CRYSTAL GRIDS

by HOUSE of FORMLAB

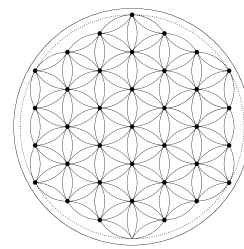

Sacred Geometry is the science of energy patterns, the fundamental patterns of life. They are the shapes that form the template for all creation. They have been explored since ancient times by mathematicians, artists, and spiritual practitioners. We now also use them to create crystal grids to add power to our own magick. With this guide you can learn about some key sacred geometry symbols and print out the ones you wish to use for your own crystal grids.

★ THE INFINITE HEXAGRAM

Also known as the “Creator’s Star,” the Hexagram is an ancient symbol of protection. It is used to rebalance emotions and the physical being. The Infinite Hexagram helps us to understand celestial forces and discover portals to other worlds. It is ideal for crystal grids focused on:

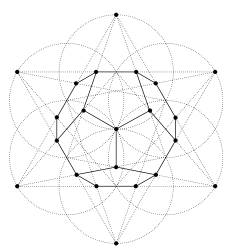

Protection | Cleansing | Internal Rebalancing
 Finding Harmony | Accessing Akashic Records
 Transformational Work | Past Life & Regression

THE FLOWER OF LIFE

The Flower of Life is the basis for all of creation. One of the most ancient of the sacred symbols it is said to aid those who seek self-knowledge and knowledge of the universe. It is ideal for crystal grids focused on:

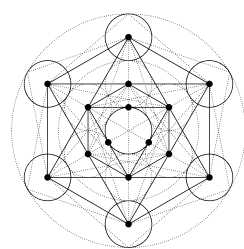

Manifestation | Enhancing Chi | Distance Healing
 Calming & Soothing | Sparking Joy

THE SEED OF LIFE
 with DODECAHEDRON

The Seed of Life is at the core of all beginnings. It represents fertility, the goddess divine, and the nature of life itself. A dodecahedron is a “Platonic Solid,” one of the five perfect shapes which are the building blocks of life. It also represents the 5th element - Ether or Spirit. Work with it to connect to the divine nature of the universe. This combination is ideal for crystal grids focused on:

New Projects | Connecting to Nature | Self-Discovery
 Blessing Children | Fertility | Finding Your
 Spirituality

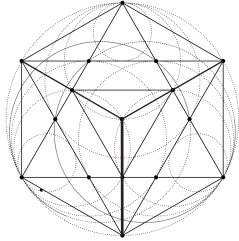

THE METATRON'S CUBE

The Metatron link's all dimensions both natural and supernatural, while speaking to us of our divine purpose. Long ago the alchemists used a cube to represent the ultimate symbol of creation, a crucible of energy, nowadays we also use it to block or absorb EMF. The Metatron's Cube is used by lightworkers to connect to the multiverse and shift energy to other realms. This combination is ideal for crystal grids focused on:

Lifepath | Career | Communication | Higher
 Realm Work | Dispelling Negative Energy or
 Thoughts | EMF Blocking

★ THE MERKABA

The Merkaba speaks to us of evolution both physically and spiritually. It enhances the flow of Chi and stimulates the Third Eye. It is ideal for crystal grids focused on:

Increasing Your Vibration | Deep Meditation | Third Eye Chakra Work | Protective Shields | Stabilizing Energy Flows

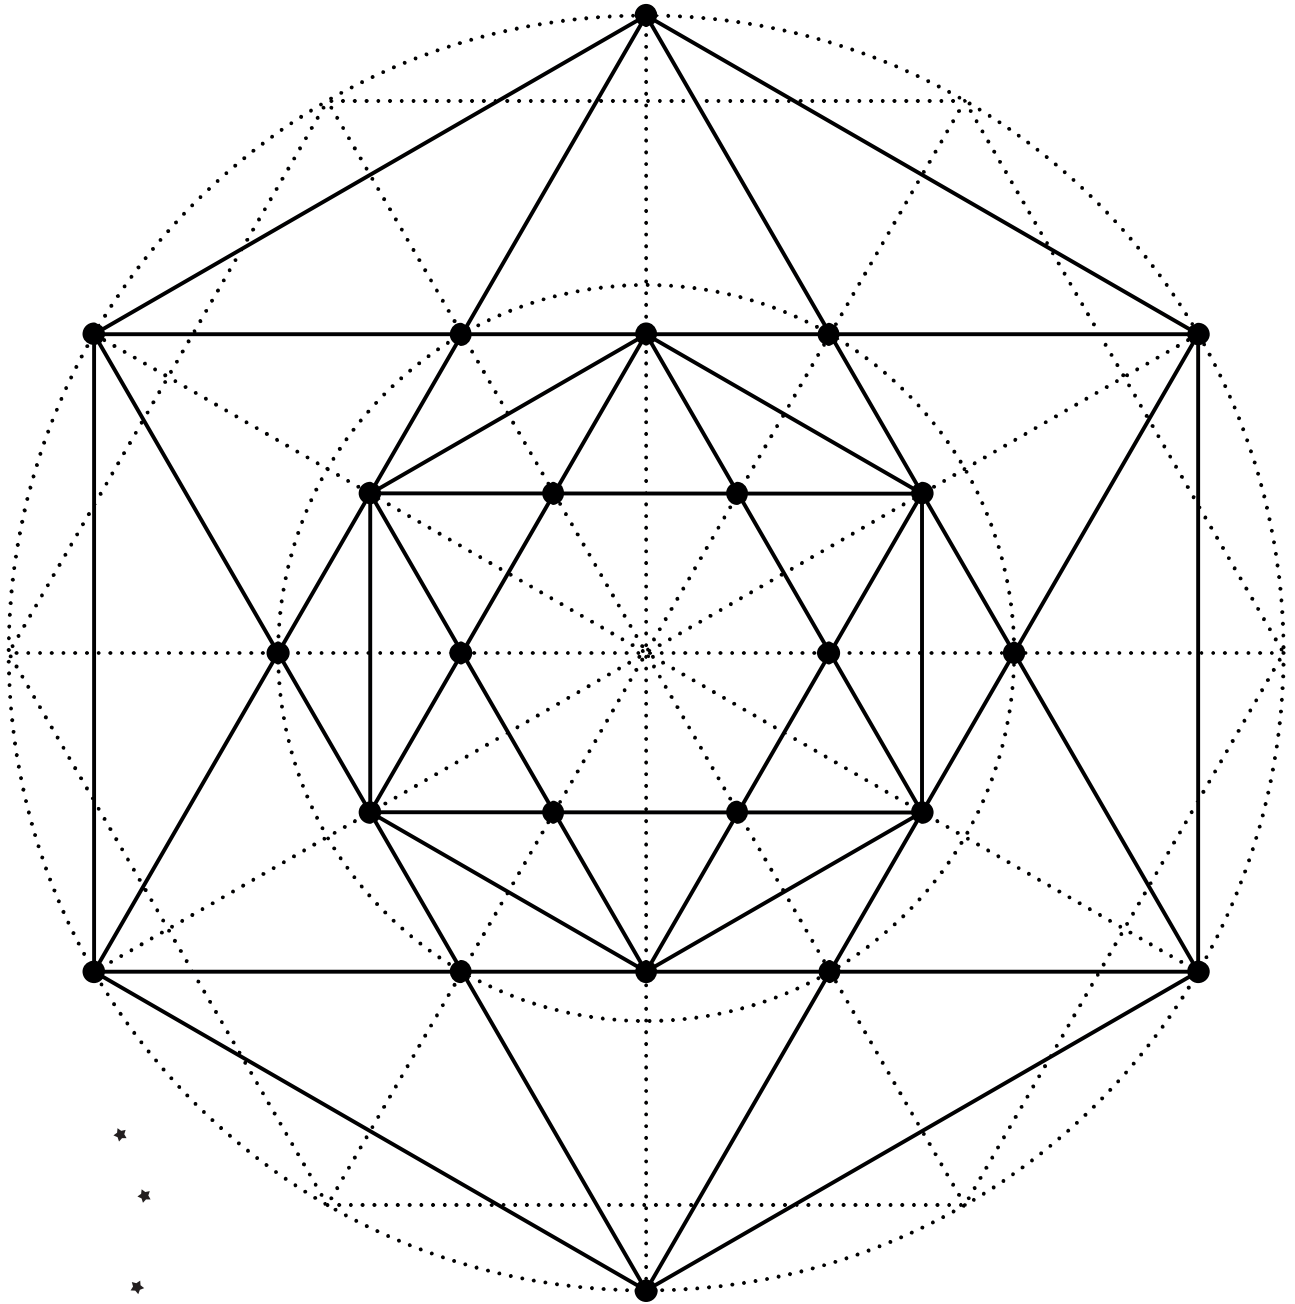

THE DRAGON'S EYE

The Dragon's Eye will help you to connect to the dragon spirit that guides you. It will also help you search the cosmos for those energies and spirit guides who wish to aid you. For those seeking a spiritual path it helps you to feel the energy of the elements, the earth, the natural world, and the other realms around you. It is ideal for crystal grids focused on:

Connecting to Spirit Guides | Speaking to The Dragon Spirit
Working with Elements | Nature | Higher Realms

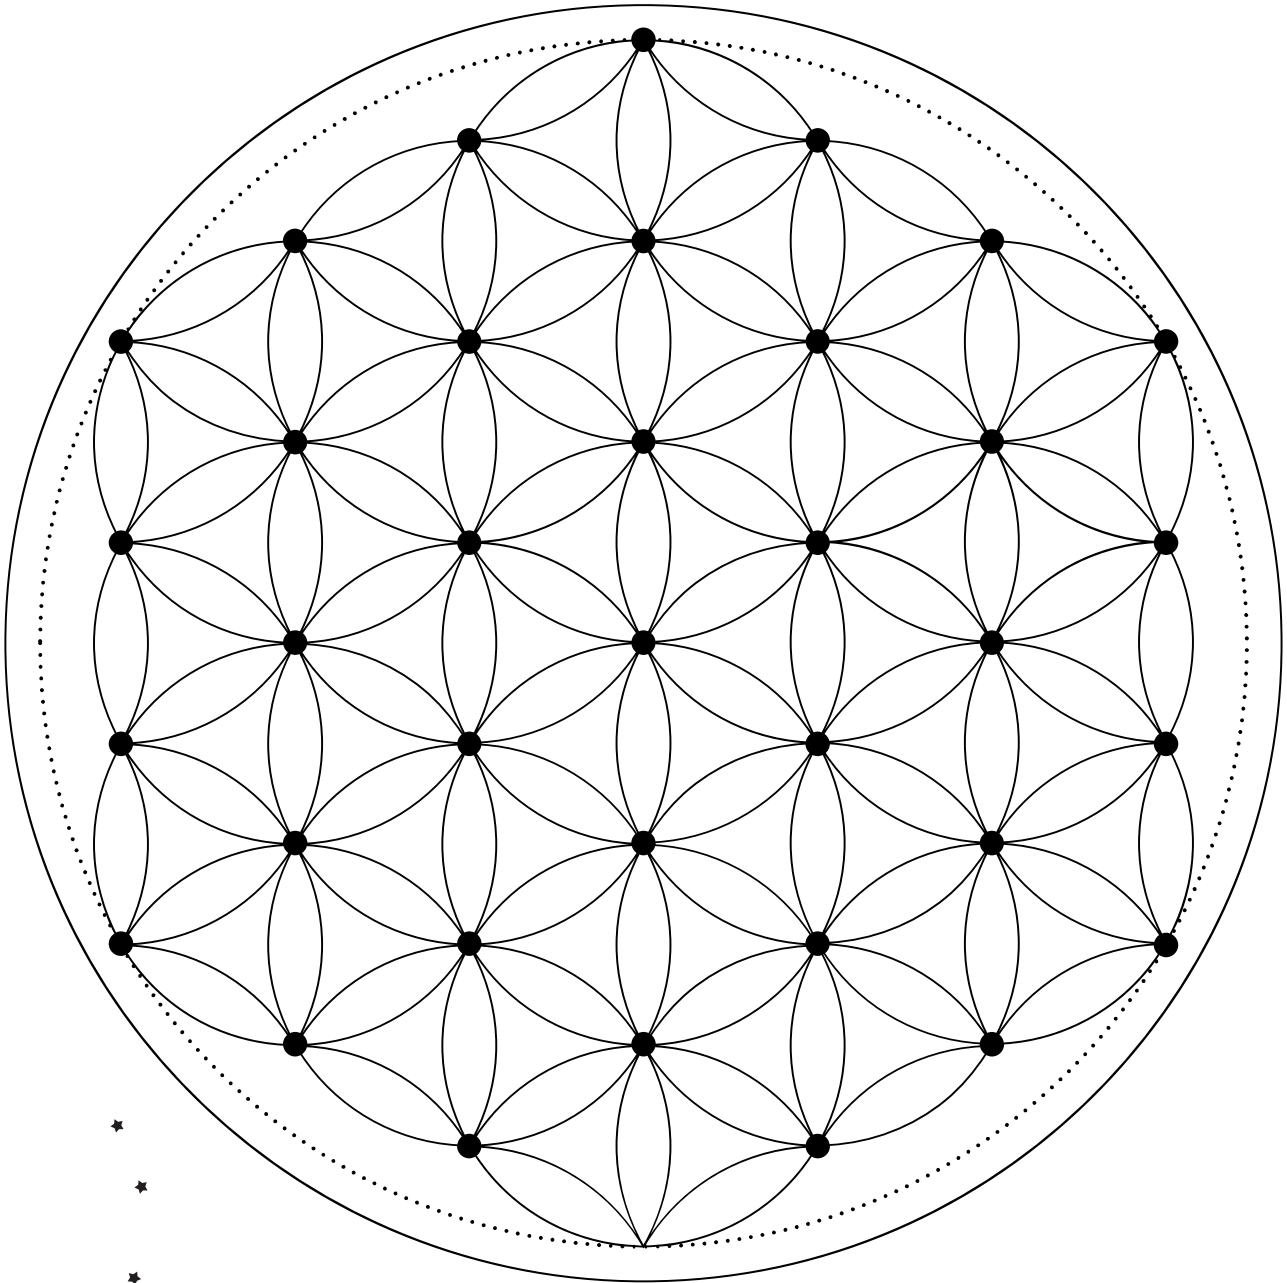

Choose a grid which speaks to you.
