Mary, the Holy Mother of God

This solemnity is a rather recent addition to the cycle of seasons, Sundays, and feasts in our liturgical year. We have Pope Paul VI to thank for the 1974 enshrining of the devotion to Mary into our calendar on January 1. It is also a day in our calendar as a World Day for Peace.

Isaiah 60:1-6
Ephesians 3:2-3a,5-6
Matthew 2:1-12

God of heaven and earth,
you came to us and took our earthly flesh
through the gift of Mary’s yes.
She is our Mother in faith,
as she is your earthly mother.

We are thankful beyond our ability to thank you
for the gift of her Son as our brother and savior.
Through her self-giving,
we have been reconciled to you.
Bless us as we begin this New Year
and endow us with the desire and ability
to create a world of peace.

We ask all this,
through the intercession of Mary to you,
one God, Father, Son, and Holy Spirit.

Amen.

Mary, the Holy Mother of God

CAN YOU HELP??

The St. Saviour Media Ministry is looking for people who would be interested in helping us record Masses on the weekends. We established a program whereby we broadcast all of our Masses over the internet. This ministry is especially appreciated by shut-ins, those recovering from an illness, and for out-of-town family members who cannot travel to attend First Communion, Confirmation, Funerals, weddings, or perhaps the first time their young family members serve as altar servers, etc.

We have four cameras located around our church to accomplish this. We have a media control room on the property, and it is from this location that someone controls the various cameras and what is broadcast over the internet. Weekday Masses are recorded unmanned from the HD camera located across from the altar. During the weekend Masses, parishioners control all four cameras with varying views depending on the activity at each Mass.

We established a "Media Ministry" which involves a team of people to operate the camera system from the console located in the Media room. Previous experience is not needed, and the cameras are easy to control. It is not difficult and for those of you who are wondering, it would fulfill your Mass obligation in this ministry so you would not be giving up any additional time.

If you would like to be involved in this ministry, contact Bob Jacobs at 513-793-2920 or bjacobs@me.com. He can arrange to meet with you in the media control room and show you what operating the system entails.

Guide Book Directory—Update Census Information

Does our Church database have YOUR family membership record correct? Here is your chance to update YOUR record for our annual Guide Book & Directory (if you haven't already done so). It is time for us to update our database with any changes, additions, or deletions that may have occurred in YOUR family over the past year. Have you changed your phone number? Have you moved? Are you preparing to move soon? Are all of your children still at home and are they all included in your membership record? Do you want your record published? If you have not already informed the Church Office about changes to your record, please let us know now so that the information in the Guide Book & Directory is correct.

We'd like to thank all the people who took the time to make cookies and candies for our Bereavement Committee Christmas Cookie Tins. They were beautiful and delicious and they were very much appreciated by those who received them.

Thanks again for your kindness and support.

CHRISTMAS GIVING TREE

The phrase "Thank You" is just not enough to express our gratitude for your generosity once again. We are truly humbled and touched by the wonderful response to our giving tree. We had vehicles filled to capacity for CAIN and for Deer Park Schools. Dozens of beautifully wrapped presents were left under the trees for St. Vincent de Paul. The cash donations for the Schools are still coming in.

We are so proud and grateful for the kindness in your hearts.

EARLY BULLETIN DEADLINES

For December 30, 2018 bulletin—deadline is December 19
 For January 6, 2019 bulletin—deadline is December 27

FOR OUR FRIENDS AT ST. SAVIOUR

A gift of a poinsettia tree has been given for your enjoyment over the Christmas season to say thank you for your prayers, cards, food and transportation for Jimmie as he went on his journey to Heaven. God has blessed us with so much love and Jimmie knew that. He would say, "We are so blessed" and we were, and I am still. Words cannot express how I feel about this parish and the support you have given to me and my family.

God Bless You All,
 Love,
 Donna

**TODAY'S
 GOSPEL
 REFLECTION**

Take a moment to contemplate the symbols of the season. The crèche tells us the Gospel stories: first from Luke, which details the human birth in a lowly stable and the angels' message to shepherds; and later from Matthew, which describes the arrival of Magi who signify that God's salvation extends to all. The angels stand as heralds of the good news, an emblem for each of us on this solemn feast of our own duty to spread the message that Christ is born and saves us from our sins. The tree stands as a symbol of life, its green branches unfading even in the winter cold, just as God's life remains in us even though our human form should die. The wreath made of evergreens reminds us that God is one, without beginning or end. The candles recall the birth of him who is forever the Light of the world. Today, we celebrate the fact that God came to earth as a beautiful, innocent infant who rejects no one. We rejoice this day in the birth of Christ! And tonight, we remember that Jesus Christ came into this world quietly, humbly, and gracefully, an example of how we should live our lives.

**SHARING THE GOSPEL
 WITH CHILDREN**

Sharing the Gospel

When Jesus traveled to Jerusalem as a 12-year-old young man, he felt completely at home in the Temple. He enjoyed talking to the teachers about his Father in heaven. His questions and his answers showed how much he loved God.

Prayer

Dear God, help me to feel at home in my church like Jesus did.

Something to Draw

Draw a picture of yourself learning about God with your teacher.

Mission for the Week

Help visitors to your church feel welcomed. As a family or as a class, make cards for visitors, asking them to come back.

QUESTION
AND
ANSWER

What can I do to help our family practice our faith each day?

Some families practice their religion together as just another event on their schedule: go to church, observe Lent, help at the parish picnic, go to a meeting, volunteer time, make your confession, use your envelope. The focus needs to be on who we are: God's people, in relationship with him, loved, forgiven and redeemed, and called to live and proclaim the Gospel. Our awareness of God's presence and our sense of mission are supported by the daily rituals, celebrations, and traditions that help us stay focused. Sharing our faith strengthens us and clarifies the beliefs and values of Christian living.

Daily family practices include time for prayer-before meals, before bed, before important meetings and activities. Attend Sunday Mass together and discuss the homily afterward. Create family celebrations for holy days and holidays. Make religion a regular part of your discussions. Include others, especially the elderly and the less fortunate in your activities and charitable efforts. By applying the virtues of faith, hope, and love to each day, faith becomes part of who your family is. It influences how you act towards others, what you value, and how mindful of God you are. Faith is the leaven of life that helps all of us rise to our calling and dignity as God's people.
