PASTOR'S CORNER

WORSHIP IN THE PARKING LOT!

The Church Council voted to hold Sunday parking lot worship at 9:15am in the parking lot across from Zion. This will take place through the end of October. You can stay in your car or bring a chair and sit socially distanced from one another. The worship will be online only if raining. The services will also be on Facebook Live and then on Youtube at www.youtubecom/zionrockford. We encourage you to subscribe to our Youtube Channel as well. The worship is also available as an audio file on our website. Please listen to them online at our website at www.zionrockford.com/sermons.

MULTICULTURAL CONVERSATIONS!

As we continue to discuss racism as a church and community, I'm grateful for our monthly conversations led by the Multicultural Committee about race on the first Sunday of the month, September 6th. I'm glad to see that the Midtown Lutheran Parish continues their dialogue on race as well. Please join us on September 16th as Zion members Charmaine Logwood and Janice Forrest will share their stories at the MTLP Zoom monthly meeting. Let us journey together faithfully before the empty tomb and walk together to a new place!

MOBILE FOOD TRUCK!

We partnered with the Northern Illinois Food Bank to host a truck in July at Zion and then in August at Salem. On September 15th, we will hold another mobile food truck at First Lutheran Church. Zion members have volunteered to unload food from the truck and then to put in the cars. We have been able to serve over 150 families benefitting over 500 household members each month. If you'd like to volunteer, please contact the church office.

PASTORAL INTERN DAYNA

This month we welcome Pastoral Intern Dayna Weltzin and her husband Tim. Intern Dayna has moved into her apartment that is rented from Zion Development. She will begin a preaching schedule and engage in the various ministry opportunities. Her first service will be September 6th in the church parking lot. She will be working with the Internship Support Committee in the first month. Please join us on September 6th at the parking lot on Fifth Avenue across from Zion. We will have a walk through reception for Intern Dayna.

Peace, *Pastor Mike*

PASTORAL INTERNS

I want to thank you for welcoming me and my husband, Tim, to Zion. We are looking forward to spending a year with the Zion community. As an Iowa native from a close-knit family, I grew up on a farm while Tim was a town kid. Some fun facts: we were born at the same hospital and both baptized at Zion Lutheran (Jubilee, IA), we attended Lutheran colleges out-of-state (me at Gustavus Adolphus and Tim at Dana), we met at a friends' baby shower and my dad actually introduced Tim's parents to each other.

I have been a full-time student at Wartburg Theological Seminary since 2018 (my call story evolved over time)! Tim is employed by Life Connections as Director of Clinical Compliance where he will continue working remotely. He's currently enrolled at Drake University as a graduate student completing a degree in Jurisprudence in Compliance and Risk Management.

My career history is varied. My past jobs have included: translator, legal assistant, social worker, instructor, hospital resource coordinator and development director. I lived in Spain for six years after college and I speak Spanish. In 2011, I earned a Master's in Adult Learning and Organizational Performance from Drake. I enjoy scrapbooking and singing. Tim's hobbies include fishing and hunting. We like life outdoors.

I am passionate about helping people as a servant leader. I have found my life-long vocation in ministry walking with Christ. I have a heart for pastoral care, music and liturgy, hospice and food ministry, education, and diversity initiatives.

It is a blessing to anticipate becoming a part of the Zion family with its rich history welcoming intern students. I am glad to have moved into our new apartment and look forward to meeting our new friends and neighbors at Zion. My email is interndayna@gmail.com.

Peace be with you, Pastoral Intern Dayna

T.H.A.N.K. Y.O.U.

This
Has to be the most
Amazing year I have spent in ministry!
Now, as I let go of my position as your intern
Kudos to YOU, Zion...
You did it again!
One more intern prepared by the finest community!
U ROCK!

What is there to say to you all after this year of internship but my deep, yet humble "Thank You". Serving alongside you this year has given me such a strong model for what a healthy congregation looks like and how it functions. You are a wonderfully caring Body of Christ and I will continue to follow you and your ministries on social media. I will be praying for you. I will never forget my beautiful and wild and crazy year of internship with you. Thank you for your embrace upon my arrival and thank you for letting me go as we walk forward in faith. I will never forget you!

Breathe in deep the Spirit of God!
Peace, Perrie

Tanzania Companionship Update

Tanzania Companionship Update

Looking back at my childhood, growing up with the interest in Tanzania, wanting to return, to really see what it was all about and live out the Legacy of my parents, the late Rev. David & Beverly Henry (Wessman). 50 years had lapse, 2011 was my first trip back, with my mother and sister Mim. We made the long journey to visit Sepuka church and congregation, Pastoral support, and family friends.

From the discussions and guidance from the Bishop and local Pastors, we were enlightened of their needs, and how we could work with them in a supportive role through a congregation Companionship.

Sepuka parishes and the Henry-Wessman families, Thank you for your continued financial support and prayers for our extended church families. Due to COVID, a personal presentation has not been possible, so we are adapting to updates through articles in the Grapevine. Other topics to follow will be, Education/schools, Well /water projects, and Medical/dispensary.

Sepuka Ministerial Leadership

A little history first:

Sepuka's humble beginning in the 1940's began with the missionary pastors pioneering a new generation of Christians followers. Through the years of this leadership and encouragement of evangelism, pastoral education, and empowering women to assume roles within the church and community, the Africans have taken the lead. With this strong Pastoral leadership at Sepuka – all churches continue to grow in membership, resulting in a need for larger churches to be built. It is difficult for the members to secure adequate funds for such large projects. This is where we can contribute financially and fulfill our supportive role within the companionship.

As a Congregation Companion – we have many opportunities in which to assist.

Would you consider sponsoring a student interested in evangelism or pastoral classes for \$600 - \$800 per year?

Would you be willing to assist with our 2 Christian Kindergarten teacher's salary of \$25 per teacher per month?

Would you like to donate toward the purchasing of Sunday School supplies for the children and young adults?

Would you like to donate to a fund for further construction of new church sites? See the humble beginning structures in photos.

If you are considering a donation of any kind, please contact:

Kathy Hand at my email address: katahand3@gmail.com or send your donation to Zion Lutheran Church at 925 5th Ave. Rockford, IL. 61104. Please make a notation of Tanzanian Companionship in the memo.

Welcome to another Sepuka update!

Since the signing of the certificate in 2012, the growth in membership at Sepuka and the 10 chapel sites has necessitated a division of this region into the 2 districts. We welcome Pastor Mitula back to Sepuka.

MULTI-CULTURAL - AROUND THE CHAIRS

AROUND THE CHAIRS!

Courageous Conversations September 2020

We hope you will join us. Together we will learn and grow!

With a prayer for Action, Ruth Larson, Jane Lightcap, Charmaine Logwood, Ron Simmons

It's time for another Around the Chairs meeting. We will meet on Sunday, September 13th at 11:00am under the large tree in the park just south of Zion. Our courageous conversations continue to focus on listening to each other as we engage in understanding the history and implication of racism in our country, community, church and in our individual lives. This month's discussion will involve the first two chapters of the book **White** Fragility. Please join us for this **one hour** meeting.

Following COVID recommendations and Zion policy, please RSVP so that we are prepared for social distancing requirements by emailing me at rjaslar@gmail.com. Wear your **mask**, bring your own **chair, water, note paper** and a **pen**.

Questions to be discussed:

Chapter 1

What in this chapter makes you uncomfortable when reading?
Why do so many white people feel so confident in their opinions on racism as they live their lives in segregation?

Chapter 2

Describe the difference between racial prejudice, racial discrimination and racism?
Do you believe that individual whites may be against racism, but they still benefit from a system that privileges whites as a group?
What does it mean to say that race is "socially constructed"? Biologically constructed? What is the difference between the two?
