OF EASTER

## SAINT PATRICK PARISH, FOURTH SUNDAY OF EASTER - MAY 12, 2019

Dear Friends,

It will be no surprise to you that I write regarding the capital projects that you have seen taking place and that we have posted about in the bulletin. The urgent need to replace the gutters and repair rotted portions of our church at St. Patrick's was not unexpected, but came upon us sooner than we had hoped. We have savings that we have had to use to pay for these capital needs and our savings is now substantially diminished.

For this reason, I would like to ask for your help in restoring the savings spent on these projects before the end of the fiscal year, which is the end of June. The restoration of these funds will prepare our community for future needs, which there will certainly be. Please, take time with your family to prayerfully consider a generous contribution to help us accomplish this goal.

Having to make these kinds of requests is not fun, and yet they are a part of my job and part of my responsibility to all of you.... I will always strive to be a priest who is honest and transparent about these things and will always try to be a priest in mission mode rather than a priest in maintenance mode. Status quo maintenance mode is never life-giving or inspiring and leaving projects like these unattended to causes even more problems for the future generations of priests and laity of our community to have to deal with.

Long after my time here, I want to be able to say confidently and proudly, that I did everything that I could for the Catholic Community of Watertown that was entrusted to my care. I have been told many times, that this parish has a great history in stepping up in a big way when called upon. It has made clear that the people here love their faith and love their Church. I have no doubt that you will all step up again.

I am also very thankful to those who made offertory commitments back in December. Our purpose is to focus on ministry and the sacraments, and so your generous support through the offertory is vital to making these larger requests rare. Making an intentional pledge of support and maintaining your giving through envelopes and online giving is vital to our parish's ability to pay its regular bills, so that our savings may cover major and unexpected needs as necessary. If you have not yet made a pledge, please consider doing so, it is a practice we aim to encourage continually.

In the Peace of Christ,  
Fr. Matthew Conley  
Administrator

### **FR. SASSOU**

Fr. Sassou will be concluding his ministry here in the Watertown Catholic Collaborative on Sunday, May 26th. He will be returning home to Cameroon to visit family and friends and upon his return to the Archdiocese, he will take on a new assignment. We are grateful to God for the gift of Fr. Sassou and his priestly ministry. Fr. Sassou's willingness to come to Watertown and assist us as the temporary Parochial Vicar has been greatly appreciated. We wish him nothing but the best in his next assignment.

*A simple reception for Fr. Sassou will be held following the 4pm Mass at St. Patrick on Saturday, May 25th. We invite you all to join us that evening to personally thank Fr. Sassou.*

### **WATERTOWN COLLABORATIVE FOOD PANTRY**

This month two supermarkets have generously chosen the food pantry as a benefiting non-profit to receive donations through their "Give Back Where It Counts" Reusable Bag programs. This is an easy way for customers to contribute to their local community while supporting the environment. **During the month of May**, the food pantry will receive a \$1 donation each time a "Give Back Where It Counts" shopping bag is purchased.

### SPRING GOLF OUTING

The 27<sup>th</sup> Annual Pope St. John XXIII National Seminary Golf Tournament is scheduled for Monday, May 20th, at The Weston Golf Club. This premier charity event is held to benefit the educational program for the seminarians. Tuition covers only half the cost of educating a seminarian and the proceeds from this tournament will help bridge the gap and keep the cost of educating them affordable. The \$250 player entry fee includes lunch at the Club, 18 holes of golf with cart, and door prizes; followed by a social hour, silent auction and dinner for each golfer and a guest at the seminary.

To register, call Kate Folan at 781-899-5500 or visit [www.psis.edu](http://www.psis.edu)

In an interview, Art Linkletter recalled some of the more memorable things children said on his television program. In response to the question, "What is love?" one little boy said, "Love is when your name is safe in someone else's mouth." That is a pearl of wisdom from the mouth of a very young observer!

When Jesus is challenged by the crowd to tell them if He is indeed the Messiah, He answers them by saying that He and the Father are one—one in power, one in shepherding His people, one in giving life. Those who believe in the Lord can recognize His voice because He is the Good Shepherd, the One who gives them safety and life. He calls them by name and they are safe in His hands.

Jesus calls us by name in Baptism and in all the sacraments. He calls us to be His followers, to live a life in union with Him and the Father. Through faith, we hear Him and we must answer. We hear His voice in those who cry for justice, those who weep with sorrow, those who suffer from violence and war, and those who do not experience life as God created it and are left in hunger and poverty. Hear the voice of the Lord and help to carry the cross of others. Your name will be safe in the mouth of the Lord!

### Prayer and Action Needed to Defeat "Roe Act" in MA

Please call your state representatives to oppose the ROE Act. Visit [www.renewmacoalition.org](http://www.renewmacoalition.org) to sign an online petition. Learn about this legislation which would get rid of parental consent laws, legalize infanticide, remove restrictions on late term abortions and eliminate the requirement that abortions be done by doctors associated with hospitals. Thanks for your support and respect for all life.

### CELEBRATION OF SPRING CONCERT
