Together the suits reveal the ways to the higher paths of living; Through learning compassion and understanding, right values & the art of creative manifestation, and ultimately the attainment of self-mastery.

- **Hearts** represent people, family, home, beauty children, youth, and childhood. They represent our passion and they teach us of love. When our hearts awaken we know compassion and we live in gratitude.
- **Diamonds** represent values, money, and action. They teach us of higher values. "You are to become a creator, not a competitor. You are going to get what you want, but in such a way that when you get it, every other person whom you affect will have more than he has now." The Science of Getting Rich (1901)
- **Clubs** represent the realm of the mind, and all things having to do with it; such as learning, education, teaching, communication, research, and sharing. They teach us the importance of knowledge - the awakened mind cultivates understanding, and knows the power of focus.
- **Spades** represent labor, health, and wisdom and they teach us diligence and wisdom through determination and self-mastery. The Spade suit synthesizes the energies of the Hearts, Clubs, and Diamonds, in order to bring forth wisdom through all endeavors. Spades represent work, labor, spirituality, and wisdom.
