert L. Ferry; Sheriff, Thorvald E. Olsen; and Surrogate, John T. McCarthy. Others expected to attend include Rep. Peter Frelinghuysen (R-5th) whose district until Dec. 31 includes the northern half of Middlesex County. Rep. James C. Auchincloss (R-3rd) who represents the southern half, also has been invited. Strong, a New Brunswick attorney who resides in Cranbury and a former Assistant U. S. Attorney, called on Republicans to support "the best Republican ticket this county has seen in many a year, headed by Bernie Rodgers."

Strong said that there will be a table for several county labor leaders who have been invited to this year's dinner. He noted that despite the endorsement of Rodgers' opponent by the AFL-CIO Labor Council, that many leaders in the labor movement have expressed dissatisfaction with the Democratic organization. The state committeeman said that other fund-raising activities by Middlesex Republicans have been successful.

"It is surprising how many small donations of one, two, five or ten dollars have come to the Republican Party this year. I attribute this to a ground-swell sentiment against bossism. Middlesex County residents want a chance to live and to improve themselves without having to deal with a ruthless machine. They want to help Bernie Rodgers and the other GOP candidates in their campaign to smash this machine wide open." Strong concluded.

At the opening of the meeting, Mrs. Leo Kukkola led devotions. Mrs. John Molnar, president, announced Mrs. Ann drew Lockie, Guild advisor, has been honored by being named a member in capacity of co-ordinator of the Women's Auxiliary of the Presbyterian Homes of Synod of New Jersey. The Guild donated cookies used for open house at Belvidere Home yesterday.

The church has planned a square dance, October 29, 8 P. M. Members and friends are invited to attend. Refreshments will be served.

## EXCITING! GO '63 CHEVY II

Novel 4-Door Station Wagon

**SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES**

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including these wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the battery is self-adjusting. The new Delcotron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.

## Here and There:

Sometimes you hear someone sing and you wonder why he or she hasn't reached the heights of the Met or TV, especially after listening to some of the singers that are booked on the top television programs. A few of the members of the editorial staff had the pleasure of listening to Patricia Bardi Hopewell, singer Sunday and she has an excellent voice that really "sings" you. She sang an aria with John Gottstein of Woodbridge that was outstanding. . . NBC, CBS, etc. take notice. . . Army PFC Gerald J. Muchanic, son of Mr. and Mrs. Peter J. Muchanic, 85 Remsen Avenue, and husband of Susan Muchanic, 48 Cozy Corner, Avenel, recently completed eight weeks of intensive field training with other members of the Fourth Armored Division at the Seventh Army Training Area in Grafenwohr, Germany. Muchanic is an automotive repairman in Company A of the division's 126th Ordnance Battalion in New Ulm.

## Newsletters:

It looked as if all of Iselin turned out to welcome Lance Corporal Martin C. Nolter, Jr., USMC, son of Mr. and Mrs. Martin C. Nolter, 109 Bender Avenue, who arrived home last week for a month's leave after two years of service in Japan. When Martin arrived home, all the neighbors were on hand to give him a welcome home party. The Iselin Pipe and Drum Corps, in dress uniform, appeared on the scene and serenaded their former member. A graduate of Woodbridge High School, Nolter at one time was employed by the Woodbridge Publishing Company. On November 18, the Iselin resident will report to the Quantico Base.

## Business Women's Week Ends at Successful Tea

WOODBRIDGE - Business Women's Week was brought to a close Sunday with a tea sponsored by the Woodbridge Township Business and Professional Women's Club at the home of Mr. and Mrs. Theodore Brichze, Outlook Avenue, Colonia. A program of entertainment was presented by Edwin W. Casey, Jr., and included Miss Patricia Bagdi, Colonia; John Gottstein, Woodbridge and the DeJoy Brothers. Special guests included state officers, Mrs. Doris Hubalka, president; Miss Charlotte McCracken, second vice president; Mrs. Mildred McLean, Third vice president; Mrs. Phyllis McEwen, corresponding secretary and Miss Ruth Wolk, recording secretary. Thursday night, the club joined the Jaycees in a joint meeting and BPW was presented with framed resolutions in "recognition and appreciation" for "faithfully promoting our civic and social advancement."

The Barron Public Library Board was host to BPW at a party Friday night and was presented with a wood and brass plaque which read: "In recognition of the earnest interest and outstanding service to the cause of public libraries, the Barron Public Library Board presents this award to Woodbridge Township Business and Professional Women's Club Business Woman's Week, October 7-13, 1962."

Saturday morning, the club gathered at the Charles E. Gregory School of Nursing, where they were taken on a tour of the hospital by its scholarship girls and then presented a \$200 check to Anthony W. Eckert, chairman of the board of Perth Amboy General Hospital, for the hospital building fund in Mrs. Gregory was a special guest. At noon club members were

guests at luncheon of the hospital Board, with Mrs. Dorothy McKenna, public relations representative as hostess. Earlier in the week, the club was hostess to two Brazilian women, Fulbright Fellows, at a hemispheric friendship night. On Tuesday BPW was honored by the Town Committee and on Wednesday night by the Board of Education. Mayor Walter Zirpolo issued a proclamation for Business Women's Week and posters were placed throughout the Township. A special window display may still be seen at the Brennan Agency, 53 Main Street. Featured is one of the oldest typewriters in existence, owned by John Muller, Colonia. In comparison is one of the most modern electric typewriters.

With the first Port Reading family in the Project Bowtie area re-settled, the Woodbridge Redevelopment Agency has proven its renewal program is ahead of similar projects in other communities in the State.

Project Bowtie—so named because the area involved is shaped like a bowtie—first conceived during the previous Republican administration and now coming to fruition, has brought

favorable comment from all over the United States.

A great deal of the credit goes to the "sparkplug" of the Redevelopment Agency, S. Buddy Harris, whose energy seems to be unbounded and who imbues his listeners with his enthusiasm. The municipality is most fortunate in having a man like Mr. Harris give of his time and effort to serve as the agency's executive director.

**Newspapers Make a Difference**

This is National Newspaper Week and The Independent-Leader joins with newspapers all over the nation in observing the seven days set aside to honor newspapers and newspapermen.

Benjamin Disrael once said that "without publicity there can be no public spirit, and without public spirit every nation must decay". The newspapers foster public spirit that has resulted in much that is good for the people, the community, the state and the nation.

Many factors emerge which affect the newspaper's basic function—the disseminator of information. The Independent-Leader feels it has a responsibility to the Township it serves. Our public service aspect is familiar to all our readers in announcements of community interest, local news and feature stories. More important, however, is the service rendered by this newspaper which recognizes its influence on the public mind, to stimulate interest and arouse concern regarding issues that involve us all.

President Kennedy, in issuing a proclamation of National Newspaper Week, said:

"Newspapers play a vital role in our society. They have been called the universities of the people and rightly so. With all the great advances of our educational system and the spread of its benefits to an even greater part of the population, the free press remains the most important source of popular political education without which a democracy cannot function. The responsibility of the press in fulfilling its role is great. It must present both full and accurate news and informed comment which puts that news in perspective.

"A great part of the attention of the press is rightly focused on the doings of our government at home and abroad another great part on the foreign scene. By what it says on these topics and the way it says it, the press does much to shape and focus the nation's thoughts on these important matters. I think we are fortunate as a nation in having a press that tries to live up to these responsibilities with progressively higher standards."

Newspapers do make a difference in the community.

**The Sigma 7**

Astronaut Walter M. Schirra was blasted from Cape Canaveral in Sigma 7 and became the first American to orbit more than three times around the earth. Each time an astronaut is blasted from the launching pad of Cape Canaveral, we find ourselves holding our breath for his safety, and each time a special thrill is sparked somewhere inside.

We are aware that the three Soviet astronauts have greatly exceeded the record which Schirra made for the United States, but they in no way lessened the thrill, when we once again attempt to conquer another phase of outer space. We find another satisfaction that of knowing the U. S. is once again demonstrating for all the free world the whole spectacle of our attempted achievement, be it successful or unsuccessful.

Schirra, once again, gave the civilized world a grandstand demonstration of the vast difference between the free world and a closed society, such as the Soviet Union. The Soviets have the

advantage of covering up their mistakes, and our monitoring system indicates that they have had many.

Although Schirra was not first, his flight did have a first connected with it. And, in some ways, this pointed up the fact that in one phase the Americans may be ahead of the Russians in the space struggle. For the first time, the people of Europe could watch the spectacle over television, a feat made possible by Telstar, the American communication satellite.

Another and important participant in the Sigma 7 flight was the Transit, the pioneer American weather satellite. Both of these satellites, Telstar and Transit, gave a most dramatic demonstration of American leadership in some of the important practical aspects of the conquest for space.

We may be behind in the boosters which throw rockets into orbit. For practical uses into which we have used our boosters we are far ahead of the Russians.

**Too Old at Forty-Five?**

A great deal has been said lately for the advantages an employer might find in employing those persons in the later years of their working life. Still, there seems to be many employers who are afraid to employ anyone except those who are in the prime of their working life.

Some firms have even had a policy to get rid of their employes when a certain age is reached, unless that person is in the higher echelon of the operations of the business.

The International Shoe Company tannery is generally considered as a reversing factor in the general personnel practices used by many other employers. For instance, recently a potential employe applied for a job and was refused because he was in his early forties. The tannery informed him that he was too young. Their policies required the personnel practice of not hiring any worker who is under forty-five years old.

This idea is the result of a vice-president, Mr. R. H. Richards, who himself is sixty-one years old, and is in charge of the tannery's operation. Mr. Rich-

ards believes that industry will benefit when they shake the taboo of not hiring men who are over forty five years of age.

Mr. Richards says: "It has been our experience that older men are reliable, they work well, they are easier to work with, and, above all, have more mature judgment than younger men."

Under the tannery's present policy, employes may retire at sixty-five and benefit from the company's pension program, but they do not have to.

The local unions for the tannery do not go along with the minimum age limit but reluctantly admit that it is good for the old men to have a place in which to get a job. With International's experience with older men and their potential, the personnel experts of the day may face a set-back in their present procedures.

There must be many places in industry where older men can serve as capably, if not more so, than their younger counterparts. With some effort, almost any industry should be able to utilize their older personnel to advantage.

**YANK GOES TO OXFORD**

**Under the Capitol Dome**

By J. Joseph Gribbins

**TRENTON** — With State Police accomplishments currently the most outstanding in history, Governor Richard J. Hughes has been requested to increase the present 891 trooper force by an additional 120 troopers.

The Governor has also been requested to increase the present salary range for troopers from \$4,309-\$5,599 yearly, to \$4,750-\$6,178. The requests, contained in the 1963-64 budget submitted to Abram Vermeulen, State Budget Director, are being studied by the Governor.

Departmental fiscal officers claim the proposed salary boost would bring the salary range of the trooper near a comparable level with many local police departments in New Jersey which are on a 40-hour week. Troopers on the road work as many as 80 hours a week at present.

Salary ranges for 178 Sergeants and Detectives 2nd class, now \$4,998 to \$6,482, would be boosted to \$5,237 to \$6,809, by another budget recommendation.

The Governor has also been asked to create 240 recruit positions in the State Police. Experience shows from 59 recruit classes in the State Police Academy there is a drop-out of 50 per cent of the recruit-trainees during the required 16 weeks course of training.

Another change recommended would create the new title of Sergeant-Station Commander, with a salary range of \$5,774 to \$7,508 if the recommended increases in the salary range for Sergeant and Detective 2nd class, is effected. He would be responsible at all times for the normal operation of an area station.

During the past year 22,433, 117 road miles were covered by State Troopers on patrol. Monetary returns totaled \$4,284,821.22 in fines and recovered property. The troopers also investigated 11,818 accidents, 207 fatal accidents; made 189,898 vehicle arrests; issued 193,407 summonses; investigated 26,468 complaints and conducted 57,440 other investigations, and issued 85,979 warning citations.

**NEW ARMORIES** — Three new armories would be constructed in New Jersey at Mercer Field, Trenton; Plainfield and Bridgeton, at a cost of \$140,000 under requests made by the State Department of Defense.

State Budget Director Abram Vermeulen has taken the requests under consideration in preparing the annual budget for 1963-64 for Governor Richard J. Hughes.

In addition, \$30,000 has been requested to construct a new roof on the Newark Cavalry Armory and \$35,000 for replacement of the roof and flashings on the Jersey City Armory.

The Federal Government has been requested to construct a new hangar at Mercer Airport and the proposed armory construction would consolidate present national guard units at the site of operations.

It will be submitted to the Legislature about February 1 next.

**ELECTRICIANS** — Weekend electricians who take on small wiring jobs throughout New Jersey are protesting to Governor Richard J. Hughes about a bill signed into law on August 30 last creating a Board of Examiners of Electrical Contractors to supervise the industry.

Governor Hughes is sympathetic to their pleas and intends to recommend suitable changes in the statute when the Legislature reconvenes on November 19. He admits the new law does sufficiently take care of the efficient, part-time electrical contractor and should be liberalized.

The measure authorizes the board to license electrical contractors at a cost of \$150 for two years, and \$50 for each year thereafter. Such pieces work a hardship on small contractors, the Governor conceded, time announced supplementary legislation to eliminate the objections would be advanced by him.

The Governor also announced he has been assured of full support of the revised legislation by the electrical contractors' groups adding "I hope that the Legislature will act promptly to enact these amendments."

**FOREST FIRES** — New Jersey's annual splash of color by Mother Nature as trees are transformed into unexcelled browns, yellows and reds, could be permanently destroyed by fall forest fires.

State Firewarden R. Wesley Davis warns that as the forest dampness of summer turns into a dry, rustling mass of new leaves on the floor of woodlands, travelers should be more than careful not to create any threat to the uplands.

The State Firewarden claims that sixty-two per cent of forest fires are caused by smokers. It takes from 40 to 60 years for land consumed by forest flames to be productive again. After the duff is burned off of ground, the trees will reproduce themselves if enough pine cones are left on the branches to fall to the ground to initiate new growth.

Davis suggests that hunters and other woodland walkers give up smoking during their trips through the woods, especially if it is windy. They are also urged not to flip matches after lighting a cigarette or pip, but to break them before discarding them. Cigarettes should be thoroughly stamped out. Campfires should be buried deep to prevent spreading flames when a day in the woods is completed.

They are also urged not to flip matches after lighting a cigarette or pip, but to break them before discarding them. Cigarettes should be thoroughly stamped out. Campfires should be buried deep to prevent spreading flames when a day in the woods is completed.

**GOOF BALLS** — State Police and other law enforcement officials are trying to determine the extent of narcotic use by youngsters and others in New Jersey.

To help get a clear picture of the evil, the State Bureau of Identification of the State Police has requested municipal courts to report all dope cases heard before the magistrate, especially violations of the recently enacted law which legalizes "goof balls."

The law allows police to crack down on persons possessing or selling, without valid prescription or authority, such "goof balls" which are made of amphetamine, barbiturate, barbitol, hypnotic or somnifacient drugs, tranquilizers or any other prescription legend drug which is not included in the narcotic drug law.

A form for reporting such cases is being distributed to the courts in order to provide the State Police with essential data as to the extent and scope of this new and dangerous problem.

**JERSEY JIGSAW** — Magistrates of New Jersey Boat Numbering Act of 1962 may obtain application forms from any municipal clerk's office.

Despite the great storm of March 6-7 last and resultant damage, New Jersey's shore areas did \$1,068,000 worth of summer business, or 2.5 per cent more than a year ago.

Carl Ott, of Bernardsville, has been named supervisor of Manpower Development Training and Area Reemployment Training programs in the State Department of Education.

State Banking and Insurance Commissioner Charles R. Howell has called for a thorough study into the feasibility of supplementing the fixed income New Jersey State Employees' Retirement System with a variable annuity feature.

Sixty-two per cent of forest fires are caused by smokers, and in New Jersey it takes 40 to 60 years for land consumed by forest fires to be productive again.

**TO USE CUBAN REFUGEES**

The Defense Department has announced it would start to enroll Cuban refugee volunteers into special Spanish-speaking units to train for service in the United States army and navy. The announcement said that Cuban nationals who volunteered would be required to meet the same physical and mental requirements as American enlisted men. Those who successfully complete this training will be given a chance to join regular units of the army and navy, according to the Pentagon.

**WILL DEFEND BERLIN**

The United States—speaking through Secretary of Defense McNamara—has given the Russians clear notice it is ready to use nuclear weapons if necessary to defend West Berlin. McNamara, apparently, spoke with full backing of the White House. The aim is to impress on the Russians that the United States is determined not to be pushed out of Berlin or allow the Communists to impede access to the encircled city.

**UNEMPLOYMENT DROPS**

There were fewer Americans unemployed during the month of September than any other month since 1960, the Labor Department announced. Joblessness remained at the August high level of 5.8 per cent. Department officials said later months should decline, coming closer to the 5 per cent level.

MRS. GEORGE P. RUSZNAK

**Carol Janet Chencharik Weds George P. Rusznak**

COLONIA—Miss Carol Janet Chencharik, daughter of Mr. and Mrs. Michael Chencharik, 108 Midwood Way, became the bride of George Paul Rusznak, son of Mr. and Mrs. George Rusznak, 25 Meade Street, Sewaren, Sunday afternoon at St. Cecilia's Church, Iselin. Rev. Ernest Siksa performed the ceremony.

The bride, given in marriage by her father, wore a taffeta gown trimmed with re-embroidered Alençon lace with sequins and seed pearls, made with a portrait neckline and long, pointed applied sleeves. The full skirt featured an appliqued front panel and the City Restaurant, Elizabeth, Mr. Rusznak, left on a cathedral-length train. The silk wedding veil was attached to a queen's crown of crystal and beige suit and brown accessories. She carried a bouquet of Fuji chrysanthemums and stephanotis.

Miss Grace Ann Chencharik, sister of the bride, as maid of honor wore a gown of gold peau satin. The bridesmaids, all in green peau satin, were Miss Ruth Baker, Iselin; Miss Joan Simun, Woodbridge, cousin of the bride; Miss Gail Irvine, Rahway, also a cousin of the bride.

Jack Morgan, Ford, served as best man. Ushers were Joseph Rusznak, Sewaren, cousin of the bride; Stephen Soberaj, Perth Amboy, and Richard Simun, cousin of the bride.

After a reception at Twin Plaque front panel and the City Restaurant, Elizabeth, Mr. Rusznak, left on a cathedral-length train. The silk wedding veil was attached to a queen's crown of crystal and beige suit and brown accessories. She carried a bouquet of Fuji chrysanthemums and stephanotis.

**New Members Join VFW Post**

ISELIN -- At the last meeting of the VFW Post new members were welcomed were Philip Treacy, Andrew Christiansen, Anthony Bardi, Theodore Florczak, John Jekell, David Murphy, and Louis Kantor.

The Post pistol team, which recently finished the Summer season in the Raritan Valley League, placed fourth in the "C" Group. A new team will be entered in the Winter league starting November 13. For further information see Joseph Kazlauskas or Jack Quinn at the next Post meeting.

The Junior Drill Team, parents and guests, witnessed an exhibition by Judo, Inc., of Westfield in Judo, Jiu Jitsu, and Karate, recently, after a full dress drill. Illustrating the ancient arts were Yoshisada Yoneshika and Kidshi Shima and two junior students, Marshall Reid and Shaun Egen. Interpretations and hold descriptions were given by Howard McCartney.

The next meeting of the VFW will be held October 25, 8 p.m., at Post Headquarters.

**Candy Sale Projected By 4-H Teenettes**

ISELIN—Mrs. Joseph Rapaicci, leader of the 4-H Teenettes, announced the unit is participating in the annual 4-H candy sale, sponsored by the Middlesex County 4-H. The sale will continue until the end of the month.

Sewing projects were discussed and worked upon for the new season at the last meeting of the Teenettes held at the leader's home, Revere Boulevard. The articles made will be entered in the 1963 County Fair.

The bride is a graduate of Woodbridge Senior High School, class of 1960 and Berkeley Secretarial School, East Orange. She is employed by Revlon Inc., Edison as an executive secretary.

The bridegroom is also a graduate of Woodbridge High School, served in the Navy for four years, and is attending Rutgers University at night. He is employed by Atlas Electronics, Perth Amboy.

Close to Target Jumping and dropping at a rate of speed of 125 miles per hr. and then pulling his ripcord at 2,200 ft., Gus did the Army credit by floating down gracefully and landing close to his target.

(Continued on Page 16)

**Parachute Jumping is New Sport For August Di Bella of Colonia**

COLONIA -- Neighbors of August Di Bella, 52 Calton Drive, noting his frequent absences on week-ends have assumed that he has taken up golf or fishing or one of the other popular sports that occupy the American male on his day off.

"They couldn't be further from the truth, because August (Gus to everyone in town) at 41 years of age has taken up the sport of the space age — parachute jumping. He jumps every week-end, weather and flying conditions permitting.

It all began with his attendance at a reunion of the 17th Airborne Division. Gus had received his basic parachute training at Fort Benning, Ga., during World War II. Later he was with the 513th Parachute Infantry when the group made the famous Rhine Jump into Germany.

Started at Reunion At the reunion he met his old buddy, Ray Mauer, New Brunswick, who in the course of the evening interested Gus in parachute jumping as a sport. Mr. Mauer is an enthusiastic member of the Tri-State Sky Diving Club and he invited Gus down the following weekend to participate in their activities by jumping.

When Gus arrived at the Tri-State Parachute Center at Adams Air Park he was introduced to George Glivien, a retired Army Captain who had lost a leg during the Korean conflict and has made over 200 jumps despite his handicap.

Gus was informed that over 8,000 men, women, boys and girls are active in this new sport that has week-end parachute clubs in 70 cities across the nation. Their members include doctors, fashion models, lawyers, teachers, clerks, stewardesses, accountants, and small business men like Gus who owns the Bon-Air Co., a heating and air conditioning firm.

That first day, when Gus suited up and put on a parachute rig that included a back pack and chest pack he was informed that members may pack their own chute for the back pack but never the chest pack. It is regulation that the chest pack or reserve chute must be packed by a qualified F. A. A. rigger who places a dated card in the gear and a metal seal upon it.

Before Gus was allowed in the plane his chute was checked to verify that the seal was intact and the date wasn't past the 60 days when it would be required to be repacked whether used or not. Accompanying him in the plane was the jumpmaster who guided the pilot to the correct jump point and checked wind velocity.

Gus then stepped out onto a small platform outside the plane, grasping the wing struts until receiving the signal to jump. An expert sky diver can perform a perfect spread eagle free-fall style and by arching his back and moving his arms is enabled to direct his descent. They engage in competitions for accuracy on landing on or near a pre-determined target and displaying skill in performing twists and eights during free-falls.

**PACKING PARACHUTE:** Above Edith Di Bella supplies the "woman's touch" that combined with husband Gus's know how ultimately insures his safety when the parachute they packed together opens properly.

**B'nai B'rith Women Make Ward Gifts**

COLONIA -- An old-fashioned "Sewing Bee" with a new-fashioned twist will be a feature of the October 24 meeting of B'nai Chapter of B'nai B'rith Women at 8:30 P.M. at Temple Beth Am.

The women will lend their talents to turn the assembled piles of materials and patterns into stuffed animals and dolls, bean bag games, and slippers that will be distributed as gifts to hospitalized children.

The modern touch will come when they blend their voices and sing-a-long to Mitch Miller records as well as yiddish folk songs and Israeli chants.

A brief business meeting before hand will feature a "Seminar on Philanthropy" by Mrs. Harold Blacker and Mrs. David Cohen.

October marks the 119th Anniversary of the founding of B'nai B'rith -- it was in October of 1843 that Henry Jones and 11 men established a group with the mission of "uniting Israelites in the work of promoting their highest interests and those of humanity." This group was first called "Bundes-Breuder" or League of Brothers; their alternate name was Sons of the Covenant of B'nai B'rith. Their motto is still used today, "Benevolence, Brotherly Love and Harmony."

In keeping with these ideals, the Colonia Chapter has pioneered in the area in community and civic affairs by starting a blood bank, entertaining veterans in hospitals, being instrumental in arranging for the first school dental service where children received free dental check-ups, and through their "Rumor Clinic" active in the anti-defamation league.

Appropriately the annual membership tea of the chapter will be held on October 23rd at 8 P.M. at the home of Mrs. Sam Feingold, 82 Kilmer Drive. Anyone desirous of attending contact Mrs. F. Levine, membership chairman at Fulton 8-8927.

**AT MEETING**

COLONIA -- Today three representatives from the P.T.A. of School 17 are attending the County Council Meeting of P.T.A.'s in Madison Township. They are Mrs. Philip Lowy, president; Mrs. Edwin Brommer, vice-president; and Mrs. Joseph Hershowitz.

**School 22 Library Now Open on Full Schedule**

COLONIA -- The library of School 22 has opened this fall on a full-time, all-day schedule in order to serve more than 700 students weekly.

Mrs. Irving Witt, PTA library chairman, reports a net profit of \$67.10 was made on the first in a series of school movies held to benefit the library.

A book by book survey was made during the summer months by the library staff comprised of Mrs. Herbert Kasoff, Mrs. David Cohen, Mrs. Charles Morrison, Mrs. Alvin Spitzer, Mrs. J. Isler, Mrs. S. Allan, Mrs. Isaac Gainer, Mrs. William Cipperry, Mrs. Abraham Lapidus, Mrs. Harry Forman, Mrs. Robert Barber, Mrs. N. Greenspan, Mrs. H. Marum, Mrs. Edward Thaler, Mrs. Michael Asman, Mrs. A. Gilet, Mrs. R. Thompson, Mrs. A. Hoffman, Mrs. Jack Saperstein, Mrs. Morris Berman, Mrs. R. Kaye and Mrs. Hunter Wilson.

under the direction of Mrs. Witt and her co-chairman, Mrs. Bernard Garfinkel.

It was necessary to discard the many used books donated when the library was first formed as the committee found them badly worn and out-dated. The inventory of the school library now stands at 2,100 new and almost new books.

The second in the series of school movies will be "The Seventh Voyage of Sinbad the Sailor," on October 20. The proceeds from these movies will go towards the purchase of books.

**GOOD DEED BACKFIRES**

Dubuque, Ia. -- Three youths were fined \$5 each for what they thought was kindness to motorists.

Thinking it wrong for a motorcycle policeman to hide in an open garage, they posted a sign reading: "Cop ahead -- one block."

**A3/c JAMES E. MacGREGOR REASSIGNED:** Airman Third Class James E. MacGregor, son of Mrs. Dorothy E. Jacobson, 82 Florence Avenue, Colonia, is being reassigned to Pease AFB, New Hampshire, for training and duty as a roads and grounds specialist. Airman MacGregor recently completed United States Air Force basic military training at Lackland AFB, Texas. He attended Woodbridge Senior High School.

### Debate Offer By Wisniewski

COLONIA — "During this Campaign, it has been my policy to present to the taxpayers of Colonia and Woodbridge Township as a whole, the unvarnished facts. I have maintained that position despite the distortion and misrepresentation doled out by my opponent," said Joseph Wisniewski, the Colonia's GOP candidate for the Town Committee.

"My opponent's most recent statement dumfounded me. He has stated, 'The Democratic administration has spent money to build and staff our expanding school.' You might expect such a comment from some ill informed individual but not from a candidate who is also presently employed in a nearby school system.

"My opponent knows as well as you or I that New Jersey Law Title 18, which governs New Jersey Education, specifically states that there shall be no partisan politics in our school system. Yet, he baldly credits whatever accomplishments have been wrought by the Voters and the Board of Education as done by the 'Democratic administration.' Another example of distortion and misrepresentation.

"In actuality, because Zirpolo did meddle where he is prohibited by law, in last February's School Board and Budget Election, the construction of additional schools has been delayed over one year. Rather than trying to befuddle the public by taking illegal credit for whatever the Board of Education has been able to accomplish in spite of the Zirpolo administration, my opponent should hang his head in silence, because the actions of those he touts have forced our children to wait another year before the solution to their plea for adequate facilities can even be started.

"This topic and many others deserve a full and complete discussion by the candidates before the voters of Colonia. So no one will later assert that they were not advised, I challenge my opponent, John Fay, to a public debate at the Colonia Civic Improvement Club, on November 2, at 8:00 P.M. I hope the entire community will attend."

### School's Role Is Discussed

COLONIA — At the first meeting of the 1962-63 season of P.T.A. School 17, Mrs. Miriam Balderston was the featured speaker. She discussed the school's role in teaching the 3 R's, social skills, responsibility and the principles of democracy.

"The schools are an agency of society and must serve as a means to perpetuate our democratic ideals," stated Mrs. Balderston. She pointed out many ways this was being done.

Mrs. Balderston announced that the 4th graders at the school are using for the first time the S.R.A. Reading Laboratory — allowing each child to progress in reading skills according to his ability and providing an individualized program. Also that in the 4th grade, certain basic units of new mathematics are being taught one day a week for a half hour period.

She stressed the schools major difficulty. "Our building does not meet the needs of our community with 9 classes and 50% of the pupils receiving part-time instruction."

By Monday, member of the Board of Education, spoke of the pressing problem facing Township schools, demonstrating with the aid of a graph the lack of physical facilities from grammar school through High School. He urged active support of the school referendum.

### Former Deborah Patient Guest at Membership Tea

COLONIA — "Deborah gave me a new life," reported Neal Dyer, Collinswood, at the membership tea of the Colonia Deborah League at Cross Keys, Rahway.

"Initially but with deep sincerity he described the chest surgery he underwent and the many months of constant care and wonderful treatment given him at Deborah Hospital Browns, Mills. In conclusion he stated that 'this priceless gift of life' cost him nothing.

Mrs. Donald Jason, chairman, greeted the prospective members and briefly told them how she joined the league after her husband underwent open heart surgery that saved his life and now enables him to lead a normal, healthy and active life.

The first president of the Colonia Chapter, Mrs. Sol Friedlander, current regional director of Deborah, was on hand to tell the history of the founding of Deborah.

Mrs. Orr Morris, co-chairman of the tea.

Officers were introduced to

### GOP Club Plans Wisniewski Tea

COLONIA — Joseph Wisniewski, candidate for Town Committee, will be the guest of honor at a tea to be sponsored by Women's Republican Club of Colonia, Monday, October 22, at 8:00 p.m. at the home of Mrs. Anton Till, 1021 St. Georges Avenue.

Mrs. Helen Breesee, Club president announced.

"We have been hostesses to many affairs at which the community has had an opportunity to meet Republican Candidates. Now, celebrating our 32nd year of continuous activity, we invite everyone who is interested in meeting and speaking with Mr. Joseph Wisniewski to join us on October 22."

### Overnight Campout Enjoyed by Troop 43

ISELIN — Senior Girl Scout Troop 43 enjoyed an overnight camp-out at the home of their leader, Mrs. William Doerr, Westbury Road, over the Columbus Day weekend.

The camp-out started on Friday, with the girls setting up camp, cooking supper, sleeping out, then cooking breakfast and lunch on Saturday for themselves.

The girls enjoyed a nature walk and a four-mile hike and discussed varieties of leaves and trees.

Participating Judy Luderer, Joyce Hardish, Anita Scotch Barbara and Linda Doerr, and Mrs. Doerr chaperoned the girls.

The next meeting will be October 26, at Mrs. Doerr's home.

### Halloween Dance Listed Oct. 27

COLONIA — On Saturday night, Oct. 27, the Colonia Civic Improvement Club will hold its annual Halloween masquerade dance. Chairman of the affair, Joseph Fryor, has announced the grand march will be awarded for the funniest, most original and best couple costumes. Music will be provided by Frank Wanca and his orchestra.

Members of the committee are refreshments, Flo Henning and Grace Paradis, decorations, Don Halbsgut and Hank Mentzel, tickets, Bernard Hanlan and Fred Stebbins, parking, Buddy Howes and Spook committee, Bernard and Claire McGarry.

### Mothers Guests of Girl Scouts

COLONIA — Members of Intermediate Girl Scout Troop 42 of Neighborhood 2, were hostesses to their mothers at a garden party at the home of Mrs. Don McGinn, 24 Canton Avenue. Mrs. Sal J. DeStefano, leader, announced.

Refreshments were prepared by Diana McGinn, Mary Claire Sanders and Maureen DeMalo. Table settings and decorations were done by Jane Donaldowitz, Valerie Holder, Sandy Thernow, and Mrs. Lynn Bucker.

A color guard formed by Angela DeStefano, Toby Feinold, and Carol Yates conducted a flag ceremony. Later these young ladies entertained the girls and their mothers with a satire in pantomime.

The mothers were privileged to witness a "Scout's Own," an impressive ceremony where the girls dressed as Indians and seated in a horseshoe around a camp fire passed a peace pipe—later dropping pebbles signifying each scout law as it was recited and re-avowed.

Mrs. DeStefano chose this means to show the parents how the girls are learning the laws and living the ideals expressed in them.

### Farm Youth Exchange Topic of 4H Session

ISELIN — The International Farm Youth Exchange was the topic for discussion at a meeting of 4-H Honorettes Monday with Mrs. Wally Bowen, 4-H leader.

The annual 4-H candy sale is in progress and the girls made returns on money collected to date. "Talking Turkey," the newspaper of the 4-H organization, was also discussed.

The older girls worked on tray cloths and the new girl worked on her needle case and pin cushion.

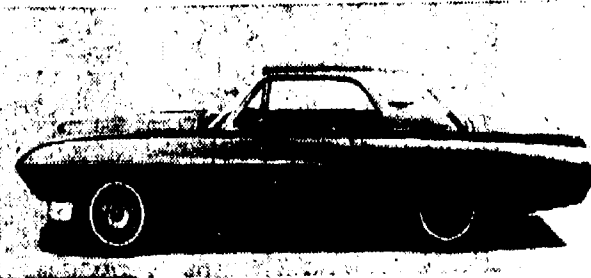

The clean-up committee was Evelyn Barby and Sharon Pitman.

The Honorettes will hold their next regular meeting Monday, 3:30 to 5:30 p.m. at Mrs. Bowen's home, Correja Avenue.

### GLAMOR GIRLS

"I am NOT kidding myself. I'm kidding the public."

The automobile that turns the heads of American motorists, the Ford Thunderbird, sets new standards of elegance, performance and quality in 1963. All four new Thunderbird models—hardtop Landau (top photo), hardtop (bottom), convertible and sports roadster—combine distinctive styling with hundreds of engineering refinements that make them the highest quality cars ever produced by Ford Division. Maintenance requirements on the 1963 Thunderbird are drastically reduced, with a chassis that requires no major lubrication for 100,000 miles and an oil change interval of 6,000 miles. With a new vertical-bar grill and sporty new touches of interior luxury, including a walnut-grained effect on door and instrument panels, personal console and steering wheel on the hardtop Landau, the 1963 Thunderbird remains in a class by itself.

### Boys Participate In Hike-O-Ree

COLONIA — Herschell Tarver, leader; John Cody, assistant leader; Stanley Brooke, Roy Baumgardner, and Theodore Pauquier accompanied 20 members of Boy Scout Troop 44 who participated in Marlborough Council's Hike-O-Ree the week-end of October 12th.

Starting point of the expedition was Camp Mohican located halfway between Camp Cowan and Blairstown. All proceeded along a portion of the historic Appalachian Trail passing points of interest including Mount Mohican fire tower, Camp Mohican road, Old Baldy, and on to Sunfish Pond. From Sunfish Pond they traveled the fire trail to Dorthington State Forest entrance; all bikers carried the barest minimum of essentials in a pack.

Their fare was dehydrated food and they all slept under the stars in sleeping bags and ponchos. Their entire hike covered 13 1/2 miles. The scouts returned safely and the trip was without incident but the adults are still recuperating from blistered feet and sore backs.

Participants in the affair will have an opportunity to tell the fellow members of their troop about it at tonight's meeting at 7:30 P.M. at the New Dover Methodist Church.

### Hospital Guild to Talk on Cancer Research

WOODBRIDGE — Dr. Douglas G. Gomeroy, professor of Zoology, Rutgers, will talk on "Cancer Research at Rutgers" at a meeting of the Women's Guild of Perth Amboy General Hospital to be held Monday, 1:30 P. M., in the auditorium of the Ford Pavilion of the Charles E. Gregory School of Nursing.

Program and hospitality will be in charge of the Metuchen Branch. The meeting is open to all members of the Guild and its branches.

Dr. Gomeroy was born in Winchester, Ontario, Canada. He received his B.S. degree from University of Brunswick, Canada; M. A. degree from University of Western Ontario and Ph.D. degree from Rutgers. Dr. Gomeroy joined the Rutgers faculty in 1938. He served with the Canadian Expeditionary Force in the First World War and in the U.S. Army in World War II.

He holds membership in Sigma Phi Epsilon, New Jersey Division of American Cancer Society; past president of Somerset County Chapter, American Cancer Society; past president of Somerville City Council of Social Agencies and American

### Area Women Make Plans For Bazaar

FORDS — Fords women are busy stuffing toys and making Christmas decorations for "Procter's Fair" sponsored by the First Presbyterian Church, Perth Amboy and to be held in the Presbyterian Center on November 29 from 10:00 A.M. to 9:00 P.M.

Mrs. Donald Hughes, general chairman, stated that all proceeds from the bazaar will be given to the satisfactory improvement fund.

Nylon stockings or other material to stuff toys and make Christmas decorations are being collected by Mrs. George Piletsky, 15 Wildwood Avenue.

Reservations for the roast beef dinner should be made with Mrs. Santoro, 760 Amboy Avenue, Fords. The dinner is open to the public and will be served at 5:00 P.M. and at 6:30 P.M.

Mrs. Ann Smith, Mrs. Helen Farkas and Mrs. Jean Christensen are in charge of the clam chowder luncheon to be served at noon.

Featured will be many booths, including a Spanish booth directed by Mrs. Zullo Frizary, a member of the Lydia Circle of the Women's Association, and a fancy apron booth in charge of Mrs. William Bryan.

PLANNING FOR FAIR: This group of Fords women are very busy these days stuffing toys and making Christmas Decorations to be sold at the Procter Fair to be held by the First Presbyterian Church, Perth Amboy, November 29. ### 'Promote Christian Way of Life', Holy Name Society Members are Told

FORDS — The average Catholic layman can do much to promote the Christian way of life by emulating the manliness of Christ and thus make him more appealing to men, Rev. David F. Anderson, O.P., said Sunday, in an address to the Father and Son Communion Breakfast of Our Lady of Peace Holy Name Society.

He said that too many Catholic men erroneously assume that fervent practice and love of their faith connote a lack of virility and he advised a closer study and imitation of the Christ of Holy Scriptures.

He said that priests cannot be expected to meet this challenge alone. "They are too few in number, too occupied with their manifold duties, and too often never come into contact with those who have adopted the so-called 'modern' philosophies because such people tend to shun away from priests."

ample. Your life should be an inspiration to others. You must be Christian gentlemen at all times and in all places. And a Christian gentleman is not a man who merely submits to a moral code, but a man who loves Christ and lives with Him."

He said that too many Catholic men erroneously assume that fervent practice and love of their faith connote a lack of virility and he advised a closer study and imitation of the Christ of Holy Scriptures.

He said that priests cannot be expected to meet this challenge alone. "They are too few in number, too occupied with their manifold duties, and too often never come into contact with those who have adopted the so-called 'modern' philosophies because such people tend to shun away from priests."

The breakfast, attended by 400 men and boys, also was addressed by Mayor James Flynn of Perth Amboy. He spoke briefly on the Holy Name Society's practice of reciting the Rosary for the dead, emphasizing its spiritual benefits for the deceased and its comfort to the bereaved.

William T. Day and Bernard Hendowitch were co-chairmen of the breakfast, which was prepared and served by the women of the parish's Altar-Rosary Society. Louis Chismar was toastmaster.

### Housing for Aged

A subcommittee of the Special Committee on Aging reported that the United States needs millions of specially designed housing units for people over 65.

A bill has been designed to encourage Federal and local housing programs for the nation's senior citizens. An immediate increase in Federal loans to finance such housing is urged.

### Approves Farm Bill

The House approved, by a small margin, a compromise farm bill that would give President Kennedy something to work on to control grain surpluses.

Secretary of Agriculture Orville L. Freeman said he was delighted over the vote of confidence for sensible long-range farm programs.

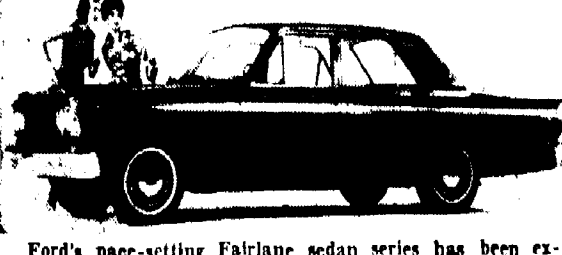

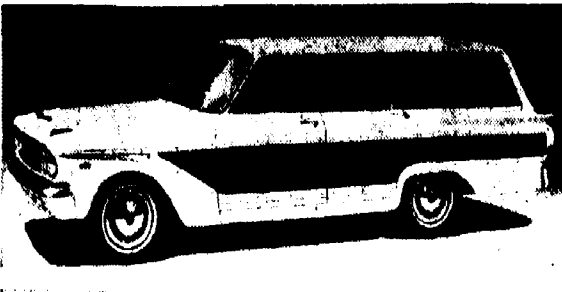

The bill provides a combination of payments to wheat and feed growers who voluntarily reduce their acreage in 1963.

Ford's pace-setting Fairlane sedan series has been expanded to a complete line of hardtops, station wagons and sporty sedans for 1963. The five new models added to the line include two rakish new hardtops and three new family fun station wagons. The 1963 Fairlane incorporates many new engineering features, highlighted by elimination of the 1,000-mile inspection. Included in the service-saving items are 6,000-mile oil change and minor lube intervals, 36,000-mile major chassis lubrication and long-life self-adjusting brakes.

All nine Fairlane hardtops, station wagons and sedans will be introduced in dealer showrooms on Friday, September 28.

### Sarah Ann's Cooking

We continue this week with ways of serving rice. It is economical and can be served plain, dressed up and as a filler.

**Shrimp Filled Peppers**  
1 lb. cleaned, cooked shrimp  
2 tablespoons onion  
2 tablespoons fat  
1 teaspoon Worcestershire sauce  
1 teaspoon salt  
1/2 teaspoon pepper  
1/2 cup cooked rice  
1 cup tomato puree  
4 large green peppers  
2 tablespoons melted butter  
3/4 cup soft bread crumbs  
Cut peppers in half. Parboil. Sprinkle with salt. Cool before filling.

Saute in the fat the minced onion. Add tomato puree, Worcestershire sauce, salt, pepper and shrimp. Add cooked rice. Fill peppers generously. Cover. Bake in an oven 330 degrees for 15 minutes. Raise to 400 degrees and bake until tops are brown.

**Parley Rice Ring**  
1 cup cooked rice  
1 cup milk  
4 tablespoons melted butter  
1/2 cup grated cheese  
1/2 medium onion, chopped fine  
1 cup chopped parsley  
1 egg, well beaten  
1/2 teaspoon salt  
1/4 teaspoon paprika  
2 tablespoons chopped onion  
2 tablespoons chopped pimiento

Mix well. Fill buttered ring mold. Bake at 350 degrees until set, about 45 minutes. Fill with creamed chicken.

**Dark Gingerbread**  
1/2 cup butter or margarine  
1/2 cup sugar  
1 egg  
2 1/2 cups flour  
1 1/2 teaspoons soda  
1/2 teaspoon salt  
1 teaspoon cinnamon  
1 teaspoon ginger  
1/2 teaspoon cloves  
1 cup dark molasses  
1 cup hot water

Melt shortening over low heat. Cool. Add sugar and egg, beat thoroughly. Sift together dry ingredients. Combine molasses and hot water. Add alternately with dry ingredients to butter and sugar mixture. Pour into a greased 9 x 9 x 2 inch pan. Bake in an oven 350 degrees 45 to 50 minutes.

**HEALTH and BEAUTY**  
The battle of dry skin is a problem the year round for some women, but becomes quite worrisome during the cold winter months.

Cold wind, overheated houses, and hot drafts all take their toll. For these reasons, this hazard is often called a hazard of our times.

The very best thing for dry skin are the new moisturizers that provide a fresh dew-fall for the complexion.

The moisturizers penetrate the dry, flaky top layer of skin and enable the under-layers to better absorb benefits that formerly turned aside at the surface.

Moisturizers come in many forms you may desire — creams, lotions, jellies.

Every skin is different and has different needs. What is best for your friend may do nothing at all for you. It is possible to have an over-abundance of oil in the skin of the nose and chin and have extremely dry skin around the important eye area. You must learn to deal with problems like this if you want to take the best possible care of your complexion.

Large pores are a problem to many of us. As far as we know, there is no preparation that can make a positive claim to shrinking large pores back to small. However, there are ways to help the situation.

Try some of the tightening lotion that take up the slack in skin-in pores too. Use a good astringent day-in-and-day-out and a special masque at least once a week.

these words of the Master, Christ Jesus: "I and my Father are one" (John 10). From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read this citation (p. 18): "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage. His mission was both individual and collective. He did life's work aright not only in justice to himself, but in mercy to mortals — to show them how to do theirs, but not to do it for them nor to relieve them of a single responsibility."

Fire Officials Endorse Fay COLONIA—John J. Fay Jr., Democratic candidate for the Township Committee from the Fifth Ward, today was given endorsements by three members of Boards of Fire Commissioners, close on the heels of endorsements last week by three members of the Board of Education. The three fire commissioners who said they were backing Fay's candidacy were Commissioners Joseph Pastena and William C. Cramer Jr. of the Colonia Fire District, and Kevin McCartin, from the Avenel-Colonia Fire Districts. All three are Fifth Ward residents, and all three stressed that their endorsements were personal ones and not necessarily binding on others on the two commissions. The Board of Education members who endorsed Fay last week, all residents of the Fifth Ward, were Vice President Harold Mullin, John Felz and Vincent Renz. In a joint statement, Pastena, Cramer and McCartin said: "Mr. Fay, in our judgment, has frankly and intelligently discussed with us the real issues of this campaign and has studiously avoided the generalities and wild claims of his opponent. This is what the responsible people of Colonia want — the facts and not the fiction, not the obstructionist type of thinking." A Toss Up Pat was engaged putting a water main into the poorhouse. Saturday came and the boss saw Pat dolefully examining his pay packet. "Mistake in your wages, Pat?" he asked. "Oh, no," said Pat. "But I was just wondering whether me or the water would be in the poorhouse first."

## Speaking About Sports

By MEYER

Homeward bound. All good things must come to an end, they say. And so it is with a weeks vacation cruise down to Bermuda with my wife, son and daughter.

Bermuda is one of the cleanest islands down in the Caribbean. It is strictly an English possession and you will find that the people down here are most hospitable. The first day down here was spent in shopping. Liquors, doeskin gloves and bone china are real bargains and we bought our quota of these. At least my wife did.

On Sunday the stores were closed, which was a good thing and my son and daughter and myself spent most of the day motor scooting on the island. It seems that these motor scooters are nothing more than a bicycle with a gas motor attached and after you get the darn thing started off you go. We must have circled the small island a total distance of some 28 miles and had lots of fun doing it. There were parts of the island which were a little hilly and often the scooter couldn't make it, so we had to get off and push. It was still a lot of fun, even though it was a bit tiring. But downhill, we had no trouble at all.

It took us some 36 hours to get down here on the S.S. Nieuw Amsterdam, luxury liner on the Holland American line. We had perfect weather all the way and also during the three days we spent down here. When we pulled into the bay, we found the S.S. America also anchored there. She arrived the day before with some 400 vacationers. Our ship had 800 cruise members. The day before we left the Queen of Bermuda came down with another group of 600 Americans and Hamilton, the capital of Bermuda, was a busy spot for several days.

This morning (Tuesday), our 15 year old son is planning to enter the ping pong tournament. This afternoon, if all goes well, we hope to participate in the bridge tourney.

But like all vacations away from home, we were happy to get away but a bit happier to get back to the old crowd at home and in the office.

## Nathan Hale Pupils on Field Trip to Trenton

CARTERET—The fifth grade classes of the Nathan Hale Joint School toured the State Capitol and visited Historical Trenton and their annual trip. The first day of study in the fifth grade course of study in geography, social studies, and history, the group was made up of Mrs. Hilda Gind. Mrs. Minnie Kaplan, Mrs. Rose Weisman, fifth grade teachers and their class mothers, and Mrs. Joseph Comba, Mrs. Virginia Blatz, Mrs. Frank Riposta, Mrs. John Haas and Mrs. Longin Buinis.

The classes were guided through the Barracks Building, which was occupied by colonial troops will be on display in the Ethelburgine during the Revolutionary War. Keller Children's Library, the State Museum, where many exhibits were viewed and a sound film on Indians of early story books of many varieties America, how they lived and where they lived in the four classics, histories, biographies, sections of the United States, animal stories, sport stories, and of New Jersey greeted the special interest books, books of them and holding a long discussion on many questions fair any time during the school day or after school.

## First Annual 'Sports Nite' Parkers At Holy Name Draws 125

CARTERET—Approximately 125 persons attended the first annual "Sports Nite" presented by the Holy Name Society of the Holy Family Church, Thursday night.

Awards were made to all members of the basketball and cheerleading squads, sponsored by the society. Plaques were awarded to Rev. Martin Kominski, Ernie Weber, Jim Reidel, and Henry Penkul for their work and interest in behalf of the youth.

The featured sports celebrity at the affair was Vinnie Farrell, a noted Olympic basketball referee and sports official, who spoke of his experiences in the Rome games and also his association with the Harlem Globetrotters. He was also presented with a plaque by the Rev. Matthew Komopka for his inspiration to the youth of America.

Another sports headliner present was George Alusk, outfielder for the Kansas City Athletics, who spoke of his experiences in the major leagues and gave out valuable tips on players' attitude toward baseball.

Lonnie Ayres gave an amusing talk on the field of sports. He is a sports columnist for the Perth Amboy Evening News.

The affair had Tom Milk as master of ceremonies. Special sportsmanship awards were presented to Bob Mullan of the Holy Family softball team; Al Rigler, Junior basketball team; Bob Reddington, Midget basketball team and Greg Kotlinski, Club basketball team.

Also in attendance were: Walt Sullivan, Tom Coughlin, and Benny Zusman of the Carteret Recreation Dept.; John Tomczuk, who is athletic director at Woodbridge High School, besides being a member of the Society.

A buffet supper was served by the Holy Name before the regular program started. Tony Stec, president of the society, gave a brief talk on the fine attendance and said that he hoped this would be an annual affair.

## Rambling and Rumbling With B. Z.

The annual recreation banquet of champions will take place next Tuesday at St. Elias hall. Winners in basketball, softball, baseball and olympic medal winners will be honored. Sponsor trophies and individual trophies will be distributed. Sport celebrities and all borough officials have been invited.

High school football... Varsity Jay Vees and Freshmen teams have won all their games so far... Varsity winning four games, Jay Vees have same record and Freshmen only played three games and remain unbeaten.

Score of last Saturday's game does not indicate the fierceness of the game; never has an opponent taken such a physical beating. Line play was terrific and blocking very good. Carteret will travel to Sayreville tomorrow... Sayreville is always tough on their own track operated 10 days more than in 1961. Betting-wise, the rise was more than \$6 million. Attendance-wise, the increase surpassed 76,000. The average daily handle was \$419,216 wagger by a daily turnout of 6,339.

August and September handles were record smashers. The extra days, however, failed to measure up to the earlier figures.

The pacing record of 2:00.318 established by Hal Sampson in 1961 withstood several assaults but the trotting record which had held since 1960 finally went down the drain when Tidy Sister was clocked in 2:05.2-5 before Labor Day. A week later, Sis' Brother equalled the mark but on October 12, Secret Passion streaked around the oval with lightning like speed for a new record of 2:04 flat.

The closing feature went to Josedale Jet Arrow, returning a \$21.80 win mutual. Emmor Bailey handled the winner, who ticked off the mile in 2:04.

The early arriving crowd was treated to the second highest daily double pay-off of the meet when Oscar Patch, first race victor at \$25.60, and Success Play, \$14.20, yielded holders of the 6-8 combination \$336.80.

The cannon which boomed twice at the Metuchen game, was mislaid for the Roselle Park game and four booms were silent... but it will be at tomorrow's game for a lot of boomings...

Coaches pick of the week... Buzzy Brown as the back, John Markowitz as offensive lineman and Bob Taylor for his fine defensive work... last week, Art McMahon and Mike Kascur were picked as the back and lineman.

## Carteret Pee Wee Team in Tie, 0-0

CARTERET—The Carteret Pee Wee team in the Pop Warner League remained undefeated by playing a scoreless tie with North Edison.

Carteret lost two scoring opportunities for touchdowns. The first score was called back due to a penalty and the second score was lost because of a dropped pass in the clear field.

The team has improved a god deal and will help in the future years of the Pop Warner football play.

## Record Set At Freehold

FREEHOLD—Freehold Raceway concluded a record smashing campaign as 6,628 wagered \$497,024. The total handle for the 60 day term was \$25,152,981, contributed by 380,341 patrons.

## Parkers Blasted For 4th

CARTERET—One of the finest Carteret High football teams seen here in over a decade will put its 4-0 record on the line tomorrow when it meets a tough rival in Sayreville.

Sports-minded borough residents were highly excited over Doug King's fine group of gridiron warriors and the large crowd at Saturday's game went wild when the Ramblers added coals to the fire to come out on top with a dazzling 28-0 win over hapless Roselle Park here.

The Blues dominated so strongly that the visiting club could manage only 21 offensive plays. Carteret in the meantime racked up 21 first downs and gained 228 yards. Roselle Park had to be content with a net of 41 yards.

Buzzy Brown, who is still playing in place of the injured Ken Richter, put on a terrific show. He scored one touchdown on a 27-yard run, took an eight-yard scoring pass from Art McMahon and racked up 107 yards rushing for a 7.1 yard average per carry.

The Panthers attempted seven passes and the alert home team snared two of them. Carteret was good in the air for four tries and 75 yards.

Flep Scores

The Carteret reserves even got into the scoring act. On the next to the last play of the game, second-string quarterback Rod Stuart tossed a long aerial to Lou Flep, who snatched it on the seven and stumbled into the end zone.

The game was packed with penalties. Carteret had 103 yards marched off and the Panthers were penalized 74 yards. Most of the penalties were for 11 yards.

Carteret didn't waste any time getting its offense going. The Ramblers "shot off the launching pad" with a 30-yard pass from McMahon to Ed Mantie, chewing up 30 yards in the initial drive.

Mantie took the opening kickoff on his 22 and returned it to the 37. Three plays brought the ball out three yards and a 15-yard penalty pushed it to the R.P. 45. McMahon hit Mantie down to the 15 and Brown went to the 12. On the next play, he was stopped inches from the goal, but a 15-yard infraction shoved the ball back to the 27.

Buzzy Takes Over

Not to be denied, Brown took a handoff from McMahon on a beautifully executed trap play and broke loose up the middle. He cut to his left and scored behind a neat block by end Roger Bakos. Mantie's extra point attempt was blocked.

That was all the scoring during the first half although the Ramblers were knocking on the door, but couldn't get it open.

In the third period Mantie got off a booming 53-yard punt which was downed on the R.P. 5 by Mike Jernotaki. Ron Sigmond carried to the six. On second down John Markowitz broke through and slammed quarterback Frank Antonelli into the end zone for a safety to make it 8-0.

Carteret then took the ensuing kickoff and paraded 41 yards after a nice return by Brown. Carteret stayed on the ground all the way with John Swingle going for a yard, Mantie cruising for 11, Swingle again for six and Mantie for five to the 18 and a first down. Brown gained to the 12 on a reverse and Mantie was stopped after a yard gain. He went to the eight on the next play, was tackled by the face mask and the ball was moved halfway to the goal on R.P.-4. Mantie bulldozed for three yards to the one and McMahon went over on the next play. Mantie's extra point kick was wide.

Big Drive

Carteret launched a 74-yard march late in the third period and midway through the fourth quarter assumed a 21-0 margin. With Mantie and Brown carrying the ball, the Ramblers moved to the R.P.-11 in nine plays. McMahon got into the act and rolled out to the four.

Mantie was stopped after a yard gain, but Brown went to the two. The play was called back by an offside penalty and the Ramblers struck from the eight.

McMahon faked a handoff into the line and spotted Brown all alone in the end zone. He passed to him for the touchdown. Mantie kicked the extra point.

With the reserves in action the ball changed hands three times before Carteret's Kevin Miller intercepted and brought the ball back to his 46. Jerome Tardy went for eight yards and gained four more.

another running play was

ART McMAHON—Carteret Varsity Back who has played regularly good ball all season and will continue to guide the Team in the second half of the season.

## Many Sweeps Set in League

CARTERET—The week's bowling in the Nine O'clock Loops was featured by many sweeps, the most formidable was the Jones 5 over the Valiant Aluminum team.

Don Czubi led the boys with a sparkling 606 set on games of 223, 213, 171. Sam Semeniz was high for the losers with a high game of 209 and a 581 set.

The Rinaldi team is once again back on top as Mike Pfeiffer led the boys with a 587 set and high game of 220. A sweep was recorded over the Sabo 7's.

Other sweeps of the night saw the Such's Bar and Grill team trounce the Ohloti-Kenely team; Pages over Agric; Price's Men's Store over Sterling; Sixty-Niners over the Rahway Firemen and Center Bar over the Progressive. High game of the sweeps were recorded by D. Rutter, 214; Paisal 203 and F. Pantelou 20.

Odd game victories went to the Bavel Paint over Roselle Park Tire Co. Gus Bonnavita was high on games of 208, 207 and a set of 582. G. and M. Liquors over Al's Gulf, and Team No. 5 over Woodbridge Olds, and Bill's Gulf over Team No. 7.

## Frosh Gridders Win No. 3, 21-7

CARTERET—The Carteret freshmen football team under Coaches Al Brechna and Bob Ruggeri won their third straight game and remained undefeated by scoring a 21 to 7 triumph over Roselle Park frosh.

Carteret scored in each of the first three periods and Roselle Park scored its lone touchdown in the first period. Vic Barth scored in the first period on a 20-yard run and Ed Prokopiak ran for the extra point.

In the second period, Mike Turco galloped 30 yards and again he scored the extra point. In the third period, Ed Prokopiak raced 40 yards to score and Wes White made the final point.

The score by periods:  
Carteret 7 7 7 0-21  
Roselle Park 7 0 0 0-7

Smart Guy

## Jayvees Cop No. 1 Sportsmen Beat Edison by 14-7 Score

CARTERET—The Carteret Jayvees followed in the footsteps of the varsity by winning their fourth straight game of the season, defeating the Roselle Park Jayvees by the same score as varsity, 28 to 0.

Four backs had a hand in the scoring. Jerome Tardy, Joe Torre, Rodney Stuart and Bobby Heichtchew hit the scoring column.

Heichtchew had the longest punt of the game, a 60-yard punt return.

In the extra point department, all four backs also helped to make the score 28-0. Lou Flep, Rodney Stuart, Bobby Heichtchew and Joe Torre all ran for the extra point.

### Princeton Land Avenel Church Session Set Lists Program

AVENEL — The Rev. Dr. Charles S. MacKenzie, of the First Presbyterian Church will preach Sunday at 8, 9, 10 and 11 A. M., on the topic "When A Man Needs Guidance."

The Session of the Church has announced that Mr. Joseph McCord, a senior at Princeton Seminary, has been engaged as one of the Youth Directors. Mr. McCord is a graduate of Lake Forest College. His home is in Paris, Ill.

The Men's Fellowship recently purchased a 42-acre farm in Pennsylvania for use by religious groups of the area. Men wishing to be enrolled as Charter members of the Fellowship are invited to call the Church Office for information immediately.

The 8 P.M. Singspiration service, Sunday, will be sponsored by the Men's Fellowship. The guest speaker will be Rev. David Crawford, secretary at Princeton Seminary and former pastor of Historic Second Presbyterian Church, Princeton.

The Senior High Westminster Fellowship will be hosts Saturday and Sunday to a Gospel Team of Seminarymen from Princeton Seminary. Saturday evening the seminarymen will sponsor a "Fun Night" for teenagers. They will also take part in the worship services and Church School activities Sunday.

FUNDS ARE SOUGHT: Hands from New Jersey will soon stretch across the borders of New York when residents of Woodbridge Township join forces with those from Saranac Lake and Lake Placid in a fund raising campaign to send the United States hockey team to Innsbruck, Austria, to compete in the World's Championships in January. Our adopted hobsledders are clockwise: Jim Lamy, Mike Baumgartner, Neil Rogers and Larry McKillip. The above group holds the world's record in the time of 1:08:26.

### Klein Center to Employ 1,500, Nemyo Announces

FORDS — More than 1,500 persons will be employed at the Klein Department Store shopping complex when the project goes into full operation, Committee Chairman Joseph Nemyo announced today.

It is expected that as many as 90 per cent of the personnel will be selected from Woodbridge Township residents, he said.

The employee estimate and assurances to local residents on the employment projection were developed in a conference this week attended by Committee Chairman Nemyo and Mayor Walter Zirpolo.

"These employment opportunities will range from sales persons through maintenance crews," Nemyo asserted, "and this should be an important factor in the continuing betterment of the Woodbridge Township economy."

"It also will be in the nature of an 'extra dividend' because most important in the Klein complex is that it will provide the township with a better than \$10,000,000 tax rateable," Committee Chairman Nemyo declared.

Nemyo said the governing body will in no way be involved in the employment function "because we obviously cannot put ourselves in the position of an employment agency."

The jobs to be created by the Klein complex will include a large percentage of part-time and evening work, according to Nemyo.

"This in itself is important to our local economy for it will enable many persons to supplement their normal income with that extra money needed to provide some of the luxuries of life," Nemyo said.

The Committee also disclosed he was informed that when the Klein management was ready to launch its personnel program the matter will be fully publicized in the area's newspapers.

Nemyo was a leader in the fight to prevent the Klein store being built at Ford Avenue and Route 1 because of the contention that the site in that area would ruin roads, create serious traffic jams and devalue residential property.

The site now to be occupied by Kleins is further north on Route 1 and does not intrude on any residential areas.

### VANDALS AT WORK

FORDS — Several classroom windows, door windows, light fixtures and floodlights were broken over the weekend at School 25, Burnham Drive.

### Union President Commends Mayor

WOODBRIDGE — "Walter Zirpolo and his administration are friends of organized labor," declared Victor Catano, president of Local 1099, Middlesex County Municipal Employees, American Federation of State, County and Municipal Employees, AFL-CIO, today.

"This is not only my opinion," said Catano, "but it is also the opinion of almost every member of my local."

"The mayor and his administration have continually dealt with us in good faith and he repeatedly has shown that he is willing to concede various benefits to the employees so far as was consistent with a good administration of the municipality."

"In particular, we are quite happy at the way Mayor Zirpolo acted during crucial discussions on vital parts of the labor agreement which we shortly will have between our sanitation people and Woodbridge."

"This agreement, which will be signed as soon as the agreement has been finalized, is in itself the best indication I can think of that the Mayor and his administration are not antagonistic by any stretch of the imagination. The agreement will be the first contract signed between any union and a governing body of any political subdivision in the State of New Jersey. This milestone in labor relations could only be accomplished because of the mayor's understanding of good labor relations, his interest in maintaining high employee morale and his genuine interest in the legitimate aims and aspirations of the labor movement."

### GOP Dinner Dance To Be Held Saturday

WOODBRIDGE — Senator Clifford Case, Bernard Rodgers, Colonia, 15th Congressional District Candidate, and former Mayor Frederick M. Adams will be among the speakers at the GOP annual dinner dance to be held Saturday evening, October 20, at Bel Aire Manor, Fayette Street, Perth Amboy.

There are a few tickets remaining that may be had by calling Walter Kerbis, ticket chairman, at FU 8-9828. Mrs. Joseph Neves, Fort Reading, is chairman of the affair.

## A twenty year Forecast for Energy

More energy to turn America's wheels — to keep more automobiles, trucks, and trains rolling — to keep more jet turbines whirling. More energy to power America's industries — to heat and light big houses and stores. Every year, we need billions of BTUs more energy than we needed the year before. Most of it will come from fossil fuels: gas, petroleum, coal. (It is estimated that, by 1980, 87% of our energy needs will be met by fossil fuels.) The use of big pipeline systems to transport these fuels also is steadily increasing. As leading pipeliners of energy, Texas Eastern always is in search of new sources of energy and new ways to move it, store it, supply it. Texas Eastern Transmission Corporation, Houston, Texas.
