PREFERRED PARTNER PROGRAM
TEAM SALAMANDER

SALAMANDER + NEWLINE PARTNER FOR YOU

Salamander supports Newline to bring together elegant workplace display technology and premium AV furniture for mutual integrators and end customers. These turn-key systems feature innovative low-profile cabinets and mobile carts designed for Newline displays to provide stunning aesthetics and ergonomically-correct display positioning for the best possible user experience.

Complete Deployment for a Better Experience

- Sleek, Low-Profile Cabinets and Mobile Carts specifically designed for all Newline Displays
- ADA compliant with UL-listed display mount
- Unique depths for greater space optimization
- Accessible, comfortable, ergonomic display positions for improved productivity and user experience
- Low impact installation - no wall reinforcement, simple toggle bolt installation for anti-tip
- Rapid Global Deployment with standardized, simplified AV solutions that save time and money
- Retrofit-friendly and easily upgradeable

SALAMANDER + NEWLINE WORKING FOR YOU

The Salamander and Newline difference lies in the seamless intersection of premium furniture design with AV technology that makes your projects faster to specify, easier to install and more visually appealing than ever before. Considered the “go to” furniture brand by integrators the world over, Salamander has a 25-year history of delivering high-quality workplace furniture, seating and AV-support structures. When coupled with Newline, there is simply no better integrated system for your projects

#1 Furniture Brand is Designed For You

- 25+ years of providing innovative AV furniture and seating solutions
- #1 furniture brand in CE Pro Analysis - for 14 years in a row
- Premium products manufactured in a 100% solar-powered USA factory
- Uniquely quick-shipped within days
- Backed by unprecedented service and Limited Lifetime Warranty

SALAMANDER PRODUCTS FOR NEWLINE

The following Salamander products are designed to work with Newline interactive displays for quick ordering and rapid deployment. Regardless of your specific application, we offer a range of Cabinets for fixed or variable installations, Mobile Stands for projects requiring movement between spaces, and fully adjustable FPS Stands that can convert to a flat, tabletop configuration. Select from our latest styles, materials, sizes and finishes to suit all your interactive display needs.

Salamander products accommodate the Newline interactive displays from 65" to 86", meaning there is a size for every meeting or learning space.

TRUTOUCH VN Series

TRUTOUCH VN Series is designed for an intuitive user experience that evokes inspiration. Write seamlessly over your own device's content with a brand-new user interface design which brings you less clutter and more efficiency. With more responsive IR touch technology, 4K Ultra-High Definition resolution, and its non-proprietary nature, TRUTOUCH VN lets you collaborate on content better - without limits.

CABINET SOLUTIONS

- Durability and Safety tested. UL Listed Display Mount
- ADA compliant solutions solve "Protrusion and Operable Part reach limits"
- Low Impact Installation - No wall reinforcement, simple toggle bolt installation for anti-tip
- Rapid Global Deployment with standardized/simplified AV solutions that save time and money
- A unique, shallow depth allows for minimal screen providing accessible, comfortable, ergonomic position that improves productivity and user experience
- Full customizable from accessories to look and feel - upgradeable with new style/skin or easy replacement of tops, end-panels and doors as desired.
- Made in America and backed by Limited Lifetime Warranty

CABINETS / LOW PROFILE

**Designed For
Newline Interactive
Screens**

**Ergonomic -
minimal screen reach**

**Wall Mounted -
provides convenience
and frees up floor space**

**ADA
COMPLIANT
SOLUTIONS**

Low-profile, shallow depth cabinets are sleek, streamlined solutions for supporting AV/IT technology. Our innovative design conceals all equipment and cables, and simple installation allows them to be affixed to any wall without special preparation. A unique, shallow depth provides a comfortable working position for interactive display users.
