In one suburban family, a teenaged son's death by suicide fractured lives in unimaginable ways. Coming like a bolt of lightning, suicide is a loss like no other. Counseling and support from Catholic Charities LOSS Program helped this family to heal and search for peace together. *"This program is a gift from God. While a long road remains for our other child, I now have hope that she will do more than survive she will thrive.."*

As the Risen Christ offers peace to the world, your gift to Catholic Charities on Mother's Day, May 13, will comfort the broken and the troubled

**FAREWELL TO SMG**

Although the years that I spent in music ministry at St. Maria Goretti have been the happiest years of my life, circumstances have caused me to have to leave there and move to a ministry closer to home. The constantly rising gas prices and the doubled tolls are beyond me. As I leave you all, I want you to know that I loved St. Maria Goretti and its people more than anything else in the world, and will keep a fond place for all of you in my heart. Thank you again for everything.

Peace and all good, Sally A. Daley, QM
